REgistration procedures

new students - graduate and undergraduate

New students, both graduate and undergraduate, cannot register for classes until all requirements for admission to the university are met.

After admission requirements are met, new graduate students will register in accordance with the procedures set out below for former students.

After admission requirements are met, new undergraduate students will receive their registration materials in connection with the orientation program provided for such students. Further instructions for completing registration will be given during the orientation program.

former and currently-enrolled students

Students enrolled for the Fall 2006 semester who plan to graduate in Fall 2006 and intend to continue as graduate students for Spring 2007 must file an application for graduate study. Graduate admission information and the application for admission are available on the Web at www.grad.uni.edu/admission.

Former students who are not enrolled for the Fall 2006 semester must file a notice of intent to register with the Registrar's Office at least two weeks prior to registration for Spring 2007. Failure to file this notice of intent to register will delay the registration process.

Registration process

Students are encouraged to self-register from a convenient location. Computers will be available at the Registrar's Office for students to use for registration. Operator-assisted registration will also be available at the Registrar's Office.

During advanced registration, scheduling assistance will be available in the Registrar's Office 7:30 a.m. - 5:00 p.m. Monday through Friday. Students registering from locations other than the Registrar's Office will be able to access the system from 7:30 a.m. - 11:00 p.m. Monday through Friday. On weekends during advanced registration, the system will be available 2:00 a.m. Saturday through 6:30 a.m. Monday.

Students will be able to register from ITS computer labs around campus. Students who desire to register from off-campus may do so via the World Wide Web at www.uni.edu/register/reginfo.htm or http://myuniiverse.uni.edu. Students with questions on registering from off-campus should contact the ITS Consulting Center at (319)273-5555.

If you are accessing the system for the first time, your password is the UPPERCASE first two characters of your last name, followed by the # sign, followed by the four digits of your birth month and day. For example, John Smith born on July 4 would have an initial password of SM#0704. The password is case sensitive, so be sure to enter the letters as uppercase for your initial password. For security reasons, you are required to change your password the first time you log in. Your new password must be at least 6 characters long and must contain at least one alpha, one numeric, and one special character. See the password requirements for a complete listing. Keep your password in a secure place. It is required for future access to the system.

Prior to registration:

1. Students should access their registration information. This is available via the Web at www.uni.edu/register/reginfo.htm or http://myuniiverse.uni.edu.
   A. Note the registration date and time. Registration can occur on or after the date and time that is listed.
   B. Note the registration holds section. These must be cleared prior to registration or the computer will prohibit you from registering.
   C. Note the student eligibility section for majors, minors, GPA, projected classification, and teacher education status. Use this section to assist in determining course eligibility.

2. Complete the class schedule on the registration form which is found on page 3 of the Schedule of Classes. List alternatives in case classes are closed.

3. If any desired courses require an approval, please contact the appropriate offices. Approvals will be granted electronically or in writing. Students given written approval must add the course at the Registrar's Office. Verbal approvals will not be acceptable.

4. If any desired courses list prerequisites, please verify that the prerequisites have been met.

Students will be able to drop and add classes at anytime after their initial registration. This can be done at either location.

Other registration information

Late registration

Registration after January 8, 2007, is considered a late registration. A $20.00 late registration fee will be charged of all students who register after this date.

Closed classes

Written permission to enroll in a class which is closed must be secured from the head of the department in which the course is offered. In some instances, the department head may request the student to obtain the instructor's signature to see whether there is room in the class. Then the student will still need to go back to the department head office for final approval.
CHANGE OF REGISTRATION
Students may enroll in a course anytime up to and including one week after the beginning of University instruction. This week shall be defined as seven instructional class days. Beyond that period, but not to exceed three calendar weeks beyond the beginning of University instruction, enrollment will be subject to departmental approval.

Friday, January 19, is the last day to drop a full-semester course without a "W". Dropping a course without a "W" removes the course from your academic record and is subject to a tuition refund if the drop results in less than fulltime (12 hours undergraduate, 9 hours graduate). Courses dropped after January 19 through March 9 are dropped with a "W" (withdraw) and are not subject to any type of tuition refund. Please note this methodology only pertains to a portion of the courses being dropped. When all of the courses are dropped for a semester (total withdraw), the amount of tuition refund is based upon the withdraw date - see the “Withdrawal Refund” section on page 9.

Students desiring to make changes from off-campus may do so through the first seven (7) days at www.uni.edu/regist/reginfo.htm.

The change of registration is not effective until the form is filed in the Registrar’s Office, and the date filed in the Registrar’s Office is the effective date of the change.

CHANGE OF REGISTRATION FEE
The following fees will be assessed for changes of registration beginning Tuesday, January 16:
- $10.00 for all added courses
- $10.00 for all dropped course

STUDENT LOAD
Undergraduates with over a total 2.00 GPA have a maximum load of 18 hours.
Undergraduates with under a total 2.00 GPA have a maximum load of 14 hours.
All graduate students have a maximum load of 15 hours.

If you wish to register for a load in excess of your appropriate limit you must do the following prior to your initial registration.

Undergraduate students approval must be obtained at the Registrar’s Office (lower level of Maucker Union).
Graduate students need the approval of their advisor and the Dean of the Graduate College, Lang 122. Graduate students must complete a student request form stating your reasons for requesting to take more hours and stating your UNI cumulative GPA. This form can be obtained at the Registrar’s Office.

EXPLANATION OF COURSE NUMBERS
The first three digits of the number are the Subject Area (or Department) number.

If the first digit after the colon is a "0" this indicates a course which is open primarily to freshmen and sophomores.

If the first digit after the colon is a "1" this indicates a course which is open primarily to juniors and seniors. A "g" after a 100 course number indicates the course carries graduate credit for graduate students.

If the first digit after the colon is a "2" this indicates a course which is open primarily to graduate students. Undergraduates seeking admission to the course must secure the permission of the head of the department offering the course.

If the first digit after the colon is a "3" this indicates a course which is open primarily to doctoral students, and undergraduates seeking admission to the course must secure the permission of the head of the department offering the course.

SECTIONS NUMBERED IN THE "80s" (OR "8" AND A LETTER) MEET THE FIRST-HALF OF A SEMESTER. SECTIONS NUMBERED IN THE "90s" (OR "9" AND A LETTER) MEET THE SECOND-HALF OF A SEMESTER.

PREREQUISITES
An entry below the course title indicates a prerequisite to be satisfied before enrolling for the course.

The university reserves the right to remove students from courses for which prerequisites have not been met.

STUDENT CLASS SCHEDULES
Upon completion of registration each student is given a copy of their schedule. This is the only free copy the student will receive.

REPEATING COURSES
Students must identify any course which is being repeated. Print a "Rep" in the Special column on the registration form or Change of Registration form or answer the appropriate questions when self-registering.

AUDITING CLASSES
Students may register for audit by printing an "Aud" in the Special column on the registration form. The student's name will appear on class and grade lists with audit identified. Student grade reports and transcripts of student records will not automatically show course listing or notation of audit if the student is registered for other courses. Students registered only for audit would have a grade report and a transcript listing which would show only the word "audit". In either case the course title would not be listed unless a student request approved by the instructor showing the student regularly attended the course is filed in the Office of the Registrar.

Students registering as auditors may change to registration for credit in the first three weeks of fall or spring semester. After that any change would require signatures from the course instructor and the Office of Academic Affairs.

Audit hours are included in the maximum credit hour load a student may take. Students may audit a course, but the fee assessment will be the same as courses taken for credit.

APPLICATION FOR GRADUATION
Seniors who expect to graduate at the end of the Spring 2007 semester must complete an undergraduate graduation application form. These forms can be completed electronically at the time of registration or by a separate option on the registration main menu. Paper copies are also available at the Registrar’s Office.

Graduate students must have filed an application to graduate by the end of the first nine weeks of the semester in which they plan to graduate. Paper applications are available at the Office of the Registrar or academic department for Masters and Specialist candidates. Doctoral applications are available at the academic department.

TRANSCRIPTS
Complete transcript ordering information is available at www.uni.edu/regist/students/transcripts.shtml.

EXTENSION OF CREDIT/EDUCATIONAL LOAN
Registration for classes creates a legally binding financial obligation to pay tuition and fees per official university policy, as summarized in this publication.

You are expected to have made the necessary financial arrangements prior to enrolling for classes. Any financial assistance from the university should be arranged prior to the start of classes through the Financial Aid Office. **You are responsible for making all payments due while a Financial Aid application is in process.**

Your registration for classes constitutes your understanding and acceptance of this responsibility. The university considers this extension of credit to be an "educational loan" under Federal and State laws. This credit is automatically extended to all students.

ELECTRONIC BILLS (e-bills)
The University does not mail paper bills to enrolled students or their parents. Instead, electronic e-bills are available through MyUNIverse (http://myuniverse.uni.edu/). Monthly e-bills are generated the 10th of every month beginning in August if the total due is $10 or more. Payments are due approximately the 5th of the following month. (If an e-bill is generated, a notice is sent to your University email account.)

Tuition, mandatory fees, room, and meal plan charges are posted to student e-bills beginning August 10. Any changes or adjustments to these charges are generally posted thereafter on Tuesday evenings throughout the semester (and available for viewing Wednesday morning).

Other authorized charges are posted to student e-bills daily. In addition to your monthly e-bill, your account history and new activity posted since your last e-bill (showing current balance) may be viewed through MyUNIverse (http://myuniverse.uni.edu/).

Failure to receive or read an email reminder is not an acceptable excuse for not making your payment when due. It is your responsibility to check your e-bill account at least monthly and make required payments by the Due Date.

**You must pay your account in full by the end of each semester.**

FINANCIAL AID DISBURSEMENT
All financial aid grants, scholarships, and loans will be credited to your account. If your credits exceed your charges, a refund check will be mailed to you.

REFUND CHECKS
While you are enrolled in an on-campus course, a refund check will only be written if the amount to be refunded is $50 or more. Refund checks are ordered weekly on Tuesday evenings (usually mailed by Thursday). Credit balances under $50 will be held on account to pay for additional U-Bill charges throughout the semester. Once the enrollment ends, a refund check will be written if the amount to be refunded is $10 or more. Notwithstanding, you may request a cash refund of any credit balance below the minimum in person at the Cashier’s Office.

PAYMENT INSTRUCTIONS
Payments may be made at the following locations:
- Cashier window at Union Station in Maucker Union
- Drop box at Essentials in Maucker Union
- Cashier window in Campbell Hall (enter off Campus Street)

Payments may also be mailed to Student Accounts, 256 Gilchrist, Cedar Falls, IA 50614-0008 (mail code 0008 for campus mail. Payments will be forwarded to Student Accounts during their relocation from Gilchrist). Payment is due upon billing and must be received by the Due Date to avoid Restricted Enrollment Status and the accompanying $25.00 fee. If your university account is not paid in full by the first Due Date, you will automatically be enrolled in the Deferred Payment Plan.

DEFERRED PAYMENT PLAN
The university offers a Deferred Payment Plan for tuition, room, and board charges. The Deferred Payment Plan allows you to make these payments in three installments.

The administrative fee for using this plan is $20.00 per semester (to avoid this fee you must pay the Total Due each month by the Due Date). Once assessed, the Deferred Payment Fee is non-refundable.

The amount to pay will be indicated as the Minimum Due on your e-bill. If Financial Aid is subsequently credited to your account after the E-Bill Date, you may contact the Student Accounts Office to have your Minimum Due recalculated. **Failure to make timely payments may result in revocation of the privilege to pay in installments.**

RESTRICTED ENROLLMENT (A/R HOLD)
Failure to pay at least the Minimum Due by the Due Date incurs a $25.00 non-refundable administrative fee and places you on Restricted Enrollment.

The university strictly enforces a policy of not releasing registration while delinquent on your university account. You will not be allowed to register, obtain transcripts, cash checks, or receive any additional credit or Short Term Loans until your account is brought current. Habitual or large delinquencies may result in cancellation of your registration and an order to vacate university housing.

Restricted Enrollment (A/R) holds are automatically removed when you bring your account current.

WITHDRAWING FROM SCHOOL
The information set forth below applies to students who withdraw completely from school. Dropping one or more classes does not constitute a withdrawal unless the student drops all classes for which he or she is registered. Do not attempt to withdraw your registration by filing a change of registration form. Contact the Registrar's Office. If all classes are dropped, this is a withdrawal and the information below applies.
WITHDRAWAL PROCEDURE
A student who has started attending classes who finds it necessary to withdraw from school initiates the withdrawal through the Office of the Registrar. Students living in a residence hall must cancel their housing contract through the Director of the residence hall where they live. Students with financial aid MUST contact the Office of Enrollment Services-Financial Aid (see page 14).

A student who has registered but decides not to come to the University of Northern Iowa should advise the Registrar's Office as early as possible, listing the reasons for withdrawing from the university.

WITHDRAWAL AFTER CLASSES BEGIN WILL RESULT IN A TUITION CHARGE.

If you received financial aid from the university all or part of this aid may have to be repaid.

WITHDRAWAL REFUNDS
If credit is earned during a period of enrollment there is no refund of academic fees for that period. For any one-, two-, or three-week session there is no refund. Room and board refunds are made according to the agreement set out in the "Contract for Room and Board" signed by the student at the time of enrollment.

Tuition is refundable on the basis of the percentage table given below. The effective date of the withdrawal is the date the official withdrawal form is completed in the Office of the Registrar.

Students who withdraw completely prior to the first day of instruction for a semester will not pay any tuition for that semester. If any tuition has been paid, it will be refunded in full. After university instruction begins for a semester, tuition charges or refunds will be made in accordance with the schedule set forth below. For example, if a student withdraws during the first week of classes, 10% of the total tuition will be charged; or, if the total tuition has been paid, 90% will be refunded.

Please note that the refund schedule only pertains to a withdrawal (all courses are dropped). See the “Change of Registration” section on page 7 for questions on tuition when a portion of the classes are dropped.

The above specifications are subject to the exceptions listed below. Veterans to whom an exception applies must check with the VA Clerk in the Registrar's Office prior to registration.

1. Half-semester courses are certified as such and will not count for a full-semester load.
2. The university will certify veterans for repeating courses only if a grade of "F" was previously received in the course.
3. Undergraduate students will only be certified for courses which are required for their minimum degree requirements.
4. Graduate students will be certified only for courses which apply to their specific degree program.
5. Withdrawal from a course with a "W" can result in costly repayments to the VA.

6. Any veteran reported for non-attendance in a course will be reported to the VA; training level will be adjusted in that semester to the instructor's recorded last day of attendance.

To make application for VA Educational assistance, visit the Registrar's Office, Maucker Union, or call 273-6801. The VA clerk is generally available between 10-3 Monday through Friday.

MISCELLANEOUS INFORMATION

CHANGING OF NAME
The name on the student record should be the student's complete and legal name. In evaluating and processing all name changes, the university reserves the right to require adequate and appropriate documentation as warranted.

GRADE REPORTS
Students can access grades using their student number and UNI password. To access grades via the Internet, go to the address http://my.universe.uni.edu.

Copies of grade reports are not sent to parents without the authorization of the student. Such authorization may be signed at the Registrar's Office.

GRADE POINT AVERAGE
Grades are evaluated in terms of quality points. For each hour of A earned, the student is credited with 4 grade points; for each B, C, D; F, 0. One third of a quality point is added for every hour in which a plus (+) is earned. One third of a quality point is subtracted for every hour in which a minus (-) grade is earned. Grades of A+, A-, F+, or F- are not assigned. The grade index is determined by dividing the number of grade points by the number of hours of load.

<table>
<thead>
<tr>

</tr>
</tbody>
</table>

Grade point average is 24 divided by 14 for a 1.71.

Hours of credit/no credit, withdrawal and/or incompletes are not used in determining your grade point average.

WARNING - PROBATION - SUSPENSION
An undergraduate student is placed on warning, probation, or suspension when his/her UNI and/or total cumulative grade point average is less than 2.00. The status is determined by the number of grade points deficient from the number needed to obtain a 2.00 grade point average. If the grade point deficiency warrants it, the student may be placed on academic suspension without having previously been on warning or probation status.

To determine grade point deficiency, double the total of attempted graded hours. If the actual number of grade points is less than this total, there is a grade point deficiency. In the example above the sample student had 14 hours and 24 grade points. In the example above, grade point deficiency is determined as follows: (14 x 2) - 24 = 4. In this case the student is 4 grade points deficient from obtaining a 2.00.

A grade point deficiency of 1 through 5 grade points places the student on academic warning. Academic probation and suspension status is determined as follows:

Students with 29 or fewer graded hours
- probation 6 through 13 deficiency points of obtaining a 2.00
- suspension 14 or more deficiency points of obtaining a 2.00

Students with 30-59 graded hours
- probation 6 through 11 deficiency points of obtaining a 2.00
- suspension 12 or more deficiency points of obtaining a 2.00

Students with 60 or more graded hours
- probation 6 through 9 deficiency points of obtaining a 2.00
- suspension 10 or more deficiency points of obtaining a 2.00

Academic suspension is for a minimum period of one academic year. Only the most extenuating circumstances would warrant consideration for readmission before one academic year has elapsed.
The university has very generous provisions for a student to drop courses during a semester, or to withdraw from school without serious academic penalties. However, there are times when repeated withdrawals or dropping of courses may raise questions as to the serious intent of the students, and they may be suspended.

Readmission After Suspension: A student who has been suspended may be readmitted only after applying for readmission in writing and receiving favorable action on the application from the Committee on Admission and Retention. Applications for readmission may be secured from and filed with the secretary of the Committee in the Office of the Registrar. The completed application and all supporting documents must be received in the Office of the Registrar at least SEVEN CALENDAR DAYS PRIOR TO THE BEGINNING OF THE TERM for which the student is requesting enrollment.

Upon readmission, students must earn a minimum of a 2.00 grade point average each term they are enrolled until their cumulative grade point average is 2.00 or higher. Failure to earn a 2.00 or higher grade point average in any semester following readmission will cause the student to be suspended again. Academic suspension for a second time is considered permanent. Only the most extenuating circumstances would warrant consideration for readmission a second time.

DEGREE AUDIT AND ADVISEMENT REPORT
All undergraduate students, who entered UNI spring 1982 or later will receive a degree audit and advisement report. The purpose of this report is to provide you with information on how the courses you have completed and are currently registered for apply to your degree requirements. This report is to serve as your guide for scheduling classes. Degree audits are accessible via the Web at www.uni.edu/pos/ or http://myuniiverse.uni.edu.

While we believe this report is basically self-explanatory, extensive use of abbreviations was mandated by form size. The following is an explanation of the most common abbreviations and symbols.

20061 The first four digits show the year and the fifth digit the term. The academic year begins with the summer term; therefore 20061 is summer 2006, 20062 is fall 2006 and 20063 is spring 2007.
TRN A course transferred to UNI.
WAY A course that has been waived and is no longer required.
SUB A course which is substituted by another course.
P Exempt or credit by exam.
X Passed.
(C-) The bracket indicates a grade which does not satisfy the course requirement.
% Indicates regressive or duplicate credit.
# A course which repeats another course.
= Restricted Credit

We have endeavored to show the results of any special student requests you may have had approved. These actions will most likely be shown by the WAV and SUB transactions previously listed or in special comments.

Your degree audit and advisement report is divided into sections. The titles and explanation of those sections follow.

Graduation Summary
Your advisement report begins with your graduation summary. The section tells you by categories the hours you need to complete and the hours you have earned.

University Competency Summary
The university competency summary identifies your status towards meeting these graduation requirements. If the status code is "needs", then you still need to satisfy this requirement.

Liberal Arts Core
Each category will show as being satisfied or not satisfied. Courses, hours and grades will be listed with each requirement they satisfy. Therefore the same course may appear more than once on your degree audit.

Major
Your major summary is listed next. Grades with a bracket ( ) do not satisfy the course requirement. Please pay close attention to your sub-group and elective requirements. You will find courses separated by an "and", an "or", or a semi-colon. Groups of courses will usually be preceded by a statement explaining your selection options for that group.

Minor
Next will occur your minor if you have one. The comments made above regarding your major are equally applicable with your minor.

Professional Education
If you are seeking teaching licensure the next section will be the professional education requirements.

Professional Methods
The professional methods section is a list of courses used to calculate the professional methods grade point average to determine eligibility for student teaching. These courses are already listed as required courses for the major and, therefore, do not consist of any additional graduation requirements.

University Electives
The last section of this report is the courses you have completed that are considered to be university electives. These are courses that do not meet specific categorical requirements.

We hope you will find your degree audit and advisement report to be a valuable tool for charting your progress towards your degree. If you have questions about your report please feel free to contact your academic advisor, the Office of Academic Advising or your Record Advisor in the Registrar's Office.

STUDENT RECORDS
The University of Northern Iowa adheres to the Family Educational Rights and Privacy Act of 1974 as amended. Students who have questions concerning their rights under this Act may contact the Registrar's Office for pertinent information.

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the university receives a request for access.

Students should submit to the registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The university official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the university official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student's education records that the student believes are inaccurate or misleading.

Students may ask the university to amend a record that they believe is inaccurate or misleading. They should write the university official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the university decides not to amend the record as requested by the student, the university will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

A school official includes a person serving on the Board of Regents or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities.

Upon request, the university discloses education records without consent to officials of another school, in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by University of Northern Iowa to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

The Regent Universities participate with Iowa high schools in an analysis of freshmen year performance. At the end of your freshmen year only, a report of all UNI freshmen from your former high school is sent to your high school principal. This report shows how you and your fellow high school classmates performed in comparison to the entire UNI freshmen class. To suppress release of your name on this report follow the procedure listed above.

The Regent Universities participate with the Iowa public community colleges in an analysis of transfer student performance. At the end of each term a report listing the transfer students from each Iowa public community college will be sent to the respective community colleges. STUDENT RIGHT TO KNOW ACT (Public Law 101-542)
Federal law requires all institutions of higher education to provide graduation rates to current and prospective students. Our most recent analysis shows that 65.0 percent of the students who enter the University of Northern Iowa graduate within the six-year completion period established by the law. This percentage does not include students who continued to be enrolled at UNI after six years or students who transferred to other colleges and universities. In a recent study of universities comparable to UNI, their mean graduation rate after six years was 48 percent. If you wish additional information regarding student retention and persistence to graduation at UNI you may contact the Registrar's Office.

POLICY ON MAKE-UP WORK AND MISSED CLASSES
It is the expressed focus of the University of Northern Iowa to further the educational development of each of its students. On occasion events will necessitate a student’s absence from class. In order for both faculty and students to effectively plan for these absences, the following procedures are recommended.

1. All parties involved should be made aware of scheduled absences well ahead of the date(s) of absence. In the case of extra-curricular activities, a semester-long schedule should be prepared and distributed at the beginning of the semester. In instances where semester-long schedules are not feasible, two weeks written notification shall be given for all absences. This notification shall take place even if the absence is potential rather than definite. Assuming that appropriate notification has been provided, students and faculty shall mutually agree as to how assignments, lectures, exams, etc. shall be made up. The type and extent of make-up work shall be at the discretion of the faculty member.

2. Occasionally there will occur situations where two weeks notice is impossible. On these occasions, students, faculty, and others concerned should work closely together to ascertain whether special arrangements can and/or should be made.

3. Faculty shall not penalize a student for missing a class or exam for an educationally-appropriate activity, including university sponsored or sanctioned events.

4. Where situations of irrevocable disagreement occur which are not resolved at the department level, a panel comprised of the Vice President for Academic affairs, or that officer's designee, the Department Head of the academic department involved, and a representative of the extra-curricular program (where applicable) shall meet at their earliest convenience with the faculty member and the student to mediate the matter.

UNI EQUAL OPPORTUNITY POLICY

Purpose:
To provide guidelines regarding equal opportunity at the university in compliance with applicable federal and state nondiscrimination and affirmative action laws and regulations.

Policy Statement:
The university has established its equal opportunity policy as follows:

No person shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination in employment, any educational program, or any activity of the university, on the basis of race, color, sex, age, disability, veteran status, religion, national origin, sexual orientation, or on any other basis protected by federal and/or state law.

The University of Northern Iowa seeks to prohibit discrimination and to promote affirmative action in its educational and employment policies and practices.

( Approved by the President’s Cabinet April 1, 2002)

For additional information, contact the Office of Compliance and Equity Management, 129 Gilchrist Hall* (*temporary location Library 441), UNI, (319) 273-2846, or visit www.uni.edu/equity.

UNI ANTI-DISCRIMINATION AND HARASSMENT POLICY

Purpose: To provide guidelines regarding discrimination and harassment applicable to the entire university.

Policy Statement: It is the policy of the University of Northern Iowa that there will be equal employment and educational opportunity without regard to race, color, sex, age, disability, veteran status, religion, national origin, sexual orientation, or any other basis protected by federal and/or state law. This includes the provision of a campus environment that is free from illegal discrimination and harassment. The university will not tolerate any form of illegal discrimination or harassment and will not condone any actions or words from employees or students that constitute such.

All members of the university community are accountable for compliance with this policy. The university is committed to eliminating illegal discrimination and harassment, wherever they occur in the university community, by taking corrective action as a result of violations of this policy. Violations may lead to disciplinary action up to and including separation from the university.

Sexual harassment is an important concern to the university and therefore warrants particular attention. The University of Northern Iowa considers sexual harassment to include unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

1. Submission to such conduct is made explicitly or implicitly a term or condition of an individual's employment or academic standing;
2. Submission to or rejection of such conduct by an individual is used as the basis for employment decisions or academic decisions affecting the individual; or
3. Such conduct has the purpose or effect of unreasonably interfering with an individual's work or academic performance or creating an intimidating, hostile, or offensive working, academic, or social environment.

Consensual Relationships: Consensual romantic and/or sexual relationships where a power differential exists, whether real or perceived, may constitute sexual harassment. The effect of such a relationship may render an individual's work, academic, or social environment intimidating, offensive, or hostile. Further, the individual with the power in the relationship will bear the burden of responsibility should a complaint of sexual harassment be filed. Hence, all university employees are strongly discouraged from entering into romantic and/or sexual relationships, which could lead to the creation of a hostile educational, social, and/or work environment for other members of the university community.

Confidentiality: Complaints of discrimination or harassment filed with the university will be treated with the utmost privacy possible to the extent allowed by law, while also assuring a complete investigation. University personnel involved in or responsible for any aspect of a complaint shall maintain such confidentiality throughout the processing of the complaint.

Should the complainant publicly discuss the complaint, the university shall be relieved of its confidentiality obligations related to the disclosed information under this policy.

Retaliation: The university seeks to create an environment where its students and employees are free, without fear of reprisal, to use these procedures to determine if there has been a violation of their civil rights. Any act of retaliation will result in appropriate disciplinary action. Similarly, persons who use this process to bring frivolous or otherwise bad faith allegations against an employee shall be subject to disciplinary action.

Reporting Responsibilities: All university employees in a supervisory capacity are required to report to the Office of Compliance and Equity Management any allegation of discrimination and/or harassment of which they are made aware. The confidentiality of all parties will be honored to the extent legally allowed and which provides for an appropriate investigation. Persons seeking information or guidance concerning potential discrimination or harassment allegations are advised that the university may need to take action once it is informed of an allegation whether or not the person wants to pursue a complaint.

Non-supervisory employees are strongly encouraged to report allegations of discrimination and/or harassment to any supervisor or directly to the Office of Compliance and Equity Management.

Disabilities: An employee, student, or visitor with a disability who wishes to request an accommodation must contact the Office of Disability Services. If an employee or student feels their rights under the Rehabilitation Act of 1973 and/or the Americans with Disabilities Act of 1990 have been violated, they may consult with the Office of Compliance and Equity Management and/or utilize the following procedures.
Examinees are responsible for knowing if they are eligible to earn UNI credit for a specific CLEP examination. If uncertain about their eligibility for CLEP credit, they should check with their academic advisor before taking a CLEP exam. Students also may check eligibility requirements by reading the Credit by Examination brochure (available at 007 Innovative Teaching and Technology Center) or by visiting the Examination Services Web site at www.uni.edu/academicservices/examinations.html. Examinees may not take a CLEP examination if they:

- are currently enrolled in the course equivalent or in a higher-level course.
- were previously enrolled in the course equivalent or in a higher-level course and earned credit, a grade, or a “W” for that course.
- are enrolled in or completed a course in that subject area (applicable to certain examinations)
- previously have taken that particular CLEP examination.

In addition, some college-level courses taken while in high school may disqualify students from being eligible for CLEP credit at UNI.

Many students who never “cracked a book” in high school or at community college discover that UNI coursework demands proficient reading and effective learning skills. These skills are critical when attempting to maintain scholarships or eligibility for financial aid. The University is committed to providing the opportunity for one-on-one and small-group learning for students seeking efficient and effective learning strategies.

You are invited to participate in two free, four-week, no-credit courses:
- Speed Reading
- Effective Study Strategies

Learn how to take notes, read texts, and prepare for exams.

The courses meet 3 hours a week for four weeks and are free for any UNI student. Contact Academic Services early this semester or go online at www.uni.edu/academicservices to see if there is a section that fits your schedule.

In addition, Ask-A-Tutor Service (free tutoring) is available for many Liberal Arts Core courses and some major courses. You may also consult with the Reading Coordinator, free of charge, if you have concerns about reading comprehension or a possible reading disability.

STANDARDS OF SATISFACTORY PROGRESS FOR FINANCIAL AID ELIGIBILITY

Standards of Satisfactory Progress is a two part federal regulation to ensure that students receiving aid are:
1. Making satisfactory progress toward a degree each semester and
2. Completing a degree within a specific time period regardless if financial aid was received in the past.

The aid programs that are affected are: 1) Pell Grant, 2) Perkins Loan, 3) Supplemental Educational Opportunity Grant, 4) Federal, State, and UNI Work-Study, 5) UNI Grant, 6) UNI Access Grant, 7) Iowa Grant, 8) IMAGE Grant, 9) Stafford Loan (subsidized and unsubsidized), 10) Parent Loan for Undergraduate Students, and 11) certain education bank loans.

1.) MAKING PROGRESS TOWARD A DEGREE EACH SEMESTER

*Only Fall and Spring semesters are evaluated. (Summer session is not evaluated.)

UNDERGRADUATE/GRADUATE/DOCTORATE
Students who enroll full-time (12 credit hours or more per semester) are required to complete a minimum of 9 credit hours per semester.

Students who enroll in 6-11 credit hours per semester are required to complete a minimum of 6 credit hours per semester.

Students who enroll 1-5 credit hours per semester are required to complete ALL the hours enrolled that semester.

2.) COMPLETING A DEGREE WITHIN A SPECIFIC TIME FRAME FOR FINANCIAL AID ELIGIBILITY

*Total academic record (Summer included) is reviewed regardless if aid was received or credit was earned at UNI

First BA students are required to complete a degree within 12 full-time semesters, 18 three-quarter time semesters, or 24 half-time semesters or upon completing 160 credit hours.

Second BA/Teaching Certification/1st MA/1st Doctorate students are required to complete a degree within 6 full-time equivalent semesters, 9 three-quarter time semesters, or 12 half-time semesters or upon completion of 60 credit hours. Allowances are made for degrees requiring more than 60 credit hours.

Other degrees, such as 2nd BA, 2nd MA, 2nd Doctorate after beginning a 1st MA, must be funded by the student without financial aid. (Exceptions may be allowed through the Appeal Process as indicated below.)

3.) OTHER GUIDELINES

GRADES

Grades of A, B, C, D, X, Cr, or P are counted as meeting the required hours.

Failed classes, audited classes, incomplete grades, and withdrawn courses are not counted toward completed hours for Satisfactory Progress.

FINANCIAL AID ACADEMIC PROGRESS WARNING

The first semester in which a student does not complete Satisfactory Academic Progress the student will receive a warning notification but will continue to be eligible for financial aid. Also, a student who is nearing the allotted time frame to complete a degree will also lose financial aid eligibility. Please contact the Office of Enrollment Services-Financial Aid if the graduate program requires more than 60 credit hours.

APPEAL PROCESS AND DEADLINE

An appeal process is in place for those experiencing extenuating circumstances that affected their ability to make satisfactory academic progress. Appeal forms may be obtained from the Office of Enrollment Services-Financial Aid. Appeals must be submitted no later than the end of the first week of classes following the suspended semester or within 15 calendar days of the date on the academic progress letter, whichever is later. (If suspension occurs at the end of the spring semester, students are encouraged to appeal during the summer period.) A written outline of required course work per semester until graduation signed and dated by the student and the advisor is required with the appeal.

REINSTATEMENT OF FINANCIAL AID

Students approved to receive aid again will be expected to adhere to the Satisfactory Progress Policy outlined above and any conditions listed on the Appeal Approval Contract.

FINANCIAL AID ADJUSTMENT

If financial aid has already been awarded and an appeal is not completed or approved, the financial aid funds will be canceled 30 days after the start of the suspended semester. Reinstatement of the financial aid is contingent upon the availability of the funds at the time the appeal is approved.

GRANT ADJUSTMENT

Grants are need-based aid. The Pell Grant Program is for students working on their first B.A. degree. Due to federal regulation and university policy, the actual amount of Grant that you receive is based on the number of credit/hours for which you are enrolled.

This means that if a Grant has already been disbursed to you and you add or drop classes during the first 2 weeks of the semester, your Grant will be adjusted. After the second week of classes Grants do NOT adjust. If you have any questions about how your Grant may be affected by adding or dropping a class, please contact the Office of Enrollment Services-Financial Aid, 319-273-2700.

GUIDED INDEPENDENT STUDY, CAMP ADVENTURE, AUDITED COURSES

Financial aid is not available for Guided Independent Study, Camp Adventure, or audited courses. If you have any questions regarding this policy, please contact the Office of Enrollment Services-Financial Aid at 319-273-2700.

STUDENT LOANS

Students must complete a Free Application for Federal Student Aid (FAFSA), and return the Master Promissory Note (MPN) to the Office of Enrollment Services-Financial Aid to accept their Direct Loan. A student who borrows under the Direct Loan Program at UNI will be able to borrow under this one MPN up to ten years. By using the MPN, you may not need to sign and submit a separate promissory note for each new loan. Students must be degree-seeking and enrolled at least half-time (6 hours for undergraduate, 5 hours for graduate) before loan funds can be released.

All Direct Loans (subsidized, unsubsidized, and PLUS) are credited directly to your university bill.

HOW DROPPING CREDIT HOURS OR WITHDRAWING FROM UNI AFFECTS FINANCIAL AID

If you drop credit hours or withdraw from UNI, your cost of attendance and financial aid may be revised. You may have to repay a portion or all of your financial aid as required by law or by applicable fund donor. The exact amount of repayment will vary depending on when the credits are dropped or when the withdrawal occurs. In addition, you may become ineligible for future financial aid due to failure to meet the Financial Aid Academic
Progress Requirements.

Federal regulations require students who withdraw before over 60% of the semester has passed to return unearned federal aid in a proportion equal to the time not in attendance. For example, if a student completes 30% of the semester, then 30% of the federal aid received may be retained and the other 70% of the federal aid received must be returned. If a student withdraws after the 60% point in time of the semester, then all aid received may be retained. Loans must be paid back according to the loan agreement. Institutional and state aid are returned in percentages equal to the institutions tuition and fees refund policy (see “Withdrawal Refunds”, page 9). For example, if a student receives 25% tuition refund, then an equal percentage of 25% will be returned to all state and institutional aid programs. Contact the Office of Enrollment Services-Financial Aid for more information.

Funds will be returned to the financial aid programs in the following order: federal loan programs, federal grant programs, state programs, UNI programs, outside agencies, student. You will be notified of adjustments to your financial aid award via your university bill.

THE MAKING UP OF INCOMPLETE WORK
To receive credit for course work a student is required to be in attendance for the full semester. Exceptions to this rule are rarely made.

Work lost because of absence due to illness, or other extenuating circumstances, may be made up, but arrangements for making up work missed are made between the student and the instructor.

Work left incomplete at the end of a semester or summer session will be reported as a Failure unless a report of Incomplete (I) has been authorized by the instructor. The I is restricted to students doing satisfactory work in the class who, because of extenuating circumstances, are unable to complete the work of the course. The I is limited to assigned work during the final sixth of the term. If a course is reported as Incomplete, a student is not prevented from registering for another course for which the incomplete course is a prerequisite. Work reported as Incomplete for undergraduate students must be completed within six months from the time at which the report was made. If the work reported as Incomplete is not made up within six months, it is automatically entered as a Failure on the student's record. The extension, if approved, is for a period of up to another six months as designated by the instructor.

Work reported as Incomplete for a fall semester for graduate students must be completed by June 1. Work reported Incomplete for graduate students in the spring semester or in the summer session must be completed by January 1. The exact length of time to remove the incomplete within the above guidelines, is set by agreement between the instructor and the student. If the work reported as incomplete is not made up by the deadline, it is automatically entered as a Failure on the student's record.

Any requests for an exception to the above guidelines for graduate students must be submitted in writing to the Graduate College. Only under the most unusual circumstances would requests for additional time be approved.

Some courses continue beyond the normal ending date of the semester or session. In such cases the initial grade reported will be an RC which means Research or Course Continued. Once the extended instructional period is finished the RC grade will be replaced with the A-F grade assigned by the instructor.

* All classes that have a meeting during any portion of this hour on Mondays.
** All classes that meet on Tuesday and Thursday and begin on or during this hour.
*** All classes that meet or start during any portion of this hour

Classes having sections numbered in the 90's will have their examinations in accordance with the regular examination schedule above. For those classes not provided for in the examination schedule, the examinations will be given on Friday, May 4, 2007 or during the last meeting of the class.

**OTHER EXAMINATION INFORMATION**

The examination schedule applies both to faculty and students. Unless previous arrangements have been made, it is expected that the official Schedule will be followed.

A comprehensive final examination, if required, must be administered at the time indicated on the final schedule. No final comprehensive examination shall be administered to a class within the last two weeks prior to the officially scheduled final examination period (excluding summer sessions or half-semester courses). In the week prior to the beginning of the final examination period, unit tests, papers, projects, and other assignments are permissible if announced in the course outline/assignment sheet/syllabus or prior to midterm.

For those classes which do not, in the instructor's judgement, require a final comprehensive examination, the time of the officially-scheduled final examination will be used for other appropriate class activities, such as evaluation, reports, performance, or regular class work. Therefore, it is expected that the class will meet at the time of the officially-scheduled final examination, whether or not a final examination is administered.

The department heads shall have the responsibility for seeing that the final examination schedule and the relevant policies are followed. Students may report policy violations to the appropriate department head, in accordance with the university academic grievance procedures.

Student requests to take final examinations at times other than as scheduled will be granted for only the most urgent reasons. Excessive examination load, three on one day, is a justifiable reason for a change.

To request a change in the examination schedule, a student must:
1. Prepare a "Student Request" form (available from your advisor or department head) for each request. State the request and the reason for it.
2. A change in the examination time of an individual course must be approved by the instructor and the department head.
3. A request to change all exams must be approved by the Assistant Vice-President for Academic Affairs.

48 _COMMUNICATION STUDIES

48C: Communications

The Department of Communication Studies enforces priority registration for several courses during the advanced registration period. Only those students with FULLY DECLARED MAJORS AND/OR DECLARED MINORS will be permitted to register for those classes indicated by a “priority” description. Pre-majors and others should sign up on waiting lists. Some classes are reserved for declared majors/minors only. Only those students fully admitted will be allowed to register for these courses.

Students must follow the policies and procedures published in the CS Guide to Registration. The CS Guide to Registration is available on the web page (http://www.uni.edu/comstudy/). Or in LNG 326. This guide explains priorities for registration and dates for waiting lists.

All students taking courses from the Department of Communication Studies must attend the first two classes or the first night class or they MAY BE DROPPED FROM THE COURSE. Students must verify their enrollment with the Registrar’s Office (Club 91 - Maucker Union) if they have missed a class.
