Dear Panther Family,

The purpose of higher education is to positively impact society through the lives of our alumni, students, faculty, and staff.

UNI makes a positive difference in the world by providing a high quality learning environment that empowers our students to discover where they belong. We also fulfill our purpose by advancing knowledge, promoting creativity, and solving problems in partnership with the people, schools, communities, and industries we serve. Commencement offers an opportunity to pause and celebrate the accomplishments of our students and the important work we do to prepare graduates for lives of purpose through their careers and in their homes and communities.

To the graduates of the Class of 2019—Congratulations! You make us all Panther Proud. We hope you stay engaged with your Alma Mater. To the faculty and staff who prepared our graduates for success throughout their lives, thank you for your dedication to helping our students meet their educational, professional, and personal life goals.

Panther Proud!

University Honors Program
Graduates wearing gold University Honors medallions are recipients of designations from the University Honors Program. The designation of University Honors with Distinction indicates the completion of at least thirty credit hours of honors-level coursework throughout a student's undergraduate study. The designation of University Honors indicates the completion of at least eighteen credit hours of honors-level coursework. Both designations require the completion of an undergraduate honors thesis. Students earning honors designations are noted throughout the commencement program along with their thesis titles.

Graduation with Honors
Three levels of honors are awarded to students on graduation from a bachelor's degree curriculum. To receive an honor rating, the student must earn not less than 55 semester hours of credit at this university.

The names of the students receiving honors are identified in the commencement program and on their academic transcript.

Summa Cum Laude
Students whose cumulative UNI grade point average places them in the top 3% of those students graduating from their academic major college/division will be awarded Summa Cum Laude. Recipients of this honor will wear a bronze medallion.

Magna Cum Laude
Students whose cumulative UNI grade point average places them in the top 4% through top 8% of those students graduating from their academic major college/division will be awarded Magna Cum Laude. Recipients of this honor will wear a purple cord.

Cum Laude
Students whose cumulative UNI grade point average places them in the top 9% through top 15% of those students graduating from their academic major college/division will be awarded Cum Laude. Recipients of this honor will wear a gold cord.

Legacy Graduates
The University of Northern Iowa has a long and proud tradition of multi-generational family graduates. The Legacy designation (◊) in the commencement program signifies that a parent and/or grandparent is also a UNI graduate. Legacy information included in this program was submitted by the graduate.

Military Science
The following graduates have earned a commission as a Second Lieutenant in the United States Army.

Jack D. Rollison

Lux Service Award

The University of Northern Iowa Lux Service Award is presented by the Office of the Dean of Students annually to undergraduate students who best represent the ideal of service to the university community.

The honor is conferred in the spirit of keeping the light of service to others burning bright at UNI. The name of the award, Lux, is from the university's official seal that features a burning lamp of knowledge and the Latin word for light.

Congratulations to the 2019 Lux Service Award Recipients:

Clare Flattery is a senior communication major with a minor in marketing. As a transfer student, she wanted to make the best of her experience at UNI and became involved in a number of organizations, including Cat Crew, Student Admissions Ambassador, Connecting Alumni to Students, UNI Dance Marathon, UNI Theatre, UNI Colleges Against Cancer, Transfer Advocacy and Involvement Group, and Live Purple Give Gold. She has encouraged countless first-year and transfer students to find their place at UNI. “It’s about showing hard work outside of meeting, the little things one does every day in an organization builds on the foundation of their leadership skills.”

Dominique Jefferson is a senior marketing major with an economics minor. He quickly got involved on campus by joining UNI’s Black Student Union, Maucker Union Advisory Board and American Marketing Association. When the opportunity arose to be a founding member of an organization on campus, he saw through the hours of commitment to bring the first National Pan-Hellenic Council (NPHC) chapter to UNI. When one of life’s biggest challenges was put in front of him, he could have given up on his education, but strong will, determination and perseverance pushed him through. After taking some time away from UNI, he returned wanting to keep Omega Psi Phi Fraternity, Inc. at UNI thriving as he worked diligently to cross a new line of chapter members.

Yakira Sanders is a senior majoring in social work. She has been involved in several organizations during her time on campus and has held various leadership positions and executive roles through Dancer Hall Senate, Black Student Union, Ethnic Student Promoters, Peer Multicultural Mentoring Program and Jump Start Pathfinder. She led collaborations between the Department of Residence and Student Success and Retention to create the first Jump Start Living Learning Community, a community that will create a network of support for minoritized students.

The Academic Procession

The procession begins with the entrance of the candidates for degrees. Led by faculty marshals, the candidates for the degree of Bachelor of Arts, both the Teaching Program and the Liberal Arts Program, Bachelor of Fine Arts, Bachelor of Liberal Studies, Bachelor of Music and Bachelor of Science enter in groups, representing each of the undergraduate colleges. They are followed by the candidates for the highest degrees.

Students wearing a bronze medallion are those graduating summa cum laude (with highest honors), which represent the top three percent of each college by grade point average; or those graduating students receiving a Purple and Old Gold Award, given to those students who have excelled in scholarship or who have shown conspicuous achievement in particular areas.

The procession continues with representatives of the faculty.

The President's Party forms the final section of the academic procession. Headed by the commencement marshal, it includes the president; members of the Board of Regents, State of Iowa; administrative officers; the academic deans; and honored guests.

The individuals leading the procession of the graduates, the faculty and the president's party carry a mace which is a symbol of office. Those individuals are the student body president, the chair of the faculty and the university commencement marshal. Over long tradition, a mace is a symbol of authority and official celebration. The university mace is the largest of the three maces and it embodies the history and dignity of the entire university. The president wears a jeweled "Chain of Office" symbolizing the wearer is the leader of the institution. The silver chain includes links with the names of previous presidents of the institution, as well as previous names of the university.

The academic costumes worn trace their origin to the Middle Ages when long-sleeved hooded gowns were necessary for warmth in the unheated stone colleges. Over the centuries, much diversity occurred, and to bring some order, in the United States in 1894 an intercollegiate system of academic costume was agreed on, now adhered to by American institutions. According to this code, both the styling and colors of the regalia have significance.

The design of the gown indicates the degree. The bachelor's is a simple gown with a full sleeve. The master's gown is much like it except for the long sleeve which hangs loose. The doctoral gown is fuller and more elaborate. It has velvet edging and three velvet stripes on the full sleeve. The color of this velvet may be black or in the color appropriate to the degree.

Hoods, which are worn over the gowns, are similar for all degrees, although differing slightly in length. The candidates for the bachelor's degrees usually do not wear the hood. The hood has a velvet edging which indicates the area of the degree, and the inside or lining of the hood is satin in the colors of the college or university granting the degree.

A partial list of the degree colors to be found on the edge of the hood or the trimming on the doctoral gown is as follows:

- Apricot - Nursing
- Drab - Business
- Orange - Engineering
- Blue, dark - Philosophy
- Green - Medicine
- Pink - Music
- Blue, light - Education
- Green Sage - Physical Education
- Purple - Law
- Brown - Fine Arts
- Lemon - Library Science
- Scarlet - Theology
- Citron - Social Science
- Maize - Agriculture
- White - Arts and Letters
- Copper - Economics
- Maroon - Family
- Yellow Golden - Science and Consumer Sciences
