PRE-REGISTRATION PROCEDURES

NEW STUDENTS

New students, both graduate and undergraduate, cannot register for classes until all requirements for admission to the university are met.

After admission requirements are met, new graduate students will register in accordance with the procedures set out below for former students.

After admission requirements are met, new undergraduate students will receive their registration materials in connection with the orientation program provided for such students. Further instructions for completing registration will be given during the orientation program.

FORMER AND CURRENTLY-ENROLLED STUDENTS

Students enrolled for the Spring 2018 semester who plan to graduate in Spring 2018 and intend to continue as graduate students for Fall 2018 must file an application for graduate study. Graduate admission information and the application for admission are available on at www.grad.uni.edu/admission.

Former students who are not enrolled for the Spring 2018 semester must file a notice of intent to register with the Office of the Registrar two weeks prior to registration for Fall 2018. Failure to file this notice of intent to register will delay the registration process.

ADVISOR APPROVAL

To enhance understanding of degree requirements and planning for progress toward degree, students identified in the groups below are assigned an advising hold. REGISTERING FOR CLASSES

SELF REGISTRATION PROCESS
Students are encouraged to self-register online from a convenient location. Please see the Office of the Registrar for additional registration assistance (www.uni.edu/registrar).

During advanced registration, scheduling assistance will be available in the Office of the Registrar 8:00 a.m. - 5:00 p.m. Monday through Friday. Students registering from locations other than the Office of the Registrar can access the system from 7:30 a.m. - 11:00 p.m. Monday through Friday. On weekends during advanced registration, the system will be available 2:00 a.m. Saturday through 6:30 a.m. Monday.

Students can register from ITS computer labs around campus.

Students who desire to register from off-campus may do so via MyUNIverse at www.uni.edu/registrar/registration or http://MyUNIverse.uni.edu. Students with questions on registering from off-campus should contact the ITS Consulting Center at (319) 273-5555.

If you are accessing MyUNIverse for the first time, your initial passphrase is panthersxxxmmdd (xxx is the last three (3) digits of your University ID#, mmm is the first three letters of your birth month, and dd is the 2 digit number of your birth day). Example: panthers456nov23 (all lower case). Your new passphrase must be at least 15 characters long. See the passphrase requirements on the MyUNIverse login screen for a complete listing of requirements. Keep your passphrase in a secure place. It is required for future access to the system.

Prior to Registration:
1. Students should access their registration information. This is available at http://MyUNIverse.uni.edu via the Student Center tab.
   A. Note the registration date and time. Registration can occur on or after the date and time listed.
   B. Note the registration holds section. These must be cleared prior to registration, or the computer will prohibit you from registering.
   C. Note the student eligibility section for majors, minors, GPA, projected classification, and teacher education status. Use this section to assist in determining course eligibility.
2. If any desired courses require an approval, please contact the appropriate offices. Approvals will be granted electronically or in writing. Students given written approval must add the course at the Office of the Registrar. Verbal approvals will not be acceptable.
3. If any desired courses list prerequisites, please verify that the prerequisites have been met.

Students can drop and add classes at any time after their initial registration. This can be done at either location.

EXPLANATION OF COURSE NUMBERS
The University of Northern Iowa is using a new course numbering system. Resources to support the transition from the old to the new course numbering system can be found at http://www.uni.edu/catalog/.

Information regarding the course numbering system prior to Fall 2011 and the system effective Fall 2011 may be found at: http://catalog.uni.edu/coursenumberexplanation

SECTION NUMBERS DESIGNATING HALF SEMESTER COURSES
Sections numbered in the “80s” (or “8” and a letter) meet the first-half of a semester. Sections numbered in the “90s” (or “9” and a letter) meet the second-half of a semester.

ENROLLMENT REQUIREMENTS/PREREQUISITES
Enrollment requirements and prerequisites indicate conditions that must be satisfied before enrolling for the course. The university reserves the right to remove students from courses for which prerequisites have not been met.

STUDENT LOAD
Undergraduates with over a total 2.00 GPA have a maximum load of 18 hours. Undergraduates with under a total 2.00 GPA have a maximum load of 14 hours. All graduate students have a maximum load of 15 hours.

Students who wish to register for a load in excess of their appropriate limit must do the following prior to your initial registration.

Requests for Exceptions (Undergraduate and Graduate)
If you wish to register for a load in excess of your appropriate limit you must do the following prior to your initial registration.

1. Undergraduate students must complete a Student Request Form and approval must be obtained in the Office of the Registrar.

2. Graduate students must complete a Student Request Form electronically through MyUNIverse stating those reasons for requesting additional hours and including your UNI cumulative GPA. Students must also state the subject area, course number, and section number for the requested overload course(s). This request will be routed electronically for approvals.

CHANGE OF REGISTRATION
Students may enroll in a course anytime up to and including one week after the beginning of University instruction. This week shall be defined as seven instructional class days. Beyond that period, but not to exceed two calendar weeks beyond the beginning of University instruction, enrollment will be subject to departmental approval.

Friday, August 31, 2018, is the last day to drop a full-semester course without a “W”. Dropping a course without a “W” removes the course from your academic record and is subject to a tuition refund if the drop results in less than fulltime (12 hours undergraduate, 9 hours graduate). Full-semester courses dropped after August 31, 2018, through October 26, 2018, are dropped with a “W” (withdraw) and are not subject to any type of tuition refund. Please note this methodology only pertains to a portion of the courses being dropped. When all of the courses are dropped for a semester (total withdraw), the amount of tuition refund is based upon the withdraw date - see Withdrawal Refund section.

Students desiring to make changes from off-campus may do so through the first seven (7) days.

The change of registration is not effective until the form is filed in the Office of the Registrar, and the date filed in the Office of the Registrar is the effective date of the change.

CLOSED CLASSES
Written permission to enroll in a class, which is closed, must be secured from the head of the department in which the course is offered. In some instances, the department head may request the student to obtain the instructor's signature to see whether there is room in the class. If this is the case, the student must seek final approval from the department head.

LATE REGISTRATION
A $100.00 fee will be assessed to those registering in the third week (class days 11 and on).

EXTENSION OF CREDIT/EDUCATIONAL LOAN

Registration for classes creates a legally binding financial obligation to pay tuition and fees per official university policy, as summarized in this publication.

You are expected to have made the necessary financial arrangements prior to enrolling for classes. Any financial assistance from the university should be arranged prior to the start of classes through the Office of Financial Aid and Scholarships. You are responsible for making all payments due while a Financial Aid application is in process.

Your registration for classes constitutes your understanding and acceptance of this responsibility. The university considers this extension of credit to be an “educational loan” under Federal and State laws. This credit is automatically extended to all students.

Every student must read and acknowledge the University Billing Terms and Conditions. These terms and conditions outline the billing process and procedures. Students will view this on MyUNIverse via the Student Center tab. The terms and conditions can also be referred to on the Office of Business Operations website www.uni.edu/obo/student_accounts.

UNIVERSITY BILL (U-Bill)

All tuition, mandatory fees, lab fees, contracted room and meal plan expenses, and other university related charges are electronically billed directly to the student by the Office of Business Operations, Student Accounts. Charges are billed one semester at a time. New charges and/or adjustments are billed monthly throughout the semester.

An electronic University bill (U-Bill) is generated on the 1st of every month and due on the 20th. (If the due date falls on a weekend, the due date is the first business day following). An email notification is sent to each student’s official UNI email address when the bill is available. Paper bills are NOT sent. Students can view their bill, pay their bill, or enroll in a payment plan online at www.uni.edu via MyUNIverse on the Student Center tab. Students can allow access to their U-Bill by creating a username and password for parents or other third parties. Go to MyUNIverse –My Page tab-Third Party Accounts to grant access.

Failure to receive or read an email reminder is not an acceptable reason for not making a payment when due. It is the responsibility of the student to check their U-Bill account at least monthly and make required payment by the Due Date.

A sample bill with instructions of how to read it can be viewed at www.uni.edu/obo/student_accounts.

Students must pay their account in full by the end of each semester to avoid registration delays and to receive transcripts or diplomas.

U-Bill payments can be made by cash, check, or online by e-check. UNI DOES NOT accept credit or debit cards as a form of payment for U-Bill charges. Payments must be received BY THE DUE DATE to avoid a late fee up to 1% and other restrictions. Payments can be made using the following options:

*Online via E-check at MyUNIverse-Student Center tab
*Cashier’s Window at 103 Gilchrist Hall (8 am - 5 pm M-F, summer hours 7:30 am-4:30 pm)
*Drop-box located outside of the East Entrance of Gilchrist Hall
*Mailing Address:
University of Northern Iowa
Attn: Student Accounts

(please include the student number in the memo section of the check.)

DEFERRED PAYMENT PLAN

The University offers a UNI Self-Service Payment Plan option for tuition, mandatory fees, and contracted room and meal plan charges. This plan allows students to make payments in installments each semester.

The UNI Self-Service plan allows students to enroll in a 5 month payment plan. All enrolled students are eligible to participate but the student MUST ENROLL prior to the first billing due date. To enroll, students must log in to MyUNIverse, Student Center tab to complete the online payment plan agreement. A $20 deferred billing fee, per semester, will be assessed to the student’s first bill after enrolling in a plan.

REFUNDS

When payments and/or financial aid credits are greater than the total charges, the result is a refund. Refunds are deposited electronically into the student’s checking or savings account via direct deposit. Students must enroll at www.uni.edu via MyUNIverse-Students Center. It is the responsibility of the student to ensure the accuracy of their bank routing and account numbers to avoid delays in receiving their funds. Once enrolled, students will receive an automatic email notification each time that a refund has been sent to their bank account. Students are encouraged to verify receipt of funds with their bank prior to conducting any transactions.

Refunds will be issued if the amount is $1 or greater. Credit balances below $1 will be held on account to pay additional u-bill charges throughout the semester.

The University will initiate direct deposit refunds daily beginning the first week prior to classes starting through the second week of classes to accommodate increased financial aid disbursements. Beginning the 3rd week of each semester, direct deposits will be initiated on Monday, Wednesday and Friday each week. If a student has not set up direct deposit, a paper refund will be issued.

Paper refunds are printed weekly on Friday and held for pick up at the Cashier’s window in Gilchrist 103 the following Monday. Students must provide valid identification when picking up their check. Checks not picked up within 14 days will be mailed to the student’s permanent address. As a result, the receipt of funds will be significantly delayed compared to direct deposit.

Parents can also have the Parent Plus Loan deposited directly to their bank by completing the Parent Plus Loan Direct Deposit Authorization form which can be found
FINANCIAL AID ELIBILITY

STANDARDS OF SATISFACTORY ACADEMIC PROGRESS

The University of Northern Iowa has established requirements of Financial Aid Satisfactory Academic Progress (SAP) that all students must meet in order to be eligible for financial aid. The financial aid programs affected include, but are not limited to, all federal, state, and institutional aid including private education loans.

Financial Aid Satisfactory Academic Progress Requirements and Review Process

Financial Aid Satisfactory Academic Progress is evaluated yearly at the end of each spring semester for the previous Summer, Fall, and Spring semesters. To maintain eligibility for financial aid, students must meet the following three criteria:

1) Minimum GPA: Undergraduate and 2nd BA students must maintain a minimum 2.0 cumulative GPA. Graduate students must maintain a minimum 3.0 cumulative GPA.

2) Pace of Progression: Students must complete 67% of all coursework attempted at UNI. Attempted hours are based on enrollment at the end of the first two weeks of class during a semester. Only grades of A, B, C, D, X, Cr, or P are counted as meeting the required hours. Failed classes, withdrawn classes, and incomplete grades do not count as completed credit hours and will negatively affect the SAP calculation.

Example: A student has attempted 114 credits at UNI. Out of the 114 credits attempted, he has successfully completed a total of 87 credits (76% of the coursework attempted), thus meeting this standard of academic progress.

3) Maximum Time to Complete a Degree: Students who have completed all course and hour requirements to earn a degree will no longer qualify for financial aid. Students completing a double major or minor in conjunction with their first degree will no longer qualify for financial aid once the requirements for the initial degree are met.

Undergraduate students are also required to complete a degree within 12 full-time equivalent semesters (18 three-quarter time semesters or 24 half-time semesters). Second BA and graduate students are required to complete a degree within 6 full-time equivalent semesters (9 three-quarter time semesters or 12 half-time semesters). Transfer credits are counted toward the maximum timeframe to complete the degree. Students cannot receive financial aid for more than one degree at a time.

NOTE: The credit hours from a repeated course are counted as attempted hours every time the course is repeated. Once the course is passed, then the credit hours are counted as both attempted and completed credit hours.

Financial Aid Suspension Status

Financial Aid Satisfactory Academic Progress is reviewed on an annual basis following the conclusion of the Spring semester. Students must meet all three academic requirements (see above) at the time of review or they will be placed on Financial Aid Suspension. Students placed on Financial Aid Suspension MUST appeal to have their aid reinstated for upcoming semesters at UNI. Students who have successfully appealed will be placed on Financial Aid Probation or Financial Aid Academic Plan status, allowing them to receive aid based on conditions set forth by the Office of Financial Aid and Scholarships.

Financial Aid Probation Status

Financial Aid Probation is available for a maximum of one semester for students who have successfully appealed to have their aid reinstated. Students on Financial Aid Probation must continue to adhere to the Financial Aid Satisfactory Academic Progress Policy outlined above and any other conditions listed on the Appeal Approval Contract. Students on Financial Aid Probation status are reviewed at the end of each semester. Students not making progress toward the terms of their appeal contract will have their aid suspended and must appeal before a committee to have their aid reinstated.

Financial Aid Academic Plan

If it is not possible for the student with an approved appeal to achieve minimum Financial Aid Satisfactory Academic Progress standards within one semester, the student will be maintained on an Academic Plan. While on Financial Aid Academic Plan, students must meet all Financial Aid Academic Progress standards each semester. The conditions for the approved appeal will continue each term until the student meets the minimum standard(s) or fails to meet the conditions of the approved appeal. If the student fails to meet the appeal conditions, the student’s account will revert to Suspension Status indicating that the student is ineligible for aid.

Reinstatement of Financial Aid

Students placed on Financial Aid Academic Progress Suspension have the opportunity to appeal and/or have their previous grades reviewed by the Office of Financial Aid and Scholarships. Students have the following options for reinstatement:

1) Meet all Financial Aid Satisfactory Academic Progress requirements.
   - Undergraduate students must improve their cumulative GPA to the 2.0 minimum with graduate students meeting the 3.0 cumulative GPA minimum requirement, and
   - By meeting the 67% course completion standard.

2) Initiate the financial aid appeal process. Financial Aid appeals must demonstrate extenuating circumstances that impeded the students’ ability to make progress academically. All appeals must be accompanied by third party documentation of the circumstances encountered as well as an academic plan of study (signed by an academic advisor or a record analyst in the Registrar’s Office). Examples of extenuating circumstances include but are not limited to:
   - Personal or Family Emergency
   - Serious Medical Issues
   - Psychological Illness

3) Review of grade changes to previously deficient course grades. Students experiencing grade changes that may reinstate their eligibility should contact the Office of Financial Aid and Scholarships to have their academic progress reviewed. The successful reinstatement of financial aid is not reflective of decisions regarding Registrar academic suspensions. Students on academic suspension should visit with the Registrar’s Office regarding reinstatement to UNI.

Financial Aid Appeal Process and Deadlines

An appeal process is in place for those experiencing extenuating circumstances that affected their ability to meet the Financial Aid Satisfactory Academic Progress standards. Appeal forms may be obtained from the Office of Financial Aid and Scholarships or online at www.uni.edu/finaid/academic-progress. Appeals must be submitted no later than the end of the second week of classes following the suspended semester or within 14 calendar days of the date on the academic progress letter. It is recommended that students submit their appeals as soon as possible to avoid processing delays.

All appeals must be accompanied by third party documentation of the circumstances encountered, a description of how circumstances have changed to allow for future academic success, as well as an academic plan of study (signed by an academic advisor or a record analyst in the Registrar’s Office) demonstrating that the student can successfully meet Financial Aid Academic Progress policy within a reasonable amount of time, thereby allowing them to matriculate toward their degree within the
timeframe set forth within the above policy. Reinstatement of the financial aid is contingent upon the availability of the funds at the time the appeal is approved. Approved appeals require a signed contract to be returned to the Office of Financial Aid and Scholarships.

Denied Financial Aid Appeals
Students denied financial aid eligibility may continue attending UNI by funding their own education. If students meet all of the progress standards in the future, they must contact the Office of Financial Aid and Scholarships to request a review of their financial aid status.

REPEATING COURSEWORK AND FINANCIAL AID IMPLICATIONS
Federal regulation limits the number of times a student may repeat a course and receive financial aid for that course.

- A student may receive aid when repeating a course that was previously failed regardless of the number of times the course was attempted and failed.
- A student may receive aid to repeat a previously passed course only one additional time.
- This policy applies whether or not the student received aid for earlier enrollments in the course.

GRANT ADJUSTMENT
Grants are need-based aid. The dollar amount of grants on your award is based on full-time enrollment, 12 hours per semester for undergraduates and 9 hours per semester for graduates. The actual amount of your grant(s) will be pro-rated if you are registered less than full-time. Due to the availability of federal, state and institutional funds, some types of aid are not awarded in conjunction with each other.

The Office of Financial Aid and Scholarships monitors semester hours of enrollment for students who are receiving financial aid. Students who drop courses during the first two weeks of classes (but are still enrolled) will have their grants reduced accordingly. Students who drop courses after the first two weeks of the semester (but are still enrolled) will not have their financial aid adjusted, however they would be subject to the Financial Aid Satisfactory Academic Progress policy.

If you have any questions regarding grants including how they may be affected by adding or dropping a class, please contact the Office of Financial Aid and Scholarships, 319-273-2700.

STUDENT LOAN OVERVIEW
Direct Loans are low-interest loans for eligible undergraduate and graduate students to help cover the cost of higher education. These federal loans are borrowed directly from the U.S. Department of Education at participating schools. These loans do not require a credit check. A small origination fee is withheld from the loan when it is disbursed to you. You do not have to make payments on Direct Stafford Loans while you are enrolled at least half-time (deferment). You also have a six month grace period after you graduate or drop below half-time enrollment before you begin repayment.

There are two types of Federal Stafford Loans: subsidized and unsubsidized.

1. Direct Subsidized Loans provide fixed low interest rates and are available to undergraduate students who demonstrate financial need based on the results of the Free Application for Federal Student Aid (FAFSA). You are not charged interest on these loans while you are in school at least half-time and during grace periods and deferment periods. Graduate students are not eligible for Direct Subsidized Loans.

2. Direct Unsubsidized Loans provide fixed low interest rates and are available to students regardless of financial need (although the FAFSA still must be filed). Interest accrues on an unsubsidized loan from the time it is first disbursed to you. You can pay the interest while you are in school or allow it to accrue and be capitalized (added to the principal of the loan) upon repayment.

A new borrower on or after July 1, 2013 must complete their degree within 150% of the published length of the borrower’s program to remain eligible for the interest subsidy benefits on all Direct Subsidized Loans. If a degree is not completed within the 150% timeframe, the borrower will lose all subsidy benefits and future eligibility for Direct Subsidized Loans.

ACCEPTING LOANS
All loans must be accepted, reduced, or declined on the student’s online Award Notification, found within the Student Center on MyUNIverse.

First time borrowers must complete a Direct Loan Master Promissory Note (MPN) and Direct Loan Entrance Counseling online at www.studentloans.gov (using their FSA ID) before they are eligible to receive their loan proceeds.

The MPN covers both the Direct Subsidized loan and the Direct Unsubsidized loan. The MPN does not show a specific loan amount because it also serves as the promissory note for future Direct Loans (valid for up to 10 years). The amount of subsidized and unsubsidized loans a student is eligible to receive is included on the Award Notification. By completing the MPN, students are agreeing to repay to the U.S. Department of Education all loans made to them under the terms of the MPN. Direct Loan funds cannot be disbursed until the MPN is submitted and approved by the Department of Education. Processing of the loan(s) usually takes one week if the MPN is completed electronically, and up to three weeks if a paper MPN is completed.

GUIDED INDEPENDENT STUDY, CAMP ADVENTURE, AUDITED COURSES
Financial aid is not available for Guided Independent Study, Camp Adventure, or audited courses. If you have questions regarding this policy, please contact the Office of Financial Aid and Scholarships at 319-273-2700.

POLICY ON MAKE-UP WORK AND MISSED CLASSES (3.06)

Purpose:
It is the expressed focus of the University of Northern Iowa to further the educational development of each of its students. On occasion events will necessitate a student’s absence from class. This policy delineates the responsibilities of faculty members and students relating to class attendance and make-up work.

Definition:
The term “faculty member(s)” when used in this policy includes all regular, full-time faculty and all part-time course instructors, regardless of any other University employee classification which applies to the individual who teaches on a part-time basis.

Policy:

A. General Provisions
Faculty members who choose to have policies related to attendance and make-up work must distribute those policies on the first day of class. While it is strongly recommended that all faculty members have written policies regarding attendance and make-up work, these policies are not required. However, when such policies are not provided in writing at the start of the class, it is understood that there will be no grade-related penalties due to absences, missed exams, missed assignments or other activities or assignments which would otherwise have an impact on a student’s grade, regardless of the cause of those events.

Students must adhere to each faculty member’s policies regarding attendance and make-up work. Faculty members who require attendance at activities or events that may conflict with a student’s otherwise regularly scheduled classes are expected to be reasonable in setting these requirements. If a faculty member will require student attendance at an activity or event outside of the regularly scheduled class period, the affected students must be provided written notice at least 10 University class days in advance of the event during the fall or spring semester and by the third day of the course for any summer term class. The faculty member must provide each student with a notice that can be given to the faculty member who instructs another course affected by the required attendance of the student. It is then the student’s obligation to notify the other faculty member. In the case of extracurricular activities, a semester-long schedule should be prepared and distributed to the participating students at the beginning of the semester. It is the student’s obligation to provide the schedule to his/her other faculty members.

If a faculty member assigns a mandatory activity or event that encompasses time outside of class or requires students to miss another class, that faculty member assigning the mandatory activity or event must either provide the student an opportunity to make up the missed activity or event, or have in place a make-up policy that does not unjustly penalize a student for the missed activity or event.

B. Absences
Occasionally, students will have reasonable cause to miss class. In order for both faculty members and students to plan effectively for these absences, the following procedures have been developed. Faculty members are encouraged to take into account the reason for an absence and make appropriate accommodations. Students are still responsible for demonstrating achievement of course learning goals, even when absences are necessary or reasonable. In situations with many absences, it may be most appropriate for the student to withdraw and retake the course in a future semester.

1. Required university-related absences (including but not limited to athletic games/matches/meets or their equivalent), absences due to military duty or veteran status (including service-related medical appointments where failure to appear might result in a loss of benefits), and legally mandated absences such as jury duty, or court subpoena must be considered excused and the student must be allowed to make up missed work, to complete an equivalent assignment, or the professor and the student may mutually agree to waive the assignment or penalty. Faculty members may have the discretion to determine what constitutes an appropriate make up work or assignment. Some course requirements may not require a make-up, such as in cases where the class work has a very minimal point value or where the course requirement of minimal point value is a part of a series of dropped assignments.

   a. Students participating in required university or legally mandated absences must inform each faculty member of their known and anticipated absences as far in advance as possible. Failure to inform faculty beforehand, when it is clearly possible to do so, may be treated as an unexcused absence.
   b. Faculty are not required to offer make-up work for extra credit tasks or assignments.

2. Except as outlined in B.1, faculty members have the discretion to determine the reasonableness of absences due to extenuating circumstances, either predetermined or unexpected. Such absences include but are not limited to: non-university sanctioned educationally appropriate events and activities (e.g. attendance at a professional conference, lecture on campus); illness; significant personal emergency; bereavement; obligatory religious observances, etc.

   a. When an absence is deemed “reasonable”, the faculty member provides the student an opportunity to make up missed work, or has in place a make-up policy that does not unjustly penalize a student for the absence.
   b. Remedies for missed work due to a “reasonable” absence include but are not limited to replacement assignments; policies which may allow students to drop a certain number of assignments or exams; policies which might average a score for a missed exam or account for it in other ways, etc.
   c. In each of these remedies, a “reasonable” standard should apply. In determining whether a remedy is reasonable, consideration should be given to the published syllabus.

Make-up Work Grievances Arising from Absences
Should a faculty member refuse to allow a student to make up missed work, and should this refusal constitute an unjust penalty upon the student, the faculty member’s decision can be appealed by the student using the grievance process outlined in Section 7 of 12.01 Student Academic Grievance Policy.

Discrimination, Harassment, & Sexual Misconduct Policy

STUDENT RECORDS

ACADEMIC ADVISEMENT REPORT
All degree-seeking, active students who entered UNI summer 2006 or later have access to an Academic Advisement Report in their Student Center. This report is to provide information on how the courses you have completed and are registered for apply to your degree requirements. This report is to serve as your guide for scheduling classes. Interactive Academic Advisement Reports are accessible to students on the web via Student Center, Academics - Other Academic Reports dropdown, Academic Requirements. A printable version can be created from within the interactive report. Students who entered UNI prior to summer 2006, who do not have complete Advisement Reports, should contact their Record Analyst in the Office of the Registrar. Post-Baccalaureate undergraduate students do not have an Academic Advisement Report and should contact the Office of the Registrar for their degree requirements.

Your Academic Advisement Report is divided into sections based on the degree and plans (majors/minors) you have declared. In-Progress (non-graded) courses show on the Academic Advisement Report as satisfying requirements and unit/course counts. However, unsuccessful completion will remove the course from the requirement and the unit/course counts.

Students who wish to make substitutions or changes to their approved curriculum as identified in the Academic Catalog must complete the Student Request Form and obtain all required approvals. Approved course directives will be entered on the Advisement Report after enrollment in the course is complete, and will be identified in the Notes field of the report. Requirement changes will be noted in the unit/course requirement areas on the report.

You will find your Academic Advisement Report to be a valuable tool for advising meetings and charting your progress towards your degree. If you have questions about your report please contact your academic advisor, the Office of Academic Advising or your Record Analyst in the Office of the Registrar.

AUDITING CLASSES
Courses will default to the graded grading basis. Students wishing to request to audit courses should contact the Office of the Registrar.

Students receiving approval to audit may change registration in the first two weeks of fall or spring semester. After that any change would require signatures from the course instructor and the Office of Academic Affairs.

Audit hours are included in the maximum credit load a student may take. Students may audit a course, but the fee assessment will be the same as courses taken for credit.

CHANGING OF NAME
The name on the student record should be the student's complete and legal name. In evaluating and processing all name changes, the university reserves the right to require adequate and appropriate documentation as warranted.

CREDIT/NO CREDIT GRADING
The undergraduate student having earned twelve semester hours of credit at this university may take courses offered by this institution for which is otherwise eligible for degree credit without grade under these conditions:

1. The course work requirements for a student taking work on an ungraded basis shall be the same as for a student taking the work on a graded basis.
2. A grade of C- or higher is required in a course to receive credit on the “Credit/No Credit” option.
3. Not more than 22 hours of ungraded course work in addition to courses authorized to be offered only for ungraded credit may be taken toward any bachelor's degree.
4. Ungraded credit may not be applied to work required for a major or minor except with the consent of the Head of the Department in which the course is offered.
5. No course taken on the “Credit/No Credit” option may be applied toward fulfilling a Liberal Arts Core requirement.
6. Except for Field Experience: Exploring Teaching (EDPSYCH 2017); Field Experience: Teacher as a Change Agent (EDPSYCH 3128); and Student Teaching (TEACHING xxxx), ungraded credit may not be used in the Common Professional Sequence requirements for the teaching program.
7. Course work passed without grade may not be retaken except by special permission of the Dean of the College in which the course is offered.
8. A graded course completed may not be retaken on an ungraded basis.
9. The Credit/No Credit system may not be used with Credit by Examination, Extension, or Correspondence courses.
10. Change of registration in a course to or from a non-graded basis may not be made after ten calendar days following the beginning of the second half of the semester in a full, academic-year semester, or after the mid-point in the duration of a course taught in a period less than a full, academic-year semester. GRADE POINT AVERAGE
Grades are evaluated in terms of quality points. For each hour of A earned, the student is credited with 4 grade points; for each B, 3; each C, 2; D, 1; F, 0. One third of a quality point is added for every hour in which a plus (+) is earned. One third of a quality point is subtracted for every hour in which a minus (-) grade is earned. Grades of A+, F+, or F- are not assigned. The grade index is determined by dividing the number of grade points by the number of hours of load.

INCOMPLETE WORK
To receive credit for course work a student is required to be in attendance for the full semester. Exceptions to this rule are rarely made.

Work lost because of absence due to illness, or other extenuating circumstances, may be made up, but arrangements for making up work missed are made between the student and the instructor.

Work left incomplete at the end of a semester or summer session will be reported as a Failure unless a report of Incomplete (I) has been authorized by the instructor. The I is restricted to students doing satisfactory work in the class who, because of extenuating circumstances, are unable to complete the work of the course. If the I is limited to assigned work during the final sixth of the term. If a course is reported as Incomplete, a student is not prevented from registering for another course for which the incomplete course is a prerequisite. Work reported as Incomplete for undergraduate students must be completed within six months from the time at which the report was made. If the work reported as Incomplete is not made up within six months, it is automatically entered as a Failure on the student's record. However, if for sufficient cause an Incomplete cannot be removed in six months, request for an extension of the time may be made to the instructor of the course. The extension, if approved, is for a period of up to another six months as designated by the instructor.

Any requests for an exception to the above guidelines for graduate students must be completed by June 1. Work reported Incomplete for graduate students in the spring semester or in the summer session must be completed by January 1. The exact length of time to remove the incomplete within the above guidelines, is set by agreement between the instructor and the student. If the work reported as incomplete is not made up by the deadline, it is automatically entered as a Failure on the student's record.

NOTIFICATION OF RIGHTS UNDER FERPA
The University of Northern Iowa adheres to the Family Educational Rights and Privacy Act of 1974 as amended. Students with questions about their rights under this Act may contact the Office of the Registrar for information.

The Family Educational Rights and Privacy Act (FERPA) afford eligible students certain rights regarding their education records. (An eligible student who is 18 years of age or older or who attends postsecondary institution.) These rights include:

1. The right to inspect and review the student’s education records within 45 days after the day university receives a request for access. Students should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identified the record(s) they want to inspect. The university official will arrange for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the university official to whom the request was submitted, the official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes is inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA. Students may ask the university to amend a record they believe is inaccurate or misleading. They should write the university official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the university decides not to amend the record as requested, the university will notify the student of the decision and the student’s right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before the university discloses personally identifiable information (PII) from the student’s education records, except to the extent that FERPA authorizes disclosure without consent. The university discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the university in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the Board of Regents; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of the school who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII for education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record to fulfill his or her professional responsibilities for UNI. Upon request, the school also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by UNI to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue SW
Washington, D.C. 20202-8520

FERPA permits the disclosure of PII from students’ education records, without consent of the student, if the disclosure meets certain conditions found in 99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, 99.32 of FERPA regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures. A postsecondary institution may disclose PII from the education records without obtaining prior written consent of the student—

- To other school officials, including teachers, within UNI whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in 99.31 (a)(1)(ii)(B)(2) are met. (99.31(a)(1))
- To officials of another school where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student’s enrollment or transfer, subject to the requirements 99.34. (99.31 (a)(3))
- To authorized representatives of the U.S. Comptroller General, The U.S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as a State postsecondary authority that is responsible for supervising the university’s State-supported education programs. Seniors who expect to graduate at the end of the Fall 2018 semester must complete an undergraduate graduation application through their Student Center. Graduate students: It is the student’s responsibility to make a timely application to graduate during the term the final degree requirements are completed. Application for graduation must be completed online through MyUNIverse Student Center. Paper applications are no longer accepted. For participation in commencement, an application to graduate must be submitted by the end of the 12th week of the Fall or Spring term so that students’ names can be included in the commencement publication. After the 12th week, but before the end of the term, students may still apply for degree conferral that term, but their names may not be included in the commencement publication. Applications submitted after the end of the term will generally not be processed for degree conferral for the term just past. WITHDRAWING FROM COLLEGE

The information set forth below applies to students who withdraw completely from college. Dropping one or more classes does not constitute a withdrawal unless the student drops all classes for which he or she is registered. Do not attempt to withdraw your registration by filing a change of registration or withdrawing online. Contact the Office of the Registrar. If all classes are dropped, this is a withdrawal and the information below applies.

WITHDRAWAL PROCEDURE

A student who has started attending classes who finds it necessary to withdraw from school initiates the withdrawal through the Office of the Registrar in person or by calling 319-273-2241. Students living in a residence hall also must cancel their housing contract through the Director of the residence hall where they live. Students with financial aid MUST contact the Office of Financial Aid and Scholarships.

A student who has registered but decides not to come to the University of Northern Iowa should advise the Office of the Registrar as early as possible, listing the reasons for withdrawing from the university.

WITHDRAWAL AFTER CLASSES BEGIN WILL RESULT IN A TUITION CHARGE.

If you received financial aid from the university all or part of this aid may have to be repaid.

WITHDRAWAL REFUNDS

If credit is earned during a period of enrollment there is no refund of academic fees for that period. For any one-, two-, or three-week session there is no refund. Room and board refunds are made according to the agreement set out in the “Contract for Room and Board” signed by the student at the time of enrollment.

Tuition is refundable based on the percentage table given below. The effective date of the withdrawal is the date the official withdrawal form is completed in the Office of the Registrar.

Students who withdraw completely prior to the first day of instruction for a semester will not pay tuition for that semester. If any tuition has been paid, it will be refunded in full. After university instruction begins for a semester, tuition charges or refunds will be made in accordance with the schedule set forth below. For example, if a student withdraws during the first week of classes, 10% of the total tuition will be charged; or, if the total tuition has been paid, 90% will be refunded.

The refund schedule only pertains to a withdrawal (all courses are dropped). See the “Change of Registration” section for questions on tuition when a portion of the classes are dropped.
