REGISTRATION PROCESS

Students are encouraged to self-register from a convenient location.

During advance registration, scheduling assistance will be available in the Office of the Registrar 8:00 a.m. - 5:00 p.m. Monday through Friday. Students registering from locations other than the Office of the Registrar will be able to access the system 24 hours per day, 7 days per week; any exceptions to availability will be noted by system messages.

The registration system is accessed through MyUNIverse under the Student Center tab. Students with questions on registering from off-campus should contact the ITS Consulting Center at (319) 273-5555.

If you are accessing MyUNIverse for the first time, or if you are accessing e-mail or MyUNIverse as a new user, your initial passphrase (password) is as follows:

The format is panthersxxxxxmd (xxx is the last three (3) digits of your University ID#, mmm is the first three letters of your birth month, and dd is the 2-digit number of your birth day). Example: panthers456nov23 (all lower case)

Your new passphrase must be at least 15 characters long: see the Passphrase Requirements for a complete listing.

The Class Search allows students to explore course offerings for a specific semester. There are many new options for searching for course sections in the student information system. The Planner allows students to select courses from the course catalog and plan which semesters they would like to enroll in them. The Shopping Cart allows students to select course sections from the schedule of classes for a given semester in order to plan which sections they will attempt to enroll in once the Enroll function becomes available. The Enroll function becomes available during a student's enrollment appointment and allows students to enroll in course sections for a given term.

Enrollment is a separate process from the Planner and Shopping Cart planning activities. Use of the Planner and Shopping Cart does not guarantee enrollment in class sections or add the courses to the student's enrollment; this takes place only during the Enroll process.

It is recommended that students take the following steps prior to registration:

1. Review the information about the enrollment features and capabilities of the student information system available at http://www.uni.edu/sis/content/student-center-help.
2. Access your registration information in the MyUNIverse Student Center tab http://myuniverse.uni.edu.
3. Use the Planner and/or Shopping Cart to plan your desired course sections prior to your enrollment date and time.
4. If any desired courses require an approval, please contact the appropriate offices. Approvals will be granted electronically or in writing. Students given written approval must add the course at the Office of the Registrar. Verbal approvals will not be acceptable.
5. If any desired courses list other enrollment requirements/prerequisites, please verify that the prerequisites have been met.
6. On or after your enrollment appointment date and time, enroll in the courses.

Students will be able to drop and add classes at any time after their initial registration.

EXPLANATION OF COURSE NUMBERS

The University of Northern Iowa is using a new course numbering system. Resources to support the transition from the old to the new course numbering system can be found at http://www.uni.edu/catalog/. Note that the 2012-14 catalog lists both the old and the new course numbers. Detailed information regarding the course numbering system prior to Fall 2011 and the system effective Fall 2011 forward may be found at: https://catalog.uni.edu/guidetocoursenums/

SECTION NUMBERS DESIGNATING HALF SEMESTER COURSES

Sections numbered in the “80s” (or “8”) and a letter) meet the first-half of the semester. Sections numbered in the “90s” (or “9” and a letter) meet the second-half of a semester.

ENROLLMENT REQUIREMENTS/PREREQUISITES

Enrollment requirements and prerequisites indicate conditions that must be satisfied before enrolling for the course. The university reserves the right to remove students from courses for which prerequisites have not been met.

STUDENT LOAD

Undergraduate with over a total 2.00 GPA have a maximum load of 18 hours. Undergraduates with under a total 2.00 GPA have a maximum load of 14 hours. All graduate students have a maximum load of 15 hours.

Students who wish to register for a load in excess of their appropriate limit must do the following prior to their initial registration:

Undergraduate Students - Must obtain advisor approval on a Student Request Form and submit to the Office of the Registrar, 115 Gilchrist Hall.

Graduate Students - Must complete a student request form electronically through MyUNIverse stating the reason(s) for requesting to take more hours and the UNI cumulative GPA. This request will be routed electronically for approvals.

CHANGE OF REGISTRATION

Students may enroll in a course anytime up to and including one week after the beginning of University instruction. This week shall be defined as seven instructional class days. Beyond that period, but not to exceed two calendar weeks beyond the beginning of University instruction, enrollment will be subject to departmental approval.

Friday, January 19, is the last day to drop a full-semester course without a “W”. Dropping a course without a “W” removes the course from your academic record and is subject to a tuition refund if the drop results in less than fulltime (12 hours undergraduate, 9 hours graduate). Full-semester courses dropped January 22 through March 23 are dropped with a “W” (withdraw) and are not subject to any type of tuition refund. Please note this methodology only pertains to a portion of the courses being dropped. When all of the courses are dropped for a semester (total withdraw), the amount of tuition refund is based upon the withdraw date - see the “Withdrawal Refund” section on page 18.

Students desiring to make changes from off-campus may do so through the first seven (7) days. The change of registration is not effective until the form is filed in the Office of the Registrar, and the date filed in the Office of the Registrar is the effective date of the change.
CLOSED CLASSES
Written permission to enroll in a closed class, must be secured from the head of the department in which the course is offered. In some instances, the department head may request the student to obtain the instructor’s signature to see whether there is room in the class. In these cases, the student will need to return to the office of the department head for final approval.

LATE REGISTRATION
A $100.00 late registration fee will be charged of all students who register in the third week (class days 11 and onward).

ACADEMIC STANDING

UNDERGRADUATE ACADEMIC STANDING POLICY
Undergraduate students at the University of Northern Iowa are expected to meet academic standards set by the university and to demonstrate satisfactory academic progress towards earning a degree. Academic Alert and Academic Probation serve to warn students that unless their academic performance improves, they may be placed on Academic Suspension. No student within the first-year of attendance at the University of Northern Iowa will be placed on Academic Suspension. First-year students (freshmen and transfer students) at the University of Northern Iowa placed on Academic Alert or Academic Probation may be subject to conditions designed to increase academic success. A student who does not agree to these conditions may have their course schedule canceled for the semester.

All continuing students (students who are in their second semester or beyond at UNI) who are placed on Academic Probation should also seek assistance for academic improvement from academic advisors, the Academic Learning Center, or the Counseling Center.

ACADEMIC ALERT
Any first-semester student who has a 1.00 – 1.99 UNI semester GPA will be placed on Academic Alert. Only first-semester students new to the university can be placed on Academic Alert; however, post-baccalaureate students are excluded from Academic Alert as a possible academic standing and, instead, proceed straight to Academic Probation. While on Academic Alert, the student will be limited to 14 credit hours. Academic Alert is not recorded on the student’s official academic transcript.

At the end of a student’s semester on Academic Alert, one of the following actions will be taken:
- The student will be placed on Academic Probation if the UNI cumulative GPA is less than a 2.0
- The student will be removed from Academic Alert and shall be in Good academic standing if the UNI cumulative GPA is a 2.0 or higher.

ACADEMIC PROBATION
Any first-semester student who has a UNI semester GPA below 1.0 will be placed on Academic Probation. Also, any continuing student will be placed on Academic Probation when their UNI cumulative GPA is below a 2.0. A student placed on Academic Probation must earn a minimum UNI semester GPA of 2.0 for each semester while on Academic Probation until the UNI cumulative GPA reaches 2.0 or higher. While on Academic Probation, the student will be limited to 14 credit hours. Once the UNI cumulative GPA reaches 2.0 or higher, the student will be removed from Academic Probation. Academic Probation is not recorded on the official academic transcript.

At the end of a semester on Academic Probation, one of the following actions will be taken:
- The student will be placed on Academic Suspension if the semester GPA is less than a 2.0.
- The student will continue on Academic Probation if the UNI semester GPA is a 2.0 or higher and the UNI cumulative GPA remains below a 2.0.
- The student will be removed from Academic Probation and shall be in Good academic standing if the UNI cumulative GPA is a 2.0 or higher.

ACADEMIC SUSPENSION
A student on Academic Probation who fails to earn a UNI semester GPA of 2.0 will be placed on Academic Suspension. Academic Suspension is for a minimum period of one calendar year and is permanently noted on the official academic transcript. Once suspended, a student will not be allowed to re-enroll at the University of Northern Iowa until they have been academically reinstated.

READMISSION AFTER SUSPENSION
Academic Suspension is for a minimum period of one calendar year. Only the most extenuating circumstances would warrant consideration for readmission before the minimum of one academic year has elapsed. An undergraduate student who has been placed on Academic Suspension may be readmitted only after completing the Application for Readmission from Academic Suspension and receiving formal reinstatement from the Committee on Admission, Readmission, and Retention. As a condition of reinstatement, a student may be subject to stipulations designed to increase academic success. A student who does not agree to these conditions may be denied readmission or have their course schedule canceled for the semester. A student who is readmitted after suspension will be placed on Academic Probation following Suspension beginning with the semester immediately following their return to UNI. A student readmitted after suspension must earn a minimum UNI semester GPA of 2.0 for each semester after being readmitted until the UNI cumulative GPA reaches 2.0 or higher. While on Academic Probation following Suspension, the student will be limited to 14 credit hours each semester. Academic Suspension for a second time is considered permanent. Only the most extenuating circumstances would warrant consideration for readmission from Academic Suspension a second time.

At the end of a semester on Academic Probation following Suspension, one of the following actions will be taken:
- The student will be permanently academically suspended if the UNI semester GPA is less than a 2.0.
- The student will continue on Academic Probation following Suspension if the students UNI semester GPA is a 2.0 or higher and the UNI cumulative GPA remains below a 2.0.
- The student will be removed from Academic Probation following Suspension and shall be in Good academic standing if the UNI cumulative GPA is a 2.0 or higher.

GRADUATE PROBATION AND SUSPENSION

EXTENSION OF CREDIT/EDUCATIONAL LOAN
Registration for classes creates a legally binding financial obligation to pay tuition and fees per official university policy as summarized in this publication. You are expected to have made the necessary financial arrangements prior to enrolling for classes. Any financial assistance from the university should be arranged prior to the start of classes through the Office of Financial Aid and Scholarships. You are responsible for making all payments due while a Financial Aid application is in process. Your registration for classes constitutes your understanding and acceptance of this responsibility. The university considers this extension of credit to be an “educational loan” under Federal and State laws. This credit is automatically extended to all students. Every student will need to read and acknowledge the University Billing Terms and Conditions. These terms and conditions outline the billing process and procedures. Students will view this on MyUNIverse via the Student Center tab. The terms and conditions can also be referred to on the Office of Business Operations website: https://obo.uni.edu/student-accounts.

UNIVERSITY BILL (U-Bill)
All tuition, mandatory fees, lab fees, contracted campus room and meal plan expenses, and other university related charges are electronically billed directly to the student by the Office of Business Operations, Student Accounts. Charges are billed one semester at a time. New charges and/or adjustments are billed monthly throughout the semester. An electronic University bill (U-Bill) is generated on the 1st of every month and due on the 20th - (If the due date falls on a weekend, the due date is the first business day following). An email notification is sent to each student’s official UNI email address when the bill is available. Paper bills are NOT sent. Students can view their bill, pay their bill, or enroll in a payment plan online at https://uni.edu/ via MyUNIverse on the Student Center tab. Students can access their bill by creating a username and password for parents or other third parties. Go to MyUNIverse →My Page tab →Third Party Accounts to grant access.
Failure to receive or read an email reminder is not an acceptable reason for not making a payment when due. It is the responsibility of the student to check their U-Bill account at least monthly and make required payment by the Due Date. A sample bill with instructions of how to read it can be viewed at https://obo.uni.edu/student-accounts. Students must pay their account in full by the end of each semester to avoid registration delays and to receive transcripts or diplomas.

PAYMENT INSTRUCTIONS
U-Bill payments can be made by cash, check, or online by e-check. UNI DOES NOT accept credit or debit cards as a form of payment for U-Bill charges. Payments must be
The University offers a Deferred Payment Plan option for tuition, mandatory fees, and contracted room and meal plan charges. The plan allows students to make payments in installments each semester. The UNI Self-Service plan allows students to select a 5-month plan. All enrolled students are eligible to participate but the student MUST ENROLL prior to the first billing due date. To enroll, students need to visit www.uni.edu and log in to MyUNIverse-Student Center tab to complete the online payment plan agreement. There is a $20 deferred billing fee, per semester, that will be assessed to the student’s first bill after enrolling in a plan. It is in the student’s best interest to enroll in a plan prior to the first billing due date of the semester, (i.e. before August 20 or January 20).

REFUNDS
When payments and/or Financial Aid credits are greater than the total charges, the result is a refund. Refunds are deposited electronically into the student’s checking or savings account via direct deposit. Students must enroll at www.uni.edu via MyUNIverse-Students Center. It is the responsibility of the student to ensure the accuracy of their bank routing and account numbers to avoid delays in receiving their funds. Once enrolled, students will receive an automatic email notification each time that a refund has been sent to their bank account. Students are encouraged to verify receipt of funds with their bank prior to conducting any transactions.

Refunds will be issued if the amount is $1 or greater. The University will initiate direct deposit refunds daily beginning the first week prior to classes starting through the second week of classes to accommodate increased financial aid disbursements. Beginning the third week of each semester, direct deposits will be initiated on Monday and Wednesday each week. If a student has not set up direct deposit, a paper refund will be issued.

Paper refunds are printed weekly on Friday and held for pick up at the Cashier’s window in Gilchrist 103. Students are required to provide valid identification when picking up their check. Checks not picked up within 14 days will be mailed to the student’s local address. As a result, the receipt of funds will be significantly delayed compared to direct deposit. Parents can also have the Parent Plus Loan deposited directly to their bank by completing the Parent Plus Loan Direct Deposit Authorization form which can be found on the Office of Business Operations website https://obo.uni.edu/student-accounts.

STANDARDS OF SATISFACTORY ACADEMIC PROGRESS
The University of Northern Iowa has established requirements of Financial Aid Satisfactory Academic Progress (SAP) that all students must meet in order to be eligible for financial aid. The financial aid programs affect include, but are not limited to, all federal, state, and institutional aid including private education loans.

Financial Aid Satisfactory Academic Progress Requirements and Review Process
Financial Aid Satisfactory Academic Progress is evaluated yearly at the end of each spring semester for the previous Summer, Fall, and Spring semesters. To maintain eligibility for financial aid, students must meet the following three criteria:

1. Minimum GPA: Undergraduate and 2nd BA students must maintain a minimum 2.0 cumulative GPA for coursework taken at UNI. Graduate students must maintain a minimum 3.0 cumulative GPA.

2. Pace of Progression: Students must complete 67% of all coursework attempted at UNI. Attempted hours are based on enrollment at the end of the first two weeks of class during a semester. Only grades of A, B, C, D, X, Cr, or P are counted as meeting the required hours. Failed classes, withdrawn classes, and incomplete grades do not count as completed credit hours and will negatively affect the SAP calculation. Example: A student has attempted 114 credits at UNI. Out of the 114 credits attempted, he has successfully completed a total of 87 credits (76% of the coursework attempted), thus meeting this standard of academic progress.

3. Maximum Time to Complete a Degree: Students who have completed all course and hour requirements to earn a degree will no longer qualify for financial aid. Students completing a double major or minor in conjunction with their first degree will no longer qualify for financial aid once the requirements for the initial degree are met.

Undergraduate students are also required to complete a degree within 12 full- time equivalent semesters (18 three-quarter time semesters or 24 half-time semesters). Second BA and graduate students are required to complete a degree within 6 full-time equivalent semesters (9 three-quarter time semesters or 12 half-time semesters). Transfer credits are counted toward the maximum timeframe to complete the degree. Students cannot receive financial aid for more than one degree at a time.

NOTE: Repeated coursework will be evaluated using the most recent grade received. UNI GPA refers to overall UNI GPA.

Financial Aid Suspension Status
Financial Aid Satisfactory Academic Progress is reviewed on an annual basis following the conclusion of the Spring semester. Students must meet all three academic requirements (see above) at the time of review or they will be placed on Financial Aid Suspension. Students placed on Financial Aid Suspension MUST appeal to have their aid reinstated for upcoming semesters at UNI. Students who have successfully appealed will be placed on Financial Aid Probation or Financial Aid Academic Plan status, allowing them to receive aid based on conditions set forth by the Office of Financial Aid and Scholarships.

Financial Aid Probation Status
Financial Aid Probation is available for a maximum of one semester for students who have successfully appealed to have their aid reinstated. Students on Financial Aid Probation must continue to adhere to the Financial Aid Satisfactory Academic Progress Policy outlined above and any other conditions listed on the Appeal Approval Contract. Students on Financial Aid Probation status are reviewed at the end of each semester. Students not making progress toward the terms of their appeal contract will have their aid suspended and must appeal before a committee to have their aid reinstated.

Financial Aid Academic Plan
If it is not possible for the student with an approved appeal to achieve minimum Financial Aid Satisfactory Academic Progress standards within one semester, the student will be maintained on an Academic Plan. While on Financial Aid Academic Plan, students must meet all Financial Aid Academic Progress standards each semester. The conditions for the approved appeal will continue each term until the student meets the minimum standard(s) or fails to meet the conditions of the approved appeal. If the student fails to meet the appeal conditions, the student’s account will revert to Suspension Status indicating that the student is ineligible for aid.
Reinstatement of Financial Aid

Students placed on Financial Aid Academic Progress Suspension have the opportunity to appeal and/or have their previous grades reviewed by the Office of Financial Aid and Scholarships. Students have the following options for reinstatement:

1) **Meet all Financial Aid Satisfactory Academic Progress requirements.**
   - Undergraduate students must improve their cumulative GPA to the 2.0 minimum with graduate students meeting the 3.0 cumulative GPA minimum requirement, and
   - By meeting the 67% course completion standard.

2) **Initiate the financial aid appeal process.** Financial Aid appeals must demonstrate extenuating circumstances that impeded the students’ ability to make progress academically. All appeals must be accompanied by third party documentation of the circumstances encountered as well as an academic plan of study (signed by an academic advisor or a record analyst in the Office of the Registrar). Examples of extenuating circumstances include but are not limited to:
   - Personal or Family Emergency
   - Serious Medical Issues
   - Psychological Illness

3) **Review of grade changes to previously deficient course grades.** Students experiencing grade changes that may reinstate their eligibility should contact the Office of Financial Aid and Scholarships to have their academic progress reviewed.

The successful reinstatement of financial aid is not reflective of decisions regarding Registrar academic suspension. Students on academic suspension should visit with the Office of the Registrar regarding reinstatement to UNI.

**FINANCIAL AID APPEAL PROCESS AND DEADLINES**

An appeal process is in place for those experiencing extenuating circumstances that affected their ability to meet the Financial Aid Satisfactory Academic Progress standards. Appeal forms may be obtained from the Office of Financial Aid and Scholarships or online at finaid.uni.edu/academic-progress. **Appeals must be submitted no later than the end of the second week of classes following the suspended semester or within 14 calendar days of the date on the academic progress letter.** It is recommended that students submit their appeals as soon as possible to avoid processing delays.

All appeals must be accompanied by third party documentation of the circumstances encountered, a description of how circumstances have changed to allow for future academic success, as well as an academic plan of study (signed by an academic advisor or a record analyst in the Office of the Registrar) demonstrating that the student can successfully meet Financial Aid Academic Progress policy within a reasonable amount of time, thereby allowing them to matriculate toward their degree within the timeframe set forth within the above policy. Reinstatement of the financial aid is contingent upon the availability of the funds at the time the appeal is approved. Approved appeals require a signed contract to be returned to the Office of Financial Aid and Scholarships.

**DENIED FINANCIAL AID APPEALS**

Students denied financial aid eligibility may continue attending UNI by funding their own education. If students meet all of the progress standards in the future, they must contact the Office of Financial Aid and Scholarships to request a review of their financial aid status.

**GRANT ADJUSTMENT**

Grants are need-based aid. The Pell Grant Program is for students working on their first B.A. degree. Due to federal regulation and university policy, the actual amount of grant that you receive is based on the number of credit/hours for which you are enrolled at the end of the first two weeks of the semester. If you have any questions about how your grant may be affected by adding or dropping a class, please contact the Office of Financial Aid and Scholarships, 319-273-2700.

**GUIDED INDEPENDENT STUDY, CAMP ADVENTURE, AUDITED COURSES**

Financial aid is not available for Guided Independent Study, Camp Adventure, or audited courses. If you have any questions regarding this policy, please contact the Office of Financial Aid and Scholarships at 319-273-2700.

**STUDENT LOAN OVERVIEW**

Federal student loan programs have a maximum amount of loans that can be received during an academic year based on a student’s grade classification. For example, a freshman student who is dependent may only borrow $5,500 in the Direct Loan Program for the entire academic year (Fall, Spring and Summer). Additional information can be found at https://finaid.uni.edu/loans.

**ACCEPTING LOANS**

Students can accept their Direct Loans by completing the following steps:
1. **All loans must be accepted, reduced, or declined on the student’s online Award Notification, found within the Student Center on MyUNIverse.**
2. **Initial student borrowers should complete the Master Promissory Note (MPN) and Direct Loan Entrance Counselling online at https://studentloans.gov/myDirectLoan/index.action (using their FAFSA PIN) before they are eligible to receive their loan proceeds.**

The MPN covers both the Direct Subsidized loan and the Direct Unsubsidized loan. The MPN does not show a specific loan amount because it also serves as the promissory note for future Direct Loans at UNI (valid for up to 10 years). The amount of subsidized and unsubsidized loans a student is eligible to receive is included on the Award Notification. By completing the MPN, students are agreeing to repay to the US Department of Education all loans made to them under the terms of the MPN. Direct Loan funds cannot be disbursed until the MPN is submitted and approved by the Department of Education. Processing of the loan(s) usually takes one week if the MPN is completed electronically, and up to three weeks if a paper MPN is completed.

** All classes that meet on Tuesday AND Thursday and begin on or during this hour.
*** All classes that meet or start during any portion of this hour
Classes having sections numbered in the 90's will have their examinations in accordance with the regular examination schedule above. For those classes not provided for in the examination schedule, the examinations will be given on Friday, May 4, 2018, or during the last meeting of the class.

OTHER EXAMINATION INFORMATION
The final examination schedule applies both to faculty and to students. Unless previous arrangements have been made, it is expected that the official schedule in the semester Schedule of Classes will be followed.

A comprehensive final examination, if required, must be administered at the time indicated on the final schedule. No final comprehensive examination shall be administered to a class within the last two weeks prior to the officially scheduled final examination period (excluding summer sessions or half-semester courses). In the week prior to the beginning of the final examination period, unit tests, papers, projects, and other assignments are permissible if announced in the course outline/assignment, sheet/syllabus or prior to midterm.

For those classes, which do not, in the instructor’s judgment, require a final comprehensive examination, the time of the officially scheduled final examination will be used for other appropriate class activities, such as evaluations, reports, performance, or regular class work. Therefore, the class will meet at the time of the officially-scheduled final examination, whether or not a final examination is administered.

The department heads must see that the final examination schedule and the policies are followed. Students may report policy violations to the appropriate department head, in accordance with the university academic grievance procedures.

Student requests to take final examinations at times other than as scheduled will be granted for only the most urgent reasons. Excessive examination load, three on one day, is a justifiable reason for a change.

To request a change in the examination schedule, a student must:

1. Prepare an Undergraduate Student Request Form for each request.
   State the request and reason for it.
2. A change in the examination time of an individual course must be approved by the instructor and the department head.
3. A request to change all exams must be approved by the Assistant Vice President for Academic Affairs

Federal law requires all institutions of higher education to provide graduation rates to current and prospective students. Our most recent analysis shows that 65 percent of the students who enter the University of Northern Iowa graduate within the six-year completion period established by the law. This percentage does not include students who continued to be enrolled at UNI after six years or students who transferred to other colleges and universities. The national average graduation rate after six years for all U.S. public 4-year institutions is 48 percent. STUDENT RECORDS

ACADEMIC ADVISEMENT REPORT
All degree-seeking, active students who entered UNI summer 2006 or later will receive an Academic Advisement Report. The purpose of this report is to provide you with information on how the courses you have completed and are currently registered for apply to your degree requirements. This report is to serve as your guide for scheduling classes. Interactive Academic Advisement Reports are accessible to students on the web via Student Center, Other Academic Reports dropdown, Academic Requirements. Students who entered UNI prior to summer 2006, who do not have complete Advisement Reports, should contact their Record Analyst in the Office of the Registrar. Post- Baccalaureate undergraduate students do not have an Academic Advisement Report and should contact the Office of the Registrar for their degree...
requirements. We have endeavored to show the results of any special student requests you may have had approved. These actions will most likely be shown by course directives and explained in Notes field reference; and requirement changes as noted in the unit/course requirement areas on the report. In-Progress (non-graded) courses show on the Academic Advisement Report as satisfying requirements and unit/course counts. However, unsuccessful completion will remove the course from the requirement and the unit/course counts. Your Academic Advisement Report is divided into sections, based on the degree and plans (majors/minors) you have declared. You will find your Academic Advisement Report to be a valuable tool for advising meetings and charting your progress towards your degree. If you have questions about your report please contact your academic advisor, the Office of Academic Advising or your Record Analyst in the Office of the Registrar.

AUDITING CLASSES
Courses will default to the graded grading basis. Students wishing to request to audit courses should contact the Office of the Registrar. Students receiving approval to audit may change registration in the first two weeks of fall or spring semester. After that, any change would require signatures from the course instructor and the Office of Academic Affairs. Audit hours are included in the maximum credit hour load a student may take. Students may audit a course, but the fee assessment will be the same as courses taken for credit.

CHANGING OF NAME
The name on the student record should be the student’s complete and legal name. In evaluating and processing all name changes, the university reserves the right to require adequate and appropriate documentation as warranted.

CREDIT/NO CREDIT GRADING
The undergraduate student having earned twelve semester hours of credit at this university may take courses offered by this institution for which the student is otherwise eligible for degree credit without grade under the following conditions:

1. The course work requirements for a student taking work on an ungraded basis shall be the same as for a student taking the work on a graded basis.
2. A grade of C or higher is required in a course to receive credit on the “Credit/No Credit” option.
3. Not more than 22 hours of ungraded course work in addition to courses authorized to be offered only for ungraded credit may be taken toward any bachelor's degree.
4. Ungraded credit may not be applied to work required for a major or minor except with the consent of the Head of the Department in which the course is offered.
5. No course taken on the “Credit/No Credit” option may be applied toward fulfilling a Liberal Arts Core requirement.
6. Except for Field Experience: Exploring Teaching (EDPSYCH 2017); Field Experience: Teacher as a Change Agent (EDPSYCH 3128); and Student Teaching (TEACHING xxx), ungraded credit may not be used in the Common Professional Sequence requirements for the teaching program.
7. Course work passed without grade may not be retaken except by special permission of the Dean of the College in which the course is offered.
8. A graded course completed may not be retaken on an ungraded basis.
9. The Credit/No Credit system may not be used with Credit by Examination, Extension, or Correspondence courses.
10. Change of registration in a course to or from a non-graded basis may not be made after ten calendar days following the beginning of the second half of the semester in a full, academic-year semester, or after the mid-point in the duration of a course taught in a period less than a full, academic-year semester. Only one such change of registration may be made per course.
11. Credit/No Credit grading cannot be used for Presidential Scholar Seminars or Presidential Scholar Thesis/Project credit.
12. No upper level (3000-level and above) Accounting courses may be taken without written consent of the department head or director of the MAcc, except ACCT 3090, ACCT 3092, ACCT 3179, and ACCT6090.

GRADE POINT AVERAGE
Grades are evaluated in terms of quality points. For each hour of A earned, the student is credited with 4 grade points; for each B, 3; each C, 2; D, 1; F, 0. One third of a quality point is added for every hour in which a plus (+) is earned. One third of a quality point is subtracted for every hour in which a minus (-) grade is earned. Grades of A+, F+, or F- are not assigned. The grade index is determined by dividing the number of grade points by the number of hours of load.

Example:

<table>
<thead>
<tr>
<th>Course</th>
<th>Hours</th>
<th>Grade</th>
<th>Grade Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Introduction to Literature</td>

</tbody>

Grade point average is 24 divided by 14 for a 1.71.

Hours of credit/no credit, withdrawal and/or incompletes are not used in determining your grade point average.

GRADES
Students can access grades using their CatID and password on MyUNiverse http://myuniverse.uni.edu in the Student Center tab. Grade information is not provided to parents without the authorization of the student. Such authorization may be signed at the Office of the Registrar.
INCOMPLETE WORK
To receive credit for course work a student is required to be in attendance for the full semester. Exceptions to this rule are rarely made. Work lost because of absence due to illness, or other extenuating circumstances, may be made up, but arrangements for making up work missed are made between the student and the instructor. Work left incomplete at the end of a semester or summer session will be reported as a Failure unless a report of Incomplete (I) has been authorized by the instructor. The I is restricted to students doing satisfactory work in the class who, because of extenuating circumstances, are unable to complete the work of the course. The I is limited to assigned work during the final sixth of the term. If a course is reported as Incomplete, a student is not prevented from registering for another course for which the incomplete course is a prerequisite. Work reported as Incomplete for undergraduate students must be completed within six months from the time at which the report was made. If the work reported as Incomplete is not made up within six months, it is automatically entered as a Failure on the student's record. However, if for sufficient cause an Incomplete cannot be removed in six months, request for an extension of the time may be made to the instructor of the course. The extension, if approved, is for a period of up to another six months as designated by the instructor. Work reported as Incomplete for a fall semester for graduate students must be completed by June 1. Work reported Incomplete for graduate students in the spring semester or in the summer session must be completed by January 1. The exact length of time to remove the incomplete within the above guidelines, is set by agreement between the instructor and the student. If the work reported as incomplete is not made up by the deadline, it is automatically entered as a Failure on the student's record. Any requests for an exception to the above guidelines for graduate students must be submitted in writing to the Graduate College. Only under the most unusual circumstances would requests for additional time be approved. Some courses continue beyond the normal ending date of the semester or session. In such cases, the initial grade reported will be an RC, which means Research or Course Continued. Once the extended instructional period is finished, the RC grade will be replaced with the A-F grade assigned by the instructor.

NOTIFICATION OF RIGHTS UNDER FERPA
The University of Northern Iowa adheres to the Family Educational Rights and Privacy Act of 1974 as amended. Students who have questions concerning their rights under this Act may contact the Office of the Registrar for pertinent information.

The Family Educational Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records. (An eligible student who is 18 years of age or older or who attends postsecondary institution.) These rights include:

1. The right to inspect and review the student’s education records within 45 days after the day UNI receives a request for access. A student should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identified the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, the official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes is inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA. A student who wishes to ask the school to amend a record should write the school official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed. If the school decides not to amend the record as requested, the school will notify the student in writing of the decision and the student’s right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before the university discloses personally identifiable information (PII) from the student’s education records, except to the extent that FERPA authorizes disclosure without consent. The school discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by UNI in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of the school who performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII for education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for UNI. Upon request, the school also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by UNI to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:
Family Policy Compliance Office
U.S. Department of Education
400 Maryland Ave, SW
Washington, DC 20202-8520

FERPA permits the disclosure of PII from students’ education records, without consent of the student, if the disclosure meets certain conditions found in 99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, 99.32 of FERPA regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures. A postsecondary institution may disclose PII from the education records without obtaining prior written consent of the student –

- To other school officials, including teachers, within UNI whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in 99.31 (a)(1)(ii)(B)(2) are met. (99.31 (a)(1)(i))
- To officials of another school where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student’s enrollment or transfer, subject to the requirements 99.34. (99.31 (a)(2))
- To authorized representatives of the U.S. Comptroller General, The U.S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as a State postsecondary authority that is responsible for supervising the university’s State-supported education programs. Disclosures under this provision may be made, subject to the requirements of 99.35, in connection with an audit or evaluation of Federal or State supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (99.31 (a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (99.31 (A)(4))
• To organizations, conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. (99.31 (a)(6))
• To accrediting organizations to carry out their accrediting functions. (99.31 (a)(7))
• To parents of an eligible student if the student is dependent for IRS tax purposes. (99.31 (a)(10))
• Information the school has designated as “directory information” under 99.37. (99.31 (a)(11))
• To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense, subject to the requirements of 99.39. The disclosure may only include the final results of the disciplinary proceedings with respect to that alleged crime or offense, regardless of the finding. (99.31 (a)(13))
• To the general public, the final results of disciplinary proceeding, subject to the requirements of 99.39, if the school determines the student is an alleged perpetrator of a crime of violence or non-forcible sex offense and the student has committed a violation of the school’s rules or policies with respect to the allegation made against him or her. (99.31 (a)(14))
• To parents of a student regarding the student’s violation of any Federal, State, or local law, or of any rule or policy of the school, governing the use or possession of alcohol or a controlled substance if the school determines the student committed a disciplinary violation and the student is under the age of 21. (99.31 (a)(15))

Based on an institutional adjudged determination of “need to know” the university may release the following “Directory Information” to anyone who requests it without the consent of the student unless the student has requested the university not to release any or all of the information.

Please note: Restricted directory information will be released when necessary to perform required administrative duties related to your enrollment at the university.

APPLYING TO GRADUATE

Applying to Graduate

Seniors who expect to graduate at the end of the Spring 2018 semester must complete an undergraduate graduation application through their Student Center no later than April 1, 2018.

Graduate students: It is the student’s responsibility to make a timely application to graduate during the term the final degree requirements are completed. Application for graduation must be completed online through MyUNIverse Student Center. Paper applications are no longer accepted. For participation in commencement, an application to graduate must be submitted by April 1, 2018, so that students’ names can be included in the commencement publication. After the 12th week, but before the end of the term, students may still apply for degree conferral that term, but their names may not be included in the commencement publication. Applications submitted after the end of the term will generally not be processed for degree conferral for the term just past. Exceptions will only be considered for unforeseen circumstances arising after the end of the term and require approval by the department and the Graduate College on a MyUNIverse student request. If the department or Graduate College does not approve a late applicant, the student will need to apply for graduation the next term.

Do not attempt to withdraw your registration by filing a change of registration or withdrawing online. Contact the Office of the Registrar. If all classes are dropped, this is a withdrawal and the information below applies.

**WITHDRAWAL PROCEDURE**

A student who has started attending classes who finds it necessary to withdraw from school initiates the withdrawal through the Office of the Registrar in person or by calling 319-273-2241. Students living in a residence hall also must cancel their housing contract through the Director of the residence hall where they live. **Students with financial aid MUST contact** the Office of Financial Aid and Scholarships.

A student who has registered but decides not to come to the University of Northern Iowa should advise the Office of the Registrar as early as possible, listing all the reasons for withdrawing from the university. **WITHDRAWAL AFTER CLASSES BEGIN WILL RESULT IN A TUITION CHARGE.** If you received financial aid from the university, all or part of this aid may have to be repaid.

**WITHDRAWAL REFUNDS**

If credit is earned during a period of enrollment, there is no refund of academic fees for that period. For any one-, two-, or three-week session, there is no refund. Room and board refunds are made according to the agreement set out in the “Contract for Room and Board”, signed by the student at the time of enrollment.

Tuition is refundable on the basis of the percentage table given below. The effective date of the withdrawal is the date the official withdrawal form is completed in the Office of the Registrar.

Students who withdraw completely prior to the first day of instruction for a semester will not pay any tuition for that semester. If any tuition has been paid, it will be refunded in full. After university instruction begins for a semester, tuition charges or refunds will be made in accordance with the schedule set forth below. For example, if a student withdraws during the first week of classes, 10% of the total tuition will be charged; or, if the total tuition has been paid, 90% will be refunded.

**Please note that the refund schedule only pertains to a withdrawal (all courses are dropped). See the “Change of Registration” section on page 5 for questions on tuition when a portion of the classes is dropped.**
