The Academic Procession

The procession begins with the entrance of the candidates for degrees. Led by faculty marshals, the candidates for the degree of Bachelor of Arts, both the Teaching Program and the Liberal Arts Program, Bachelor of Fine Arts, Bachelor of Liberal Studies, Bachelor of Music and Bachelor of Science enter in groups, representing each of the undergraduate colleges. They are followed by the candidates for the highest degrees.

Students wearing a bronze medallion are those graduating Summa Cum Laude (with highest honors), which represent the top 3% of each college by grade point average; or those graduating students receiving a Purple and Old Gold Award, given to those students who have excelled in scholarship or who have shown conspicuous achievement in particular areas.

The procession continues with representatives of the faculty.

The president's party forms the final section of the academic procession. Headed by the commencement marshal, it includes the president; members of the Iowa Board of Regents; administrative officers; the academic deans; and honored guests.

The individuals leading the procession of the graduates, the faculty and the president's party carry a mace which is a symbol of office. Those individuals are the student body president, the chair of the faculty and the university commencement marshal. Over long tradition, a mace is a symbol of authority and official celebration. The university mace is the largest of the three maces and it embodies the history and dignity of the entire university. The president wears a jeweled "Chain of Office" symbolizing the wearer is the leader of the institution. The silver chain includes links with the names of previous presidents of the institution, as well as previous names of the university.

The academic costumes worn trace their origin to the Middle Ages when long-sleeved hooded gowns were necessary for warmth in the unheated stone colleges. Over the centuries, much diversity occurred, and to bring some order, in the United States in 1894 an intercollegiate system of academic costume was agreed on, now adhered to by American institutions. According to this code, both the styling and colors of the regalia have significance.

The design of the gown indicates the degree. The bachelor's is a simple gown with a full sleeve. The master's gown is much like it except for the long sleeve which hangs loose. The doctoral gown is fuller and more elaborate. It has velvet edging and three velvet stripes on the full sleeve. The color of this velvet may be black or in the color appropriate to the degree.

Hoods, which are worn over the gowns, are similar for all degrees, although differing slightly in length. The candidates for the bachelor's degrees usually do not wear the hood. The hood has a velvet edging which indicates the area of the degree, and the inside or lining of the hood is satin in the colors of the college or university granting the degree.

A partial list of the degree colors to be found on the edge of the hood or the trimming on the doctoral gown is as follows:

- Apricot - Nursing
- Blue, dark - Philosophy
- Blue, light - Education
- Brown - Fine Arts
- Citron - Social Science
- Copper - Economics
- Drab - Business
- Green - Medicine
- Green Sage - Physical Education
- Lemon - Library Science
- Maize - Agriculture
- Orange - Engineering
- Pink - Music
- Purple - Law
- Scarlet - Theology
- White - Arts and Letters
- Yellow Golden - Science and Consumer Sciences
