New students, both graduate and undergraduate, cannot register for classes until all requirements for admission to the university are met.

After admission requirements are met, new graduate students will register in accordance with the procedures set out below for former students.

Former students who are not enrolled for the Spring 2012 semester must file a notice of intent to register with the Registrar's Office at least two weeks prior to registration for Fall 2012. Failure to file this notice of intent to register will delay the registration process.

REGISTRATION PROCESS

Students are encouraged to self-register from a convenient location. Operator assisted registration will also be available at the Registrar's Office.

During advance registration, scheduling assistance will be available in the Registrar's Office 8:00 a.m. - 5:00 p.m. Monday through Friday. Students registering from locations other than the Registrar's Office will be able to access the system 24 hours per day, 7 days per week; any exceptions to availability will be noted by system messages.

The registration system is accessed through MyUNiverse under the Student Center tab. See <http://myuniverse.uni.edu>. Students with questions on registering from off-campus should contact the ITS Consulting Center at (319)273-5555.

If you are accessing MyUniverse for the first time, your initial password is in the format mmd\$nnnnnn where mm is the first 2 letters of your birth month, dd is the 2 digit number of your birth day and nnnnnn is your 6 digit university

ID#. For example, if your birth date is July 4 and your university ID# is 123456, your initial password is ju04\$123456. For security reasons, you are required to **change your password** the first time you log in. Your new password must be at least 8 characters long and must contain at least one alpha, one numeric, and one special character. See the password requirements on the MyUniverse log in screen for a complete listing of requirements. **Keep your password in a secure place. It is required for future access to the system.**

The new web Schedule of Classes allows students to search for course sections offered for a specific semester. There are many new options for searching for course sections in the new student information system.

The Planner allows students to select courses from the course catalog and plan which semesters they would like to enroll in them.

The Shopping Cart allows students to select course sections from the schedule of classes for a given semester, to plan which sections they will attempt to enroll in once the Enroll function becomes available.

The Enroll function becomes available during a student's enrollment appointment and allows students to actually enroll in course sections for a given term.

Enrollment is a separate process from the Planner and Shopping Cart planning activities. Use of the Planner and Shopping Cart does not guarantee enrollment in class sections or add the courses to the student's enrollment; this takes place only during the Enroll process.

It is recommended that students take the following steps prior to registration:

1. Review the information about the enrollment features and Capabilities of the new student information system available at <http://www.uni.edu/sis/content/student-center-help>.
2. Access your registration information in the MyUNiverse Student Center tab. <http://myuniverse.uni.edu>.
 - A. Note your enrollment appointment date and time. Registration can occur on or after the date and time that is listed.
 - B. Note the Holds section. **These must be cleared prior to registration or the system will prohibit you from enrollment.**
 - C. Note the course enrollment requirements and prerequisites for the course sections you plan to register for. Use this information to assist in determining course eligibility.
3. Use the Planner and/or Shopping Cart plan your desired course sections prior to your enrollment date and time.
4. If any desired courses require an approval, please contact the appropriate offices. Approvals will be granted electronically or in writing. Students given written approval must add the course at the Registrar's Office. Verbal approvals will not be acceptable.
5. If any desired courses list other enrollment requirements/prerequisites, please verify that the prerequisites have been met.
6. On or after your enrollment appointment date and time, enroll in the courses.

Students will be able to drop and add classes at any time after their initial registration.

ADVANCE REGISTRATION SCHEDULE

REGISTRATION SCHEDULE - CURRENT AND FORMER STUDENTS

Advance enrollment appointment dates and times for Fall 2012 will be by classification and earned hours at the end of the 2011 Fall term.

Student enrollment appointment dates and times are available in MyUNiverse in the Student Center tab. Students who cannot register on their assigned day/time may register at any later date. Students are advised not to skip class to register for classes. An absence for this reason may be classified as unexcused and may affect the course grade.

OTHER REGISTRATION INFORMATION

LATE REGISTRATION

Registration after August 20, 2012 is considered a late registration. A \$20.00 late registration fee will be charged of all students who register after this date.

CLOSED CLASSES

Written permission to enroll in a class which is closed must be secured from the head of the department in which the course is offered. In some instances the department head may request the student to obtain the instructor's signature to see whether there is room in the class. Then the student will still need to go back to the department head office for final approval.

CHANGE OF REGISTRATION

Students may enroll in a course anytime up to and including one week after the beginning of University instruction. This week shall be defined as seven instructional class days. Beyond that period, but not to exceed three calendar weeks beyond the beginning of University instruction, enrollment will be subject to departmental approval.

Friday, August 31, is the last day to drop a full-semester course without a "W".

Dropping a course without a "W" removes the course from your academic record and is subject to a tuition refund if the drop results in less than fulltime (12 hours undergraduate, 9 hours graduate). Courses dropped after September 1 through October 26 are dropped with a "W" (withdraw) and are not subject to any type of tuition refund. Please note this methodology only pertains to a **portion** of the courses being dropped. When all of the courses are dropped for a semester (total withdraw), the amount of tuition refund is based upon the withdraw date - see the "Withdrawal Refund" section on page 6.

Students desiring to make changes from off-campus may do so through the first seven (7) days.

The change of registration is not effective until the form is filed in the Registrar's Office, and the date filed in the Registrar's Office is the effective date of the change.

CHANGE OF REGISTRATION FEE

The following fees will be assessed per day for changes of registration beginning Tuesday, August 28, 5pm:

- \$10.00 for all *added* courses
- \$10.00 for all *dropped* courses
- (Max daily fee of \$20.00)

STUDENT LOAD

Undergraduates with over a total 2.00 GPA have a maximum load of 18 hours. Undergraduates with under a total 2.00 GPA have a maximum load of 14 hours. All graduate students have a maximum load of 15 hours.

Students who wish to register for a load in excess of their appropriate limit must do the following **prior** to your initial registration.

Undergraduate students must obtain approval at the Registrar's Office, 115 Gilchrist.

Graduate students must complete a student request form electronically through MyUniverse stating your reasons for requesting to take more hours and stating your UNI cumulative GPA. This request will be routed electronically for approvals.

EXPLANATION OF COURSE NUMBERS

The University of Northern Iowa is using a new course numbering system. Resources to support the transition from the old to the new course numbering system can be found at <http://www.uni.edu/catalog/>. Note that the 2012-14 catalog lists both the old and the new course numbers.

Detailed information regarding the course numbering system prior to Fall 2012 and the system effective Fall 2012 may be found at http://www.uni.edu/catalog/sites/default/files/2012-2014_UNI-Catalog_Courses-Only.pdf

SECTION NUMBERS DESIGNATING HALF SEMESTER COURSES

SECTIONS NUMBERED IN THE "80s" (OR "8" AND A LETTER) MEET THE FIRST-HALF OF A SEMESTER. SECTIONS NUMBERED IN THE "90s" (OR "9" AND A LETTER) MEET THE SECOND-HALF OF A SEMESTER.

ENROLLMENT REQUIREMENTS/PREREQUISITES

Enrollment requirements and prerequisites indicate conditions that must be satisfied before enrolling for the course.

The university reserves the right to remove students from courses for which prerequisites have not been met.

AUDITING CLASSES

Courses will default to the graded grading basis. Students wishing to request to audit courses should contact the Registrar's Office.

Students receiving approval to audit may change registration in the first three weeks of fall or spring semester. After that any change would require signatures from the course instructor and the Office of Academic Affairs.

Audit hours are included in the maximum credit hour load a student may take. Students may audit a course, but the fee assessment will be the same as courses taken for credit.

APPLICATION FOR GRADUATION

Seniors who expect to graduate at the end of the Fall 2012 semester must complete an undergraduate graduation application through their Student Center.

Graduate students: *It is the student's responsibility to make a timely application to graduate during the term the final degree requirements are completed.* Application for graduation must be completed online through MyUNiverse Student Center. Paper applications are no longer accepted. A non-refundable graduation fee is charged each term a student applies to graduate. **For participation in commencement, an application to graduate must be submitted by the end of the 12th week of the Fall or Spring term** so that students' names can be included in the commencement publication. After the 12th week, but before the end of the term, students may still apply for degree conferral that term, but their names may not be included in the commencement publication. **Applications submitted after the end of the term will generally not be processed for degree conferral for the term just past.** Exceptions will only be considered for unforeseen circumstances arising after the end of the term and require approval by the department and the Graduate College on a MyUNiverse student request. If the department or Graduate College does not approve a late applicant, the student will need to apply for graduation the next term and pay the graduation fee, but will not have to pay a graduation fee for the late application.

EXTENSION OF CREDIT/EDUCATIONAL LOAN

Registration for classes creates a legally binding financial obligation to pay tuition and fees per official university policy, as summarized in this publication.

You are expected to have made the necessary financial arrangements prior to enrolling for classes. Any financial assistance from the university should be arranged prior to the start of classes through the Student Financial Aid Office. ***You are responsible for making all payments due while a Financial Aid application is in process.***

Your registration for classes constitutes your understanding and acceptance of this responsibility. The university considers this extension of credit to be an "educational loan" under Federal and State laws. This credit is automatically extended to all students.

Every student will need to read and acknowledge the University Billing Terms and Conditions. These terms and conditions outline the billing process and procedures. Students will view this on MyUNiverse via the Student Center tab. The terms and conditions can also be referred to on the Office of Business Operations website www.uni.edu/obo/student_accounts.

UNIVERSITY BILL (u-bill)

All tuition, mandatory fees, lab fees, contracted campus room and meal plan expenses, and other university related charges are electronically billed directly to the student by the Office of Business Operations, Student Accounts. Charges are billed one semester at a time. New charges and/or adjustments are billed monthly throughout the semester.

An electronic University bill (u-bill) is generated on the 1st of every month and due on the 20th - (If the due date falls on a weekend, the due date is the first business day following). An email notification is sent to each student's official UNI email address when the bill is available. Paper bills are NOT sent. Students can view their bill, pay their bill, or enroll in a payment plan online at www.uni.edu via MyUNiverse on the Student Center tab. Students can allow access to their u-bill by creating a username and password for parents or other third parties. Go to MyUNiverse -My Page tab-Third Party Accounts to grant access.

Failure to receive or read an email reminder is not an acceptable reason for not making a payment when due. It is the responsibility of the student to check their u-bill account at least monthly and make required payment by the Due Date.

A sample bill with instructions of how to read it can be viewed at www.uni.edu/obo/student_accounts.

Students must pay their account in full by the end of each semester to avoid registration delays and to receive transcripts or diplomas.

PAYMENT INSTRUCTIONS

U-bill payments can be made by cash, check, or online by e-check. UNI **DOES NOT** accept credit or debit cards as a form of payment for u-bill charges.

Payments must be received BY THE DUE DATE to avoid a 1% late fee and other restrictions. Payments can be made using the following options:

Online via E-check at MyUNiverse-Student Center tab

Cashier's Window at 103 Gilchrist Hall (8 am - 4 pm M-F)

Drop-box located outside of the East Entrance of Gilchrist Hall

Mailing Address:

University of Northern Iowa

Attn: Student Accounts

103 Gilchrist Hall

Cedar Falls, IA 50614-0008

(Please include the student number in the memo section of the check.)

DEFERRED PAYMENT PLAN

The University offers two Deferred Payment Plan options for tuition, mandatory fees, and contracted room and meal plan charges. These plans allow students to make payments in installments each semester. Plan options:

Option 1- UNI Self-Service plan

The UNI Self-Service plan allows students enroll in a 5 month payment plan. All enrolled students are eligible to participate but the student **MUST ENROLL** prior to the first billing due date. To enroll, students need to visit www.uni.edu and log in to MyUNiverse-Student Center tab to complete the online payment plan agreement. There is a \$20 deferred billing fee, per semester, that will be assessed to the student's first bill after enrolling in a plan.

Option 2 - Educational Computer Systems, Inc. (ECSI)

Long-term payment plans are also available through Educational Computer Systems, Inc. (ECSI). This option provides students and families the ability to pay tuition on a monthly schedule for 10, 11, or 12 months. To take advantage of this option, visit www.ecsi.net or call 1-866-927-1438 to enroll. There is a \$65 annual enrollment fee. For the ECSI payment plan schedule, visit www.uni.edu/obo/student_accounts.

Students participating in the ECSI plan make monthly payments, directly to ECSI, beginning as early as May 1. All payments will be due on the first of every month. Payments not received by the first of the month may be subject to account termination. If a student's account is closed, they are required to pay all

university charges directly to UNI.

REFUNDS

When payments and/or Financial Aid credits are greater than the total charges, the result is a refund. Refunds are deposited electronically into the student's checking or savings account via direct deposit. Students must enroll at www.uni.edu via MyUNiverse-Students Center. It is the responsibility of the student to ensure the accuracy of their bank routing and account numbers to avoid delays in receiving their funds. Once enrolled, students will receive an automatic email notification each time that a refund has been sent to their bank account. Students are encouraged to verify receipt of funds with their bank prior to conducting any transactions.

Refunds will be issued if the amount is \$1 or greater. Credit balances below \$1 will be held on account to pay additional u-bill charges throughout the semester.

The University will initiate direct deposit refunds daily beginning the first week prior to classes starting through the second week of classes to accommodate increased financial aid disbursements. Beginning the 3rd week of each semester, direct deposits will be initiated on Monday, and Wednesday and Friday each week. If a student has not set up direct deposit, a paper refund will be issued.

Paper refunds are printed weekly on Friday and held for pick up at the Cashier's window in Gilchrist 103. Students are required to provide valid identification when picking up their check. Checks not picked up within 14 days will be mailed to the student's permanent address. As a result, the receipt of funds will be significantly delayed compared to direct deposit.

Parents can also have the Parent Plus Loan deposited directly to their bank by completing the Parent Plus Loan Direct Deposit Authorization form which can be found on the Office of Business Operations website www.uni.edu/obo/student_accounts.

WITHDRAWING FROM SCHOOL

The information set forth below applies to students who withdraw completely from school. Dropping one or more classes does not constitute a withdrawal unless the student drops all classes for which he or she is registered. Do not attempt to withdraw your registration by filing a change of registration. Contact the Registrar's Office. If all classes are dropped, this is a withdrawal and the information below applies.

WITHDRAWAL PROCEDURE

A student who has started attending classes who finds it necessary to withdraw from school initiates the withdrawal through the Office of the Registrar in person or by calling 319-273-2241. Students living in a residence hall also must cancel their housing contract through the Director of the residence hall where they live. **Students with financial aid MUST contact the Office of Financial Aid (see page 11-12).**

A student who has registered but decides not to come to the University of Northern Iowa should advise the Registrar's Office as early as possible, listing the reasons for withdrawing from the university.

WITHDRAWAL AFTER CLASSES BEGIN WILL RESULT IN A TUITION CHARGE.

If you received financial aid from the university all or part of this aid may have to be repaid.

WITHDRAWAL REFUNDS

If credit is earned during a period of enrollment there is no refund of academic fees for that period. For any one-, two-, or three-week session there is no refund. Room and board refunds are made according to the agreement set out in the "Contract for Room and Board" signed by the student at the time of enrollment.

Tuition is refundable on the basis of the percentage table given below. The effective date of the withdrawal is the date the official withdrawal form is completed in the Office of the Registrar.

Students who withdraw completely prior to the first day of instruction for a semester will not pay any tuition for that semester. If any tuition has been paid, it will be refunded in full. After university instruction begins for a semester, tuition charges or refunds will be made in accordance with the schedule set forth below. For example, if a student withdraws during the first week of classes, 10% of the total tuition will be charged; or, if the total tuition has been paid, 90% will be refunded.

Please note that the refund schedule only pertains to a withdrawal (all courses are dropped). See the "Change of Registration" section on page 7 for questions on tuition when a portion of the classes are dropped.

The schedule for charging or refunding tuition for the Fall 2012 semester is as follows:

Dates	Percent Refund
Before August 20	100
August 20-24	90
August 27 - August 31	75
September 3-7	50
September 10-14	25

MISCELLANEOUS INFORMATION

CHANGING OF NAME

The name on the student record should be the student's complete and legal name. In evaluating and processing all name changes, the university reserves the right to require adequate and appropriate documentation as warranted.

GRADE REPORTS

Students can access grades using their CatID and password. Grades may be accessed at MyUNiverse <http://myuniverse.uni.edu> in the Student Center tab. Copies of grade reports are not sent to parents without the authorization of the student. Such authorization may be signed at the Registrar's Office.

GRADE POINT AVERAGE

Grades are evaluated in terms of quality points. For each hour of A earned, the student is credited with 4 grade points; for each B, 3; each C, 2; D, 1; F, 0. One third of a quality point is added for every hour in which a plus (+) is earned. One third of a quality point is subtracted for every hour in which a minus (-) grade is earned. Grades of A+, F+, or F- are not assigned. The grade index is determined by dividing the number of grade points by the number of hours of load.

Example:

	Hours	Grade	Grade Points
Introduction to Literature	3	C+	6.99
Humanities I	4	C	8
Introduction to Psychology	3	C-	5.01
Calculus I	4	D	4
Total	14		24

Grade point average is 24 divided by 14 for a 1.71.

Hours of credit/no credit, withdrawal and/or incompletes are not used in determining your grade point average.

WARNING - PROBATION - SUSPENSION

An undergraduate student is placed on warning, probation, or suspension when his/her UNI and/or total cumulative grade point average is less than 2.00. The status is determined by the number of grade points **deficient** from the number needed to obtain a 2.00 grade point average. If the grade point deficiency warrants it, the student may be placed on academic suspension without having previously been on warning or probation status.

To determine grade point deficiency, double the total of attempted graded hours. If the actual number of grade points is less than this total, there is a grade point deficiency. In the example above the sample student had 14 hours and 24 grade points. In the example above, grade point deficiency is determined as follows: $(14 \times 2) - 24 = 4$. In this case the student is 4 grade points deficient from obtaining a 2.00.

A grade point deficiency of 1 through 5 grade points places the student on academic warning.

Academic probation and suspension status is determined as follows:

Students with 29 or fewer graded hours:

probation 6 through 13 deficiency points of obtaining a 2.00

suspension 14 or more deficiency points of obtaining a 2.00

Students with 30-59 graded hours

probation 6 through 11 deficiency points of obtaining a 2.00

suspension 12 or more deficiency points of obtaining a 2.00

Students with 60 or more graded hours

probation 6 through 9 deficiency points of obtaining a 2.00

suspension 10 or more deficiency points of obtaining a 2.00

Academic suspension is for a minimum period of one academic year. Only the most extenuating circumstances would warrant consideration for readmission before one academic year has elapsed.

The university has very generous provisions for a student to drop courses during a semester, or to withdraw from school without serious academic penalties. However, there are times when repeated withdrawals or dropping of courses may raise questions as to the serious intent of the students, and they may be suspended.

Readmission After Suspension: A student who has been suspended may be readmitted only after applying for readmission in writing and receiving favorable action on the application from the Committee on Admission and Retention. Applications for readmission may be secured from and filed with the secretary of the Committee in the Office of the Registrar. The completed application and all supporting documents must be received in the Office of the Registrar at least **SEVEN CALENDAR DAYS PRIOR TO THE BEGINNING OF THE TERM** for which the student is requesting enrollment.

Upon readmission, students **must earn** a minimum of a 2.00 grade point average **each term** they are enrolled until their cumulative grade point average is 2.00 or higher. Failure to earn a 2.00 or higher grade point average in any semester following readmission will cause the student to be suspended again. Academic suspension for a second time is considered permanent. Only the most extenuating circumstances would warrant consideration for readmission a second time.

VOTER REGISTRATION

You may obtain voter registration information from the Office of the Registrar or by accessing the Web site <http://www.sos.state.ia.us/elections/VoterInformation/VoterRegistration.html>. (Iowa Code 48A.23)

ACADEMIC ADVISEMENT REPORT

All degree-seeking, active students who entered UNI summer 2006 or later will receive an Academic Advisement Report. The purpose of this report is to provide you with information on how the courses you have completed and are currently registered for apply to your degree requirements. This report is to serve as your guide for scheduling classes. Interactive Academic Advisement Reports are accessible to students on the web via Student Center, Other Academic Reports dropdown, Academic Requirements. Students who entered UNI prior to summer 2006, who do not have complete Advisement Reports, should contact their Record Analyst in the Registrar's Office. Post-Baccalaureate undergraduate students do not have an Academic Advisement Report and should contact the Registrar's Office for their degree requirements.

We have endeavored to show the results of any special student requests you may have had approved. These actions will most likely be shown by course directives and explained in Notes field reference; and requirement changes as noted in the unit/course requirement areas on the report.

In-Progress (non-graded) courses show on the Academic Advisement Report as satisfying requirements and unit/course counts. However, unsuccessful completion will remove the course from the requirement and the unit/course counts.

Your Academic Advisement Report is divided into sections, based on the degree and plans (majors/minors) you have declared. We hope you will find your Academic Advisement Report to be a valuable tool for advising meetings and charting your progress towards your degree. If you have questions about your report please contact your academic advisor, the Office of Academic Advising or your Record Analyst in the Registrar's Office.

AMERICANS WITH DISABILITIES ACT

It is the policy of the University of Northern Iowa to fully comply with the stated provisions of the Americans with Disabilities Act, 42 U.S.C.A., Section 12101, et seq ("ADA"). The ADA states that "no qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs or activities of a public entity, or be subjected to discrimination by any such entity."

The university is committed to the philosophy that students, staff, faculty or visitors with qualifying disabilities will be provided reasonable accommodation.

The Office of Student Disability Services also has voter registration services available to those with disabilities. (Also refer to "Voter Registration" information on this page.)

STUDENT RECORDS

The University of Northern Iowa adheres to the Family Educational Rights and Privacy Act of 1974 as amended. Students who have questions concerning their rights under this Act may contact the Registrar's Office for pertinent information.

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the university receives a request for access.

Students should submit to the registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The university official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the university official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student's education records that the student believes are inaccurate or misleading.

Students may ask the university to amend a record that they believe is inaccurate or misleading. They should write the university official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the university decides not to amend the record as requested by the student, the university will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the university in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the university has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Regents; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the university discloses education records without consent to officials of another school, in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by University of Northern Iowa to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue SW, Washington, D.C. 20202-4605.

Based on an institutional adjudged determination of "need to know" the university may release the following "Directory Information" to anyone who requests it without the consent of the student unless the student has requested the university not to release any or all of the information.

Please note: Restricted directory information will be released when necessary to perform required administrative duties related to your enrollment at the university.

2. College.
3. Curriculum major(s) and minor(s).
4. Classification (Year in school).
5. Participation in recognized organizations, activities, and sports.

STUDENT RIGHT TO KNOW ACT (Public Law 101-542)

Federal law requires all institutions of higher education to provide graduation rates to current and prospective students. Our most recent analysis shows that 65.0 percent of the students who enter the University of Northern Iowa graduate within the six-year completion period established by the law. This percentage does not include students who continued to be enrolled at UNI after six years or students who transferred to other colleges and universities. In a recent study of universities comparable to UNI, their mean graduation rate after six years was 48 percent. If you wish additional information regarding student retention and persistence to graduation at UNI you may contact the Registrar's Office.

POLICY ON MAKE-UP WORK AND MISSED CLASSES

It is the expressed focus of the University of Northern Iowa to further the educational development of each of its students. On occasion events will necessitate a student's absence from class. In order for both faculty and students to effectively plan for these absences, the following procedures are recommended.

1. All parties involved should be made aware of scheduled absences well ahead of the date(s) of absence. In the case of extra-curricular activities, a semester-long schedule should be prepared and distributed at the beginning of the semester. In instances where semester-long schedules are not feasible, two weeks written notification shall be given for all absences. This notification shall take place even if the absence is potential rather than definite. Assuming that appropriate notification has been

provided, students and faculty shall mutually agree as to how assignments, lectures, exams, etc. shall be made up. The type and extent of make-up work shall be at the discretion of the faculty member.

2. Occasionally there will occur situations where two weeks notice is impossible. On these occasions, students, faculty, and others concerned should work closely together to ascertain whether special arrangements can and/or should be made.
3. Faculty shall not penalize a student for missing a class or exam for an educationally-appropriate activity, including university sponsored or sanctioned events.
4. Where situations of irreconcilable disagreement occur which are not resolved at the department level, a panel comprised of the Vice President for Academic affairs, or that officer's designee, the Department Head of the academic department involved, and a representative of the extra-curricular program (where applicable) shall meet at their earliest convenience with the faculty member and the student to mediate the matter.

UNI EQUAL OPPORTUNITY POLICY

Purpose: To provide guidelines regarding equal opportunity at the university in compliance with applicable federal and state nondiscrimination and affirmative action laws and regulations.

Policy Statement:

The university has established its equal opportunity policy as follows:

No person shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination in employment, any educational program, or any activity of the University, on the basis of age, color, creed, disability, gender identity, national origin, race, religion, sex, sexual orientation, veteran status, or on any other basis protected by federal and/or state law.

The University of Northern Iowa seeks to prohibit discrimination and to promote affirmative action in its educational and employment policies and practices.

President's Cabinet, Approved 04/01/02*

For additional information, contact the Office of Compliance and Equity Management, 117 Gilchrist, University of Northern Iowa, Cedar Falls, IA 50614-0028, (319) 273-2846, or visit www.uni.edu/equity.

UNI DISCRIMINATION AND HARASSMENT POLICY

Purpose: To provide guidelines regarding discrimination and harassment applicable to the entire university.

Policy Statement: It is the policy of the University of Northern Iowa that there will be equal employment and educational opportunity without regard to age, color, creed, disability, gender identity, national origin, race, religion, sex, sexual orientation, veteran status, or any other basis protected by federal and/or state law. This includes the provision of a campus environment that is free from illegal discrimination and harassment. The University will not tolerate any form of illegal discrimination or harassment and will not condone any actions or words that constitute such.

All members of the University community are accountable for compliance with this policy. The University is committed to eliminating illegal discrimination and harassment, wherever they occur in the University community, by taking corrective action as a result of violations of this policy. Violations may lead to disciplinary action up to and including separation from the University.

Discrimination: Discrimination occurs when an individual is treated adversely because of that individual's membership in one of the legally protected groups listed above.

Harassment: Harassment occurs when unwelcome conduct based on an individual's membership in a protected group unreasonably interferes with the individual's work or academic environment.

Sexual Harassment: Sexual harassment occurs when an individual is subjected to unwelcome sexual advances, unwelcome requests for sexual favors, or other unwelcome verbal or physical conduct of a sexual nature when:

1. Submission to such conduct is made explicitly or implicitly a term or condition of an individual's employment or academic standing;
2. Submission to or rejection of such conduct by an individual is used as the basis for employment decisions or academic decisions affecting the

individual; or

- 1) Such conduct has the purpose or effect of unreasonably interfering with an individual's work or academic performance or creating an intimidating, hostile, or offensive working, academic, or social environment.

Consensual Relationships: Consensual romantic and/or sexual relationships where a power differential exists, whether real or perceived, may constitute sexual harassment. The effect of such a relationship may render an individual's work, academic, or social environment intimidating, offensive, or hostile. Further, the individual with the power in the relationship will bear the burden of responsibility should a complaint of sexual harassment be filed. Hence, all University employees are strongly discouraged from entering into romantic and/or sexual relationships, which could lead to the creation of a hostile educational, social, and/or work environment for other members of the University community.

Confidentiality: Complaints of discrimination or harassment filed with the University will be treated with the utmost privacy possible to the extent allowed by law, while also assuring a complete investigation. University personnel involved in or responsible for any aspect of a complaint shall maintain such confidentiality throughout the processing of the complaint.

Should the complainant publicly discuss the complaint, the University shall be relieved of its confidentiality obligations related to the disclosed information under this policy.

Retaliation: The University seeks to create an environment where its students and employees are free, without fear of reprisal, to use these procedures to determine if there has been a violation of their civil rights. Any act of retaliation will result in appropriate disciplinary action. Similarly, persons who use this process to bring frivolous or otherwise bad faith allegations against an employee shall be subject to disciplinary action.

Reporting Responsibilities: All University employees in a supervisory capacity are required to report to the Office of Compliance and Equity Management any allegation of discrimination and/or harassment of which they are made aware. The confidentiality of all parties will be honored to the extent legally allowed and which provides for an appropriate investigation. Persons seeking information or guidance concerning potential discrimination or harassment allegations are advised that the University may need to take action once it is informed of an allegation whether or not the person wants to pursue a complaint.

Non-supervisory employees are strongly encouraged to report allegations of discrimination and/or harassment to any supervisor or directly to the Office of Compliance and Equity Management.

Disabilities: In order to receive assistance with requests for accommodations, a student with a disability must contact the Office of Student Disability Services. An employee with a disability who wishes to request an accommodation should contact his/her supervisor or the coordinator of employee disability services located in Human Resource Services. A visitor with a disability who wishes to request an accommodation should contact Human Resource Services. If an employee or student feels his/her rights under the Rehabilitation Act of 1973 and/or the Americans with Disabilities Act of 1990 have been violated, they may consult with the Office of Compliance and Equity Management and/or utilize the following procedures.

Procedure for Resolution: An allegation of discrimination and/or harassment against a University employee, vendor, or other third party should be addressed to the Office of Compliance and Equity Management. An allegation against a student should be reported to the Dean of Students and will be resolved through student conduct procedures.

Except in cases involving criminal activity and/or sexual assault, an employee or student alleging discrimination and/or harassment under this policy is encouraged to discuss the allegation with the head of the department in which the alleged discrimination and/or harassment occurred. The department head will then consult with the Office of Compliance and Equity Management to determine an appropriate course of action. If it is determined to be appropriate, an attempt to facilitate an informal resolution of the matter will be made. In the event that an informal resolution is not reached, is not appropriate, or is not pursued, the student or employee may consult with the Office of Compliance and Equity Management to initiate a formal investigation. If, at any time, the employee or student is not comfortable addressing the department head, the Office of Compliance and Equity Management may be contacted directly.

Note: If an allegation includes actions that involve criminal activity and/or sexual assault, the individual is strongly encouraged to file a report with UNI Police. Such reports will not be handled informally within the department.

The Office of Compliance and Equity Management will provide a complaint form, which the complainant will then complete and return. The complaint will describe the alleged discrimination and/or harassment, the specific type of discrimination and/or harassment being alleged, and name of person(s) against

whom the complaint is being filed.

The Office of Compliance and Equity Management will acknowledge the receipt of the complaint in writing and will also notify in writing the following parties: the accused person and his/her department head/director, dean, vice president, and the president. When deemed appropriate by the Office of Compliance and Equity Management, the complainant is given the option to resolve the complaint through mediation rather than investigation. Only if both the complainant and accused agree to mediation will that option be utilized. In the event that either party declines mediation, the Office of Compliance and Equity Management will conduct an investigation of the alleged discrimination and/or harassment charges. Cases of sexual harassment will generally not be considered for mediation.

Following is the process for the investigation of complaints which have not been resolved through mediation:

A person designated by the Office of Compliance and Equity Management will initiate an investigation into the allegations. A typical investigation will involve meeting with the person filing the complaint, the person(s) named in the complaint, and with other persons who may have knowledge relevant to the investigation.

The Assistant to the President for Compliance and Equity Management will receive a report of the investigation from the designated investigator. S/he will render a finding of sufficient or insufficient evidence that this policy has been violated. This determination will be based upon the evidence obtained as a result of the investigation process. The complainant and the accused will be notified of the finding in writing. The accused person's department head/director, dean, vice president, and the president will also be notified.

In the event that there is a finding of a violation of University policy, the vice president of the accused will determine appropriate disciplinary sanctions based on the recommendation from the Office of Compliance and Equity Management, and will notify in writing the accused and the Office of Compliance and Equity Management of his/her decision. This written decision must be issued within fifteen working days of the date of the notice from the Office of Compliance and Equity Management. If the vice president serves as a party or witness in an investigation, the notice will be sent to the president for determination of disciplinary sanctions. This is the conclusion of the internal procedures under this policy.

STANDARDS OF SATISFACTORY ACADEMIC PROGRESS FOR FINANCIAL AID ELIGIBILITY

The University of Northern Iowa has established requirements of Financial Aid Satisfactory Academic Progress (SAP) that all students must meet in order to be eligible for financial aid. The financial aid programs affected include, but are not limited to, all federal, state, and institutional aid including private education loans.

Financial Aid Satisfactory Academic Progress Requirements and Review Process

Financial Aid Satisfactory Academic Progress is evaluated yearly at the end of each spring semester for the previous Summer, Fall, and Spring semesters. To maintain eligibility for financial aid, students must meet the following three criteria:

- 1) **Minimum GPA:** Undergraduate and 2nd BA students must maintain a minimum 2.0 UNI GPA for coursework taken at UNI. Graduate students must maintain a minimum 3.0 UNI GPA.
- 2) **Pace of Progression:** Students must complete 67% of all coursework attempted at UNI. Attempted hours are based on enrollment at the end of the first two weeks of class during a semester. Only grades of **A, B, C, D, X, Cr, or P** are counted as meeting the required hours. Failed classes, withdrawn classes, and incomplete grades do not count as completed credit hours and will negatively affect the SAP calculation.

Example: A student has attempted 114 credits at UNI. Out of the 114 credits attempted, he has successfully completed a total of 87 credits (76% of the coursework attempted), thus meeting this standard of academic progress.

- 3) **Maximum Time to Complete a Degree:** Students who have completed all course and hour requirements to earn a degree will no longer qualify for financial aid. Students completing a double major or minor in conjunction with their first degree will no longer qualify for financial aid once the requirements for the initial degree are met.

Undergraduate students are also required to complete a degree within **12 full-time equivalent semesters** (18 three-quarter time semesters or 24 half-time semesters). Second BA and graduate students are required to complete a degree within **6 full-time equivalent semesters** (9 three-quarter time semesters or 12 half-time semesters). Transfer credits are counted toward the maximum timeframe to complete the degree. Students cannot receive financial aid for more than

one degree at a time.

NOTE: The credit hours from a repeated course are counted as attempted hours every time the course is repeated. Once the course is passed, then the credit hours are counted as both attempted and completed credit hours.

Financial Aid Suspension Status

Financial Aid Satisfactory Academic Progress is reviewed on an annual basis following the conclusion of the Spring semester. Students must meet all three academic requirements (see above) at the time of review or they will be placed on Financial Aid Suspension. Students placed on Financial Aid Suspension **MUST** appeal to have their aid reinstated for upcoming semesters at UNI. Students who have successfully appealed will be placed on Financial Aid Probation or Financial Aid Academic Plan status, allowing them to receive aid based on conditions set forth by the Office of Student Financial Aid.

Financial Aid Probation Status

Financial Aid Probation is available for a maximum of one semester for students who have successfully appealed to have their aid reinstated. Students on Financial Aid Probation must continue to adhere to the Financial Aid Satisfactory Academic Progress Policy outlined above and any other conditions listed on the Appeal Approval Contract. Students on Financial Aid Probation status are reviewed at the end of each semester. Students not making progress toward the terms of their appeal contract will have their aid suspended and must appeal before a committee to have their aid reinstated.

Financial Aid Academic Plan

If it is not possible for the student with an approved appeal to achieve minimum Financial Aid Satisfactory Academic Progress standards within one semester, the student will be maintained on an Academic Plan. While on Financial Aid Academic Plan, students must meet all Financial Aid Academic Progress standards each semester. The conditions for the approved appeal will continue each term until the student meets the minimum standard(s) or fails to meet the conditions of the approved appeal. If the student fails to meet the appeal conditions, the student's account will revert to Suspension Status indicating that the student is ineligible for aid.

Reinstatement of Financial Aid

Students placed on Financial Aid Academic Progress Suspension have the opportunity to appeal and/or have their previous grades reviewed by the Office of Student Financial Aid. Students have the following options for reinstatement:

- 1) **Meet all Financial Aid Satisfactory Academic Progress requirements.**
 - Undergraduate students must improve their UNI GPA to the 2.0 minimum with graduate students meeting the 3.0 UNI GPA minimum requirement, and
 - By meeting the 67% course completion standard.
- 2) **Initiate the financial aid appeal process.** Financial Aid appeals must demonstrate extenuating circumstances that impeded the students' ability to make progress academically. All appeals must be accompanied by third party documentation of the circumstances encountered as well as an academic plan of study (signed by an academic advisor or a record analyst in the Registrar's Office). Examples of extenuating circumstances include but are not limited to:
 - Personal or Family Emergency
 - Serious Medical Issues
 - Psychological Illness
- 3) **Review of grade changes to previously deficient course grades.** Students experiencing grade changes that may reinstate their eligibility should contact the Office of Student Financial Aid to have their academic progress reviewed.

The successful reinstatement of financial aid is not reflective of decisions regarding Registrar academic suspensions. Students on academic suspension should visit with the Registrar's Office regarding reinstatement to UNI.

Financial Aid Appeal Process and Deadlines

An appeal process is in place for those experiencing extenuating circumstances that affected their ability to meet the Financial Aid Satisfactory Academic

Progress standards. Appeal forms may be obtained from the Office of Student Financial Aid or online at www.uni.edu/finaid/academic-progress. **Appeals must be submitted no later than the end of the second week of classes following the suspended semester or within 14 calendar days of the date on the academic progress letter. It is recommended that students submit their appeals as soon as possible to avoid processing delays.**

All appeals must be accompanied by third party documentation of the circumstances encountered, a description of how circumstances have changed to allow for future academic success, as well as an academic plan of study (signed by an academic advisor or a record analyst in the Registrar's Office) demonstrating that the student can successfully meet Financial Aid Academic Progress policy within a reasonable amount of time, thereby allowing them to matriculate toward their degree within the timeframe set forth within the above policy. Reinstatement of the financial aid is contingent upon the availability of the funds at the time the appeal is approved. Approved appeals require a signed contract to be returned to the Office of Student Financial Aid.

Denied Financial Aid Appeals

Students denied financial aid eligibility may continue attending UNI by funding their own education. If students meet all of the progress standards in the future, they must contact the Office of Student Financial Aid to request a review of their financial aid status.

GRANT ADJUSTMENT

Grants are need-based aid. The dollar amount of grants on your award is based on full-time enrollment, 12 hours per semester for undergraduates and 9 hours per semester for graduates. The actual amount of your grant(s) will be pro-rated if you are registered less than full-time. Due to the availability of federal, state and institutional funds, some types of aid are not awarded in conjunction with each other.

The Office of Student Financial Aid monitors semester hours of enrollment for students who are receiving financial aid. Students who drop courses during the first two weeks of classes (but are still enrolled) will have their grants reduced accordingly. Students who drop courses after the first two weeks of the semester (but are still enrolled) will not have their financial aid adjusted. If you have any questions regarding grants including how they may be affected by adding or dropping a class, please contact the Office of Student Financial Aid, 319-273-2700.

GUIDED INDEPENDENT STUDY, CAMP ADVENTURE, AUDITED COURSES

Financial aid is not available for Guided Independent Study, Camp Adventure, or audited courses. If you have any questions regarding this policy, please contact the Office of Student Financial Aid at 319-273-2700.

STUDENT LOAN OVERVIEW

Direct Stafford Loans, from the William D Ford Federal Direct Loan Program, are low-interest loans for eligible undergraduate and graduate students to help cover the cost of higher education. These federal loans are borrowed directly from the U.S. Department of Education at participating schools. These loans do not require a credit check. A small origination fee is withheld from the loan when it is disbursed to you. You do not have to make payments on Direct Stafford Loans while you are enrolled at least half-time (deferment). You also have a six month grace period after you graduate or drop below half-time enrollment before you begin repayment.

There are two types of Federal Stafford Loans: subsidized and unsubsidized.

1. **Direct Subsidized Loans** provide fixed low interest rates (3.4% for undergraduate students beginning 7/1/2011, 6.8% for graduate students) and are available to students who demonstrate financial need based on the results of the Free Application for Federal Student Aid (FAFSA). You are not charged interest on these loans while you are in school at least half-time and during grace periods and deferment periods.

2. **Direct Unsubsidized Loans** provide fixed low interest rates (6.8%) and are available to students regardless of financial need (although the FAFSA still must be filed). Interest accrues on an unsubsidized loan from the time it is first disbursed to you. You can pay the interest while you are in school or allow it to accrue and be capitalized (added to the principal of the loan) upon repayment.

ACCEPTING LOANS

Students can accept their Direct Loans by completing the following steps:

All loans must be accepted, reduced, or declined on the student's online Award Notification, found within the Student Center on MyUNiverse.

If students are borrowing Direct Loans at UNI for the first time, they must complete a Direct Loan Master Promissory Note (MPN) and Direct Loan Entrance Counseling online at www.studentloans.gov (using their FAFSA PIN) before they are eligible to receive their loan proceeds.

The MPN covers both the Direct Subsidized loan and the Direct Unsubsidized loan. The MPN does not show a specific loan amount because it also serves as the promissory note for future Direct Loans at UNI (valid for up to 10 years). The amount of subsidized and unsubsidized loans a student is eligible to receive is included on the Award Notification. By completing the MPN, students are agreeing to repay to the US Department of Education all loans made to them under the terms of the MPN. Direct Loan funds cannot be disbursed until the MPN is submitted and approved by the Department of Education. Processing of the loan(s) usually takes one week if the MPN is completed electronically, and up to three weeks if a paper MPN is completed.

THE MAKING UP OF INCOMPLETE WORK

To receive credit for course work a student is required to be in attendance for the full semester. Exceptions to this rule are rarely made.

Work lost because of absence due to illness, or other extenuating circumstances, may be made up, but arrangements for making up work missed are made between the student and the instructor.

Work left incomplete at the end of a semester or summer session will be reported as a Failure unless a report of Incomplete (I) has been authorized by the instructor. The I is restricted to students doing satisfactory work in the class who, because of extenuating circumstances, are unable to complete the work of the course. The I is limited to assigned work during the final sixth of the term. If a course is reported as Incomplete, a student is not prevented from registering for another course for which the incomplete course is a prerequisite. Work reported as Incomplete for undergraduate students must be completed within six months from the time at which the report was made. If the work reported as Incomplete is not made up within six months, it is automatically entered as a Failure on the student's record. However, if for sufficient cause an Incomplete cannot be removed in six months, request for an extension of the time may be made to the instructor of the course. The extension, if approved, is for a period of up to another six months as designated by the instructor.

Work reported as Incomplete for a fall semester for graduate students must be completed by June 1. Work reported Incomplete for graduate students in the spring semester or in the summer session must be completed by January 1. The exact length of time to remove the incomplete within the above guidelines, is set by agreement between the instructor and the student. If the work reported as incomplete is not made up by the deadline, it is automatically entered as a Failure on the student's record.

Any requests for an exception to the above guidelines for graduate students must be submitted in writing to the Graduate College. Only under the most unusual circumstances would requests for additional time be approved. Some courses continue beyond the normal ending date of the semester or session. In such cases the initial grade reported will be an RC which means Research or Course Continued. Once the extended instructional period is finished the RC grade will be replaced with the A-F grade assigned by the instructor.

OTHER EXAMINATION INFORMATION

The examination schedule applies both to faculty and students. Unless previous arrangements have been made, it is expected that the official Schedule will be followed.

A comprehensive final examination, if required, must be administered at the time indicated on the final schedule. No final comprehensive examination shall be administered to a class within the last two weeks prior to the officially scheduled final examination period (excluding summer sessions or half-semester courses). In the week prior to the beginning of the final examination period, unit tests, papers, projects, and other assignments are permissible if announced in the course outline/assignment sheet/syllabus or prior to midterm.

For those classes which do not, in the instructor's judgment, require a final comprehensive examination the time of the officially-scheduled final examination will be used for other appropriate class activities, such as evaluation, reports, performance, or regular class work. Therefore, it is expected that the class will meet at the time of the officially-scheduled final examination, whether or not a final examination is administered.

The department heads shall have the responsibility for seeing that the final examination schedule and the relevant policies are followed. Students may report policy violations to the appropriate department head, in accordance with the university academic grievance procedures.

Student requests to take final examinations at times other than as scheduled will be granted for only the most urgent reasons. Excessive examination load, three on one day, is a justifiable reason for a change.

To request a change in the examination schedule, a student must:

1. Prepare a "Student Request" form (available from your advisor or department head) for each request. State the request and the reason for it.
2. A change in the examination time of an individual course must be approved by the instructor and the department head.
3. A request to change all exams must be approved by the Assistant Vice-President for Academic Affairs.

Communication Studies COMM

The Department of Communication Studies enforces priority registration for several courses during the advanced registration period. Only those students with FULLY DECLARED MAJORS AND/OR DECLARED MINORS will be permitted to register for those classes indicated by a Priority description. Pre-majors and others should sign up on waiting lists. Some classes are reserved for declared majors/minors only. Only those students fully admitted will be allowed to register for these courses.

Students must follow the policies and procedures published in the CS Guide to Registration. The CS Guide to Registration is available on the web page (<http://www.uni.edu/comstudies/>.) Or in LNG 326. This guide explains priorities for registration and dates for wait lists.

All students taking courses from the Department of Communication Studies must attend the first two classes or the first night class or they MAY BE DROPPED FROM THE COURSE. Students must verify their enrollment with the Registrar's Office if they have missed a class.

If your equivalent course did not use the Python programming language, it is not a big problem. The same introductory programming concepts apply. You will just need to do some additional reading in the textbook (Chapters 1-10) to understand the Python syntax of `if` statements, `for` statements, etc. The textbook author has an overview of all the essential differences between Python, Java, and C++ at his web-site: <http://home.wlu.edu/~lambertk/python/>. Plus, there are many free, on-line Python tutorials at <http://www.python.org/>

The College of Business enforces priority registration. During advance registration business course registration is restricted. Only those students with declared majors requiring designated business courses will be permitted to register for those specific courses pending satisfactory completion of course prerequisites.

Students registering and enrolling for Economics courses must follow the policies and procedures published in the CBA Guide to Registration available in CBB 5 or online at <http://business.uni.edu/web/pages/currentstudents/advisingcenter-registration.cfm>

All students taking courses from the College of Business Administration must attend the first two classes or the first night class or they MAY BE DROPPED FROM THE COURSE. Students must verify their enrollment with the Registrar's Office if they have missed a class.

Students who place their names on waiting lists should follow the CBA waiting list procedure mapped out in the Guide to Registration and check at <http://business.uni.edu/web/pages/currentstudents/advisingcenter-waitinglists.cfm> for possible course openings.

Waiting lists for all 4000-3000 level courses will be posted on April 19, 2012.

Waiting lists for all 1000-2000 level courses will be posted on May 1, 2012.

Educational Psychology EDPSYCH

ORIENTATION TO TEACHER EDUCATION: Students are REQUIRED to attend a 1 hour orientation session. Times for these sessions are 4:00-5:00 p.m. Tuesday, September 11 or 5:00-6:00 p.m. Wednesday, September 12th or 5:30-6:30 p.m. Thursday, September 13th in SEC 244/245.

All teacher education majors must complete a SING criminal background check through the Office of Teacher Education prior to the start of their first field experience. The University of Northern Iowa Teacher Education Program uses the Iowa Single Contact License and Background Check system. This process includes a check of the Iowa Sex Offender and Child Abuse Registries and the records of the Iowa Division of Criminal Investigations. The cost of this background check is \$20 cash, or check payable to UNI. Forms and directions may be picked up in SEC 159A during normal business hours. Information is also available at: <http://www.uni.edu/teachered/sing-background-check>.

Any form of criminal conviction (other than speeding or parking tickets) can make earning a teaching license and/or finding employment as a teacher more difficult. In some cases, the Iowa Board of Educational Examiners may refuse to license a convicted criminal. Some schools and school districts will not hire convicted criminals even when they are licensed teachers. Students with criminal convictions are encouraged to contact the Iowa Board of Educational Examiners (<http://www.boee.iowa.gov/>) regarding their likely eligibility for an Iowa teaching license given their particular criminal conviction history. Please note that deferred judgments are considered criminal convictions and are considered by the Iowa Board of Educational Examiners when making licensing decisions.

Management MGMT

The College of Business Administration enforces priority registration. During advance registration, business course registration is restricted. Only those students with declared academic plans (majors) requiring designated business courses will be permitted to register for those specific courses pending satisfactory completion of course prerequisite(s).

Students registering and enrolling for Management courses must follow the policies and procedures published in the CBA Guide to Registration available in CBB 5 or online at <http://business.uni.edu/web/pages/currentstudents/advisingcenter-registration.cfm>

All students taking courses from the College of Business Administration must attend the first two classes or the first night class or they MAY BE DROPPED FROM THE COURSE. Students must verify their enrollment with the Registrar's Office if they have missed a class.

Registration for 3000-level courses requires a Declared academic plan (major) and 60 credit hours.

Students who place their names on waiting lists should follow the CBA waiting list procedure mapped out in the Guide to Registration and check at <http://business.uni.edu/web/pages/currentstudents/advisingcenter-waitinglists.cfm> for possible course openings.

Waiting lists for all 4000-3000 level courses will be posted on April 19, 2012.

Waiting lists for all 1000-2000 level courses will be posted on May 1, 2012.

Waiting lists become invalid at 5:00 p.m. on May 3, 2012.
