University of Northern Iowa

Cedar Falls, Iowa

December 16, 2017

Dear Panther Graduates,

CONGRATULATIONS! Your years of hard work and perseverance have paid off. On behalf of the entire University of Northern Iowa family, please accept our congratulations and gratitude!

The University has a rich history of educational excellence, and today we celebrate with you in reaching this educational milestone. A UNI education is focused on your future—we prepare graduates to pursue academic, professional, and personal goals throughout their lives. We wish you continued success.

Thank you for choosing to attend UNI. You've been part of a campus community that is filled with opportunities to learn and be challenged; importantly, you've been part of a community that enables students to contribute to the educational and cultural vitality of the university. We're grateful for the positive impact you have made on UNI as a student.

As you celebrate this major academic achievement, take time to thank those who have supported you along the way – family members, friends, UNI faculty and staff members, and classmates. We are especially grateful for the investment these individuals have made in your success at UNI.

Again, congratulations as you graduate from the University of Northern Iowa. You are always welcome at your alma mater, and we hope you stay connected.

Panther Proud!

University Honors Program

Graduates wearing gold University Honors medallions are recipients of designations from the University Honors Program. The designation of University Honors with Distinction indicates the completion of at least thirty credit hours of honors-level course work throughout a student's undergraduate study. The designation of University Honors indicates the completion of at least eighteen credit hours of honors-level coursework. Both designations require the completion of an undergraduate honors thesis. Students earning honors designations are noted throughout the commencement program along with their thesis title.

Legacy Graduates

The University of Northern Iowa has a long and proud tradition of multi-generational family graduates. The Legacy designation (◇) in the commencement program signifies that a parent and/or grandparent are also UNI graduates. The UNI Alumni Association celebrates this special connection with alma mater and welcomes all alumni to submit their legacy information to info@unialum.org. Legacy information included in this program was submitted by the graduate.

Military Science

The following graduate has earned a commission as a Second Lieutenant in the United States Army.

Timothy Lee Logeman, Earlham, IA

Graduation with Honors

Three levels of honors are awarded to students on graduation from a bachelor's degree curriculum. To receive an honor rating, the student must earn no less than 55 semester hours of credit at this university.

The names of the students receiving honors are identified in the commencement program and on their academic transcript.

Summa Cum Laude

Students whose cumulative UNI grade point average places them in the top 3% of those students graduating from their academic major college/division will be awarded Summa Cum Laude.

Magna Cum Laude

Students whose cumulative UNI grade point average places them in the top 4% through top 8% of those students graduating from their academic major college/division will be awarded Magna Cum Laude.

Cum Laude

Students whose cumulative UNI grade point average places them in the top 9% through top 15% of those students graduating from their academic major college/division will be awarded Cum Laude

Lux Service Award

The University of Northern Iowa Lux Service Award is presented by the Office of the Dean of Students annually to undergraduate students who best represent the ideal of service to the university community.

The honor is conferred in the spirit of keeping the light of service to others burning bright at UNI. The name of the award, Lux, is from the university's official seal that features a burning lamp of knowledge and the Latin word for light.

Our fall 2017 Commencement recipient of the Lux Service Award was awarded in May 2017 but will accept this honor during the Fall 2017 commencement ceremony. Our Lux Service Award students are involved in an average of seven student organizations and have held leadership positions in at least two. They have completed countless hours of community service for UNI and the Cedar Valley. They hold on-campus jobs, off-campus jobs, conduct research and hold internships. They are resident assistants, presidents of organizations, volunteer coordinators, student ambassadors, Greek members, student athletes and even TC or TK, our Panther mascots. These students do all of this while maintaining an average GPA of 3.47. They truly represent the shining stars of our campus.

Megan Kennedy is a psychology and family services double major from Ogden, Iowa. She has been actively involved in a number of organizations including president of Social and Behavioral Representatives (SABRs) and the Psychology Club, Model UN, UNI Proud, Northern Iowa Feminists, National Honor Society of Leadership and Success, Phi Sigma Pi National Honor Fraternity, Honors Program, Conversation Partner, St. Stephen Catholic Student Center and the UNI Marching Band. Megan also

volunteered her time at the Riverview Center in Waterloo, conducted research on campus and served as a teaching assistant. She did all of this while working full time at Exceptional Persons, Inc. as a direct support professional.

Megan plans to attend graduate school to earn her Ph.D. in sexual violence and PTSD. Her lasting legacy will not only be the countless students she has impacted while at UNI and her contributions to the growth of many organizations, but her impact as a star in the documentary film "We Are Survivors." Megan has influenced numerous individuals through sharing her own story and helping others through difficult times in their lives.

Congratulations to the 2017 Lux Service Award Recipient!

The Academic Procession

The procession begins with the entrance of the candidates for degrees. Led by faculty marshals, the candidates for the degree of Bachelor of Arts, both the Teaching Program and the Liberal Arts Program, Bachelor of Fine Arts, Bachelor of Liberal Studies, Bachelor of Music and Bachelor of Science enter in groups, representing each of the undergraduate colleges. They are followed by the candidates for the highest degrees.

Students wearing a bronze medallion are those graduating summa cum laude (with highest honors), which represent the top three percent of each college by grade point average; or those graduating students receiving a Purple and Old Gold Award, given to those students who have excelled in scholarship or who have shown conspicuous achievement in particular areas.

The procession continues with representatives of the faculty.

The President's Party forms the final section of the academic procession. Headed by the commencement marshal, it includes the president; members of the Board of Regents, State of Iowa; administrative officers; the academic deans; and honored guests.

The individuals leading the procession of the graduates, the faculty and the president's party carry a mace which is a symbol of office. Those individuals are the student body president, the chair of the faculty and the university commencement marshal. Over long tradition, a mace is a symbol of authority and official celebration. The university mace is the largest of the three maces and it embodies the history and dignity of the entire university. The president wears a jeweled "Chain of Office" symbolizing the wearer is the leader of the institution. The silver chain includes links with the names of previous presidents of the institution, as well as previous names of the university.

The academic costumes worn trace their origin to the Middle Ages when long-sleeved hooded gowns were necessary for warmth in the unheated stone colleges. Over the centuries, much diversity occurred, and to bring some order, in the United States in 1894 an intercollegiate system of academic costume was agreed on, now adhered to by American institutions. According to this code, both the styling and colors of the regalia have significance.

The design of the gown indicates the degree. The bachelor's is a simple gown with a full sleeve. The master's gown is much like it except for the long sleeve which hangs loose. The doctoral gown is fuller and more elaborate. It has velvet edging and three velvet stripes on the full sleeve. The color of this velvet may be black or in the color appropriate to the degree.

Hoods, which are worn over the gowns, are similar for all degrees, although differing slightly in length. The candidates for the bachelor's degrees usually do not wear the hood. The hood has a velvet edging which indicates the area of the degree, and the inside or lining of the hood is satin in the colors of the college or university granting the degree.

A partial list of the degree colors to be found on the edge of the hood or the trimming on the doctoral gown is as follows:

- Apricot - Nursing
- Blue, light - Education
- Citron - Social Science
- Drab - Business
- Green Sage - Physical Education
- Maize - Agriculture
- Orange - Engineering
- Purple - Law
- White - Arts and Letters
- Blue, dark - Philosophy
- Brown - Fine Arts
- Copper - Economics
- Green - Medicine
- Lemon - Library Science
- Maroon - Family
- Pink - Music
- Scarlet - Theology
- Yellow Golden - Science and Consumer Sciences
