

Subsequent Major Completion

A student may pursue a subsequent major on a non-degree seeking basis after an initial Baccalaureate degree has been conferred from UNI. Approval of the department of the additional major is needed before starting classes. Minors or certificates may be pursued on a non-degree seeking basis regardless of prior baccalaureate degree. Students need to apply as non-degree seeking through the Office of Admissions. If 32 or more hours are needed to complete the subsequent major or if it would lead to a different degree (i.e. Bachelor of Science), the student must apply through the Office of Admissions as a Post-Baccalaureate student.
