Reading the Schedule of Classes

Provided below is a guide for understanding and using the *Schedule of Classes*.

Please note abbreviations at the top of the *Schedule of Classes* page which title the information listed below it: e.g., Dpt.= department number.

**Department
Number**

**Course
Number**

Distinguishes each course in the department. If the first digit is "0" the course is primarily for freshmen and/or sophomores, if it is "1" the course is primarily for juniors and seniors, if the first digit is "2" or "3" it is a course for graduate students only. Course numbers followed by a "g" indicates graduate credit - freshmen and sophomores cannot register for "g" level courses.

Course Title

Course descriptions are found in the *UNI Programs and Courses*. Descriptions of courses typically taken by first-year students are included in this handbook.

Credit Hours

Unit of measure assigned to a course. It normally designates how many hours per week a course meets during the semester. Fifty minutes equals one class meeting hour. Lab, studio, and physical education courses generally meet two hours for one credit hour.

**Prerequisites/
Corequisites**

Requirements to register for a class are designated directly under the course title. These must be taken before registering for this course. Corequisites are courses which must be taken at the same time as the listed course.

Building

Instructor

If this is blank, it means no instructor was assigned when the schedule went to press.

**Day and
Time**

This is the day and time the class is offered. EVE designates an evening class and ARR designates that additional hours will be scheduled by the instructor.

**Section
Number**

A course may be taught at more than one time -- the section number distinguishes separate offerings of the same course: 1-49 section numbers indicate full semester courses; 70 section numbers indicate lab sections; 80 section numbers indicate courses offered the first half of the semester; 90 section numbers indicate courses offered the second half of the semester.

Registration by Mail:	March 9 - June 3
Registration by Fax:	March 9 - June 3 (319-273-6792)
Registration by Phone:	May 3 - June 3 (319-273-2241)

STUDENT LOAD

Undergraduate Students -- The normal maximum student load is one credit hour per week of instruction; thus, students enrolling for eight weeks may carry a maximum of 8 semester hours; those enrolling for six weeks may carry a maximum of 6 semester hours; and those enrolling for four weeks may carry a maximum of 4 semester hours. Undergraduate students with at least a 2.50 cumulative GPA will automatically be allowed to register for up to 6 hours in a four-week time period; however, prior consultation with an academic advisor is highly recommended.

Graduate Students -- The normal maximum graduate student load during the eight-week summer session is 9 hours; that normally permitted during each six-week or four-week split summer session is 4-5 hours.

Requests for Exceptions (Undergraduate and Graduate) -- If you wish to register for a load in excess of your appropriate limit you must do the following **prior** to your initial registration.

1. **Undergraduate** students need to complete a student request form and approval must be obtained in the Registrar's Office.
2. **Graduate** students need to complete a student request form stating your reasons for requesting to take more hours and stating your UNI cumulative GPA. This form can be obtained at the Registrar's Office. Approval must be obtained from your advisor and the Dean of the Graduate College, 110 Lang.

EXPLANATION OF COURSE NUMBERS

The first three digits of the number are the Subject Area (or Department) number.

If the first digit after the colon is a "0" this indicates a course which is open primarily to freshmen and sophomores.

If the first digit after the colon is a "1" this indicates a course which is open primarily to juniors and seniors. A "g" after a 100 course number indicates the course carries graduate credit for graduate students.

If the first digit after the colon is a "2" this indicates a course which is open primarily to graduate students. Undergraduates seeking admission to the course must secure the permission of the head of the department offering the course.

If the first digit after the colon is a "3" this indicates a course which is open primarily to doctoral students, and graduates seeking admission to the course must secure the permission of the head of the department offering the course.

SECTIONS NUMBERED IN THE "80s" (OR "8" AND A LETTER) MEET THE FIRST-HALF OF A SEMESTER. SECTIONS NUMBERED IN THE "90s" (OR "9" AND A LETTER) MEET THE SECOND-HALF OF A SEMESTER.

PREREQUISITES

An entry below the course title indicates a prerequisite to be satisfied before enrolling for the course.

The university reserves the right to remove students from courses for which prerequisites have not been met.

STUDENT CLASS SCHEDULES

Class schedules are available through MyUNiverse.

REPEATING COURSES

Students must identify any course which is being repeated. Print a "Rep" in the Special column on the registration form or Change of Registration form or answer the appropriate questions when self-registering.

AUDITING CLASSES

Students may register for audit by printing an "Aud" in the Special column on the registration form. The student's name will appear on class and grade lists with audit identified. Student grade reports and transcripts of student records will not automatically show course listing or notation of audit if the student is registered for other courses. Students registered only for audit would have a grade report and a transcript listing which would show only the word "audit". In either case the course title would not be listed unless a student request approved by the instructor showing the student regularly attended the course is filed in the Office of the Registrar.

Students registering as auditors may change to registration for credit within the first four days of a four-week session, the first five days of a six-week session, and the first seven days of an eight-week session of the summer semester. After that any change would require signatures from the course instructor and the Office of Academic Affairs.

Audit hours are included in the maximum credit hour load a student may take. Students may audit a course, but the fee assessment will be the same as courses taken for credit.

APPLICATION FOR GRADUATION

Seniors who expect to graduate at the end of the Summer 2011 semester must complete an undergraduate graduation application form. These forms can be completed electronically at the time of registration or by a separate option on the registration main menu. Paper copies are also available at the Registrar's Office.

Graduate student: Application for graduation can be completed on paper or electronically on My-UNiverse at the time students register for their last semester of classes, or any time up to the 12th week of classes (July 1 deadline for all summer sessions). During Fall and Spring semesters, the 12th week helps assure students' names will be included in the commencement publication. After the 12th week special application for graduation must be made on paper and submitted to the academic department for approval. Paper applications are available at MyUNiverse in the "forms repository", at the Office of the Registrar, or in academic departments.

May 10	June 7
June 10	July 6
July 9	August 5
August 1	August 20

EXTENSION OF CREDIT/EDUCATIONAL LOAN

Registration for classes creates a legally binding financial obligation to pay tuition and fees per official university policy, as summarized in this publication.

You are expected to have made the necessary financial arrangements prior to enrolling for classes. Any financial assistance from the university should be arranged prior to the start of classes through the Financial Aid Office. ***You are responsible for making all payments due while a Financial Aid application is in process.***

Your registration for classes constitutes your understanding and acceptance of this responsibility. The university considers this extension of credit to be an "educational loan" under Federal and State laws. This credit is automatically extended to all students.

ELECTRONIC BILLS (u-bills)

The University does not mail paper bills to enrolled students or their parents. Instead, electronic u-bills are available through MyUNiverse (myuniverse.uni.edu). Monthly u-bills are generated the 10th of every month beginning in May if the total due is \$10 or more. Payments are due approximately the 5th of the following month. (If a u-bill is generated, a notice is sent to your University email account.)

Tuition, mandatory fees, room, and meal plan charges are posted to student u-bills beginning May 10. Any changes or adjustments to these charges are generally posted thereafter on Tuesday evenings throughout the semester (and available for viewing Wednesday morning). If you are enrolled in a course that begins in May, you will be u-billed for your entire summer enrollment on May 10. This u-bill will be due on the June payment due date (or June and July - see Deferred Payment Plan). If you are enrolled in a course that begins after May, you will be u-billed for your entire summer enrollment on June 10. This u-bill will be due in full on the July payment due date (there is no Deferred Payment Plan).

Other authorized charges are posted to student u-bills daily. In addition to your monthly u-bill, your account history and new activity posted since your last u-bill (showing current balance) may be viewed through MYUNiverse (myuniverse.uni.edu).

Failure to receive or read an email reminder is not an acceptable excuse for not making your payment when due. It is your responsibility to check your u-bill account at least monthly and make required payments by the Due Date.

You must pay your account in full by the end of each semester.

FINANCIAL AID DISBURSEMENT

All financial aid grants, scholarships, and loans will be credited to your account. If your credits exceed your charges, a refund check will be mailed to you.

REFUND CHECKS (*Change effective December 15, 2009)

***All excess financial aid refunds and all other credit balances you're your University bill will require direct deposit to a financial institution of your choice.** For prompt processing of your refund, you must sign into MyUNiverse and click on the *Direct Deposit* link under *My Personal Records*. **You will need to provide your account information into the secure site to expedite all future refunds. If you do not provide your financial institution information, your refund could be delayed up to 14 days!** Refunds will be issued once per week and will only be issued if the amount is \$50 or more. Credit balances under \$50 will be held on account to pay additional U-bill charges throughout the semester. Once the enrollment ends, a refund will be written if the amount is \$10 or more. In either case, you may request a cash refund of any credit balance below the minimum in person at the Cashier's Office.

PAYMENT INSTRUCTIONS

Payments may be made at the following location:

- Cashiers window in 103 Gilchrist

Payments may also be mailed to: UNI Student Accounts, 103 Gilchrist, Cedar Falls, IA 50614-0008. Use mail code 0008 for campus mail.

Please write your UID number (student number) in the memo section of your check.

Payment is due upon billing and must be received by the Due Date to avoid Restricted Enrollment Status and the accompanying \$25.00 fee. If your University account is not paid in full by the first Due Date, you will automatically be enrolled in the Deferred Payment Plan and will be charged the accompanying \$20.00 fee.

DEFERRED PAYMENT PLAN

The university offers a summer Deferred Payment Plan for tuition, room, and board (meal plan) charges only if these items are included on the May 10 billing. The summer deferred payment plan allows you to make these payments in two installments, on the June and July Payment Due Dates. The amount to pay will be indicated as the Minimum Due on your bill. Any charges billed after May 10 are due in full on the next payment due date.

The administrative fee for using this plan is \$20.00 for the summer semester (to avoid this fee you must pay the Total Due by the Due Date). Once assessed, the Deferred Payment Fee is non-refundable.

The amount to pay will be indicated as the Minimum Due on your u-bill. If Financial Aid is subsequently credited to your account after the u-bill Date, you may contact the Student Accounts Office to have your Minimum Due recalculated. Failure to make timely payments may result in revocation of the privilege to pay in installments.

RESTRICTED ENROLLMENT (A/R HOLD)

Failure to pay at least the Minimum Due by the Due Date incurs a \$25.00 non-refundable administrative fee and places you on Restricted Enrollment. Restricted Enrollment (A/R) holds are automatically removed when you bring your account current.

WITHDRAWING FROM SCHOOL

The information set forth below applies to students who withdraw completely from school. Dropping one or more classes does not constitute a withdrawal unless the student drops all classes for which he or she is registered. Do not attempt to withdraw your registration by filing a change of registration form. Contact the Registrar's Office. If all classes are dropped, this is a withdrawal and the information below applies.

WITHDRAWAL PROCEDURE

A student who has started attending classes who finds it necessary to withdraw from school initiates the withdrawal through the Office of the Registrar, 319-273-2241. Students living in a residence hall also must cancel their housing contract through the Director of the residence hall where they live. **Students with financial aid MUST contact the Financial Aid Office 319-273-2700 (see pages 17-18).**

A student who has registered but decides not to come to the University of Northern Iowa should advise the Registrar's Office as early as possible, listing the reasons for withdrawing from the university.

WITHDRAWAL AFTER CLASSES BEGIN WILL RESULT IN A TUITION CHARGE.

If you received financial aid from the university all or part of this aid may have to be repaid.

WITHDRAWAL REFUNDS

If credit is earned during a period of enrollment there is no refund of academic fees for that period. For any one-, two-, or three-week session there is no refund. Room and board refunds are made according to the agreement set out in the "Contract for Room and Board" signed by the student at the time of enrollment.

Tuition is refundable on the basis of the percentage table given below. The effective date of the withdrawal is the date the official withdrawal form is completed in the Office of the Registrar.

Students who withdraw completely prior to the first day of instruction for a semester will not pay any tuition for that semester. If any tuition has been paid, it will be refunded in full. After university instruction begins for a semester, tuition charges or refunds will be made in accordance with the schedule set forth below. For example, if a student withdraws during the first week of classes, 10% of the total tuition will be charged; or, if the total tuition has been paid, 90% will be refunded.

Please note that the refund schedule only pertains to a withdrawal (all courses are dropped). See the *Dates to Observe* section on pages 6-7 and the *Change of Registration and Change of*

Registration Fee section on page 8 for questions on tuition when a portion of the classes are dropped.

The schedule for charging or refunding tuition for the Summer 2011 semester is as follows:

Summer 2011 Sessions Withdrawal Schedules

Four-week sessions:

Class Days	Percent Refund	May Dates	June Dates	July Dates
1-2	90	May 9-10	June 6-7	July 5-6
3	75	May 11	June 8	July 7
4	50	May 12	June 9	July 8
5	25	May 13	June 10	July 11
6 th day & beyond	0	May 16	June 13	July 12

Six-week sessions:

Class Days	Percent Refund	May/Mid-June Dates	Mid-June/July Dates
1-2	90	May 9-10	June 20-21
3-4	75	May 11-12	June 22-23
5-6	50	May 13-16	June 24-27
7-8	25	May 17-18	June 28-29
9 th day & beyond	0	May 19	June 30

Eight-week session:

Class Days	Percent	June/July Dates
1-3	90	June 6-8
4-6	75	June 9-13
7-8	50	June 14-15
9-10	25	June 16-17
11 th day & beyond	0	June 20

The manner in which refunds will be determined is as follows:

- Find the date of your withdrawal on the various session refund schedules.
- If you are enrolled in multiple sessions, your refund will follow the schedule for each session in which you are enrolled.

For example: If you are enrolled in one eight-week class and one mid-June/July six-week class and you withdraw from school on June 25, you would receive a 50 percent refund for your mid-June/July six-week class and no refund for your eight-week class.

As another example: If you are enrolled in a May four-week class and a mid-June/July six-week class and you withdraw on June 15, you would receive no refund for your May four-week class and a full refund for your mid-June/July six-week class.

- As a general rule, if you withdraw from a session in which you are registered since classes have begun for that session, you will be assessed some percentage of the total tuition for that session. If you withdraw from a session in which you are registered prior to classes beginning for that session, you will be accorded a full refund of tuition for that session.
- Workshop fee is not refundable after the workshop class has begun.
- Students receiving financial aid should visit with a counselor in the Financial Aid Office about how dropping a class and/or withdrawing totally from school will impact your financial aid award.**

Information for Veterans

V.A. Specifications	Undergraduates	Graduates
Subsistence		
Full Allowance	6 or more hours	5 or more hours
3/4 Allowance	4-5 hours	4 hours
1/2 Allowance	3 hours	3 hours
Tuition Assistance Only	1-2 hours	1-2 hours

The above specifications are subject to the exceptions listed below. Veterans to whom an exception applies must check with the VA Clerk in the Registrar's Office prior to registration.

- The above specifications apply only to eight-week courses. For the specifications which apply to four-week or six-week session courses or a combination, consult the VA Clerk in the Office of the Registrar.
- The university will certify veterans for repeating courses only if a grade of "F" was previously received in the course.
- Students will only be certified for courses which are required for their minimum degree requirements.
- Withdrawal from a course with a "W" can result in costly repayments to the VA.
- Any veteran reported for non-attendance in a course will be reported to the VA. Training level will be adjusted in that semester to the instructor's recorded last day of attendance.

To make application for VA Educational assistance, visit the Registrar's Office, GIL 115, call 273-6801 or email patricia.welter@uni.edu. The VA clerk is generally available between 8-3 Monday through Friday.

Miscellaneous Information

CHANGING OF NAME

The name on the student record should be the student's complete and legal name. In evaluating and processing all name changes, the university reserves the right to require adequate and appropriate documentation as warranted.

GRADE REPORTS

Students can access grades using their Cat ID and UNI password. To access grades via the Internet, go to the address <http://myuniverse.uni.edu>. Copies of grade reports are not sent to parents without the authorization of the student. Such authorization may be signed at the Registrar's Office.

GRADE POINT AVERAGE

Grades are evaluated in terms of quality points. For each hour of A earned, the student is credited with 4 grade points; for each B, 3; each C, 2; D, 1; F, 0. One third of a quality point is added for every hour in which a plus (+) is earned. One third of a quality point is subtracted for every hour in which a minus (-) grade is earned. Grades of A+, F+, or F- are not assigned. The grade index is determined by dividing the number of grade points by the number of hours of load.

Example:

	Hours	Grade	Grade Points
Introduction to Literature	3	C+	6.99
Humanities I	4	C	8
Introduction to Psychology	3	C-	5.01
Calculus I	4	D	4
Total	14		24

Grade point average is 24 divided by 14 for a 1.71.

Hours of credit/no credit, withdrawal and/or incompletes are not used in determining your grade point average.

WARNING - PROBATION - SUSPENSION

An undergraduate student is placed on warning, probation, or suspension when his/her UNI and/or total cumulative grade point average is less than 2.00. The status is determined by the number of grade points **deficient** from the number needed to obtain a 2.00 grade point average. If the grade point deficiency warrants it, the student may be placed on academic suspension without having previously been on warning or probation status.

To determine grade point deficiency, double the total of attempted graded hours. If the actual number of grade points is less than this total, there is a grade point deficiency. In the example above the sample student had 14 hours and 24 grade points. In the example above, grade point deficiency is determined as follows: $(14 \times 2) - 24 = 4$. In this case the student is 4 grade points deficient from obtaining a 2.00.

A grade point deficiency of 1 through 5 grade points places the student on academic warning.

Academic probation and suspension status is determined as follows:

Students with 29 or fewer graded hours

probation 6 through 13 deficiency points of obtaining a 2.00
suspension 14 or more deficiency points of obtaining a 2.00

Students with 30-59 graded hours

probation 6 through 11 deficiency points of obtaining a 2.00
suspension 12 or more deficiency points of obtaining a 2.00

Students with 60 or more graded hours

probation 6 through 9 deficiency points of obtaining a 2.00
suspension 10 or more deficiency points of obtaining a 2.00

Academic suspension is for a minimum period of one academic year. Only the most extenuating circumstances would warrant consideration for readmission before one academic year has elapsed.

The university has very generous provisions for a student to drop courses during a semester, or to withdraw from school without serious academic penalties. However, there are times when repeated withdrawals or dropping of courses may raise questions as to the serious intent of the students, and they may be suspended.

Readmission After Suspension: A student who has been suspended may be readmitted only after applying for readmission in writing and receiving favorable action on the application from the Committee on Admission and Retention. Applications for readmission may be secured from and filed with the secretary of the Committee in the Office of the Registrar. The completed application and all supporting documents must be received in the Office of the Registrar at least **SEVEN CALENDAR DAYS PRIOR TO THE BEGINNING OF THE TERM** for which the student is requesting enrollment.

Upon readmission, students **must earn** a minimum of a 2.00 grade point average **each term** they are enrolled until their cumulative grade point average is 2.00 or higher. Failure to earn a 2.00 or higher grade point average in any semester following readmission will cause the student to be suspended again. Academic suspension for a second time is considered permanent. Only the most extenuating circumstances would warrant consideration for readmission a second time.

CREDIT/NO CREDIT GRADING

The undergraduate student having earned twelve semester hours of credit at this university may take courses offered by this institution for which he/she is otherwise eligible for degree credit without grade under the following conditions:

1. The course work requirements for a student taking work on an ungraded basis shall be the same as for a student taking the work on a graded basis.
2. A grade of C- or higher is required in a course to receive credit on the "Credit/No Credit" option.
3. Not more than 22 hours of ungraded course work in addition to courses authorized to be offered only for ungraded credit may be taken toward any bachelor's degree.
4. Ungraded credit may not be applied to work required for a major or minor except with the consent of the Head of the Department in which the course is offered.
5. No course taken on the "Credit/No Credit" option may be applied toward fulfilling a Liberal Arts Core requirement.
6. Except for Field Experience: Exploring Teaching (200:017); Field Experience: Teacher as a Change Agent (200:128); and Student Teaching (280:xxx), ungraded credit may not be used in the Common Professional Sequence requirements for the teaching program.
7. Course work passed without grade may not be retaken except by special permission of the Dean of the College in which the course is offered.
8. A graded course completed may not be retaken on an ungraded basis.
9. The Credit/No Credit system may not be used with Credit by Examination, Extension, or Correspondence courses.
10. Change of registration in a course to or from a non-graded basis may not be made after ten calendar days following the beginning of the second half of the semester in a full, academic-year semester, or after the mid-point in the duration of a course taught in a period less than a full, academic-year semester. Only one such change of registration may be made per course.
11. Credit/No Credit grading cannot be used for Presidential Scholar Seminars or Presidential Scholar Thesis/Project credit.

DEGREE AUDIT AND ADVISEMENT REPORT

All undergraduate students, who entered UNI spring 1982 or later will receive a degree audit and advisement report. The purpose of this report is to provide you with information on how the courses you have completed and are currently registered for apply to your degree requirements. This report is to serve as your guide for scheduling classes. Degree audits are accessible via the Web at www.uni.edu/pos/ or <http://myuniverse.uni.edu>.

While we believe this report is basically self-explanatory, extensive use of abbreviations was mandated by form size. The following is an explanation of the most common abbreviations and symbols.

20111	The first four digits show the year and the fifth digit the term. The academic year begins with the summer term; therefore 20111 is summer 2011, 20112 is fall 2011 and 20113 is spring 2012.
TRN	A course transferred to UNI.
WAV	A course that has been waived and is no longer required.
SUB	A course which is substituted by another course.
X	Exempt or credit by exam.
P	Passed.
Ⓢ)	The bracket indicates a grade which does not satisfy the course requirement.
%	Indicates regressive or duplicate credit.
#	A course which repeats another course. NOTE: During the semester you repeat a course you have previously taken, your hours needed may be inflated. This situation will adjust itself once you successfully complete the repeated course.
=	Restricted Credit

We have endeavored to show the results of any special student requests you may have had approved. These actions will most likely be shown by the WAV and SUB transactions previously listed or in special comments.

Your degree audit and advisement report is divided into sections. The titles and explanation of those sections follow.

Graduation Summary

Your advisement report begins with your graduation summary. The section tells you by categories the hours you need to complete and the hours you have earned.

University Competency Summary

The university competency summary identifies your status towards meeting these graduation requirements. If the status code is "needs", then you still need to satisfy this requirement.

Liberal Arts Core

Each category will show as being satisfied or not satisfied. Courses, hours and grades will be listed with each requirement they satisfy. Therefore the same course may appear more than once on your degree audit.

Major

Your major summary is listed next. Grades with a bracket () do not satisfy the course requirement. Please pay close attention to your sub-group and elective requirements. You will find courses separated by an "and", an "or", or a semi-colon. Groups of courses will usually be preceded by a statement explaining your selection options for that group.

Minor

Next will occur your minor if you have one. The comments made above regarding your major are equally applicable with your minor.

Professional Education

If you are seeking teaching licensure the next section will be the professional education requirements.

Professional Methods

The professional methods section is a list of courses used to calculate the professional methods grade point average to determine eligibility for student teaching. These courses are

already listed as required courses for the major and, therefore, do not consist of any additional graduation requirements.

University Electives

The last section of this report is the courses you have completed that are considered to be university electives. These are courses that do not meet specific categorical requirements.

We hope you will find your degree audit and advisement report to be a valuable tool for charting your progress towards your degree. If you have questions about your report please feel free to contact your academic advisor, the Office of Academic Advising or your Record Analyst in the Registrar's Office.

POLICY ON MAKE-UP WORK AND MISSED CLASSES

It is the expressed focus of the University of Northern Iowa to further the educational development of each of its students. On occasion events will necessitate a student's absence from class. In order for both faculty and students to effectively plan for these absences, the following procedures are recommended.

1. All parties involved should be made aware of scheduled absences well ahead of the date(s) of absence. In the case of extra-curricular activities, a semester-long schedule should be prepared and distributed at the beginning of the semester. In instances where semester-long schedules are not feasible, two weeks written notification shall be given for all absences. This notification shall take place even if the absence is potential rather than definite. Assuming that appropriate notification has been provided, students and faculty shall mutually agree as to how assignments, lectures, exams, etc. shall be made up. The type and extent of make-up work shall be at the discretion of the faculty member.
2. Occasionally there will occur situations where two weeks' notice is impossible. On these occasions, students, faculty, and others concerned should work closely together to ascertain whether special arrangements can and/or should be made.
3. Faculty shall not penalize a student for missing a class or exam for an educationally-appropriate activity, including university sponsored or sanctioned events.
4. Where situations of irreconcilable disagreement occur which are not resolved at the department level, a panel comprised of the Vice President for Academic affairs, or that officer's designee, the Department Head of the academic department involved, and a representative of the extra-curricular program (where applicable) shall meet at their earliest convenience with the faculty member and the student to mediate the matter.

STUDENT RECORDS

The University of Northern Iowa adheres to the Family Educational Rights and Privacy Act of 1974 as amended. Students who have questions concerning their rights under this Act may contact the Registrar's Office for pertinent information.

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the university receives a request for access.

Students should submit to the registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The university official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the university official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student's education records that the student believes are inaccurate or misleading.

Students may ask the university to amend a record that they believe is inaccurate or misleading. They should write the university

official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the university decides not to amend the record as requested by the student, the university will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the university in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the university has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Regents; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the university discloses education records without consent to officials of another school, in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by University of Northern Iowa to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office, U.S. Department of Education,
400 Maryland Avenue SW, Washington, D.C. 20202-4605.

Based on an institutional adjudged determination of "need to know" the university may release the following "Directory Information" to anyone who requests it without the consent of the student unless the student has requested the university not to release any or all of the information.

Please note: Restricted directory information will not be released to any third parties, including academic departments, honoraries, service organizations, newspapers (for the Dean's List or other publications), etc. except when release of the information is necessary to perform required administrative duties related to your academic records at the university.

STUDENT RIGHT TO KNOW ACT (Public Law 101-542) Federal law requires all institutions of higher education to provide graduation rates to current and prospective students. Our most recent analysis shows that 65.0 percent of the students who enter the University of Northern Iowa graduate within the six-year completion period established by the law. This percentage does not include students who continued to be enrolled at UNI after six years or students who transferred to other colleges and universities. In a recent study of universities comparable to UNI, their mean graduation rate after six years was 48 percent. If you wish additional information regarding student retention and persistence to graduation at UNI you may contact the Registrar's Office.

UNI EQUAL OPPORTUNITY POLICY

Purpose: To provide guidelines regarding equal opportunity at the university in compliance with applicable federal and state nondiscrimination and affirmative action laws and regulations.

Policy Statement:

The university has established its equal opportunity policy as follows:

No person shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination in employment, any educational program, or any activity of the University, on the basis of age, color, creed, disability, gender identity, national origin, race, religion, sex, sexual orientation, veteran status, or on any other basis protected by federal and/or state law.

The University of Northern Iowa seeks to prohibit discrimination and to promote affirmative action in its educational and employment policies and practices.

*Office of Compliance and Equity Management, Approved 03/02
President's Cabinet, Approved 04/01/02*

For additional information, contact the Office of Compliance and Equity Management, 117 Gilchrist, University of Northern Iowa, Cedar Falls, IA 50614-0028, (319) 273-2846, or visit www.uni.edu/equity.

UNI DISCRIMINATION AND HARASSMENT POLICY

Purpose: To provide guidelines regarding discrimination and harassment applicable to the entire university.

Policy Statement: It is the policy of the University of Northern Iowa that there will be equal employment and educational opportunity without regard to age, color, creed, disability, gender identity, national origin, race, religion, sex, sexual orientation, veteran status, or any other basis protected by federal and/or state law. This includes the provision of a campus environment that is free from illegal discrimination and harassment. The University will not tolerate any form of illegal discrimination or harassment and will not condone any actions or words that constitute such.

All members of the University community are accountable for compliance with this policy. The University is committed to eliminating illegal discrimination and harassment, wherever they occur in the University community, by taking corrective action as a result of violations of this policy. Violations may lead to disciplinary action up to and including separation from the University.

Discrimination: Discrimination occurs when an individual is treated adversely because of that individual's membership in one of the legally protected groups listed above.

Harassment: Harassment occurs when unwelcome conduct based on an individual's membership in a protected group unreasonably interferes with the individual's work or academic environment.

Sexual Harassment: Sexual harassment occurs when an individual is subjected to unwelcome sexual advances, unwelcome requests for sexual favors, or other unwelcome verbal or physical conduct of a sexual nature when:

1. Submission to such conduct is made explicitly or implicitly a term or condition of an individual's employment or academic standing;
2. Submission to or rejection of such conduct by an individual is used as the basis for employment decisions or academic decisions affecting the individual; or
8. Such conduct has the purpose or effect of unreasonably interfering with an individual's work or academic performance or creating an intimidating, hostile, or offensive working, academic, or social environment.

Consensual Relationships: Consensual romantic and/or sexual relationships where a power differential exists, whether real or perceived, may constitute sexual harassment. The effect of such a relationship may render an individual's work, academic, or social environment intimidating, offensive, or hostile. Further, the individual with the power in the relationship will bear the burden of responsibility should a complaint of sexual harassment be filed. Hence, all University employees are strongly discouraged from entering into romantic and/or

sexual relationships, which could lead to the creation of a hostile educational, social, and/or work environment for other members of the University community.

Confidentiality: Complaints of discrimination or harassment filed with the University will be treated with the utmost privacy possible to the extent allowed by law, while also assuring a complete investigation. University personnel involved in or responsible for any aspect of a complaint shall maintain such confidentiality throughout the processing of the complaint.

Should the complainant publicly discuss the complaint, the University shall be relieved of its confidentiality obligations related to the disclosed information under this policy.

Retaliation: The University seeks to create an environment where its students and employees are free, without fear of reprisal, to use these procedures to determine if there has been a violation of their civil rights. Any act of retaliation will result in appropriate disciplinary action. Similarly, persons who use this process to bring frivolous or otherwise bad faith allegations against an employee shall be subject to disciplinary action.

Reporting Responsibilities: All University employees in a supervisory capacity are required to report to the Office of Compliance and Equity Management any allegation of discrimination and/or harassment of which they are made aware. The confidentiality of all parties will be honored to the extent legally allowed and which provides for an appropriate investigation. Persons seeking information or guidance concerning potential discrimination or harassment allegations are advised that the University may need to take action once it is informed of an allegation whether or not the person wants to pursue a complaint.

Non-supervisory employees are strongly encouraged to report allegations of discrimination and/or harassment to any supervisor or directly to the Office of Compliance and Equity Management.

Disabilities: In order to receive assistance with requests for accommodations, a student with a disability must contact the Office of Student Disability Services. An employee with a disability who wishes to request an accommodation should contact his/her supervisor or the coordinator of employee disability services located in Human Resource Services. A visitor with a disability who wishes to request an accommodation should contact Human Resource Services. If an employee or student feels his/her rights under the Rehabilitation Act of 1973 and/or the Americans with Disabilities Act of 1990 have been violated, they may consult with the Office of Compliance and Equity Management and/or utilize the following procedures.

Procedure for Resolution: An allegation of discrimination and/or harassment against a University employee, vendor, or other third party should be addressed to the Office of Compliance and Equity Management. An allegation against a student should be reported to the Dean of Students and will be resolved through student conduct procedures.

Except in cases involving criminal activity and/or sexual assault, an employee or student alleging discrimination and/or harassment under this policy is encouraged to discuss the allegation with the head of the department in which the alleged discrimination and/or harassment occurred. The department head will then consult with the Office of Compliance and Equity Management to determine an appropriate course of action. If it is determined to be appropriate, an attempt to facilitate an informal resolution of the matter will be made. In the event that an informal resolution is not reached, is not appropriate, or is not pursued, the student or employee may consult with the Office of Compliance and Equity Management to initiate a formal investigation. If, at any time, the employee or student is not comfortable addressing the department head, the Office of Compliance and Equity Management may be contacted directly. **Note:** If an allegation includes actions that involve criminal activity and/or sexual assault, the individual is strongly encouraged to file a report with UNI Police. Such reports will not be handled informally within the department.

The Office of Compliance and Equity Management will provide a complaint form, which the complainant will then complete and return. The complaint will describe the alleged discrimination and/or harassment, the specific type of discrimination and/or harassment being

alleged, and name of person(s) against whom the complaint is being filed.

The Office of Compliance and Equity Management will acknowledge the receipt of the complaint in writing and will also notify in writing the following parties: the accused person and his/her department head/director, dean, vice president, and the president. When deemed appropriate by the Office of Compliance and Equity Management, the complainant is given the option to resolve the complaint through mediation rather than investigation. Only if both the complainant and accused agree to mediation will that option be utilized. In the event that either party declines mediation, the Office of Compliance and Equity Management will conduct an investigation of the alleged discrimination and/or harassment charges. Cases of sexual harassment will generally not be considered for mediation.

Following is the process for the investigation of complaints which have not been resolved through mediation:

A person designated by the Office of Compliance and Equity Management will initiate an investigation into the allegations. A typical investigation will involve meeting with the person filing the complaint, the person(s) named in the complaint, and with other persons who may have knowledge relevant to the investigation.

The Assistant to the President for Compliance and Equity Management will receive a report of the investigation from the designated investigator. S/he will render a finding of sufficient or insufficient evidence that this policy has been violated. This determination will be based upon the evidence obtained as a result of the investigation process. The complainant and the accused will be notified of the finding in writing. The accused person's department head/director, dean, vice president, and the president will also be notified.

In the event that there is a finding of a violation of University policy, the vice president of the accused will determine appropriate disciplinary sanctions based on the recommendation from the Office of Compliance and Equity Management, and will notify in writing the accused and the Office of Compliance and Equity Management of his/her decision. This written decision must be issued within fifteen working days of the date of the notice from the Office of Compliance and Equity Management. If the vice president serves as a party or witness in an investigation, the notice will be sent to the president for determination of disciplinary sanctions. This is the conclusion of the internal procedures under this policy.

STANDARDS OF SATISFACTORY ACADEMIC PROGRESS FOR FINANCIAL AID ELIGIBILITY

The University of Northern Iowa has established requirements of Satisfactory Academic Progress (SAP) that all students must meet in order to be eligible for financial aid. The financial aid programs affected include, but are not limited to, all federal, state, institutional and/or private education loans.

Academic Requirements and Review Process

Financial Aid Satisfactory Academic Progress is evaluated yearly at the end of each spring semester for the previous summer, fall, and spring semesters. To maintain eligibility for financial aid, students must meet the following three criteria:

- 1) **Minimum GPA:** Undergraduate and 2nd BA students must maintain a minimum 2.0 UNI GPA. Graduate students must maintain a minimum 3.0 UNI GPA.
- 2) **Semester Hours Completed:** All students must complete 67% of the courses they attempt within an academic year (summer, fall, spring). Attempted hours are based on enrollment at the end of the first two weeks of class during a semester. Only grades of **A, B, C, D, X, Cr, or P** are counted as meeting the required hours. Failed classes, withdrawn classes, and incomplete grades do not count as completed credit hours and will negatively affect the SAP calculation.
- 3) **Maximum Time to Complete a Degree:** Undergraduate students are required to complete a degree within **12 full-time equivalent semesters** (18 three-quarter time semesters or 24 half-time semesters) or **180 total credit hours**. Second BA and graduate students are required to complete a degree within **6 full-time equivalent semesters** (9 three-quarter time semesters or 12 half-time semesters) or **60 total credit hours**. Allowances may be made for graduate degrees requiring more than 60 total credit hours. Students cannot receive financial aid for more than one degree at a time.

NOTE: Repeated coursework will be evaluated using the most recent grade received. UNI GPA refers to overall UNI GPA.

Suspension Status

Financial Aid Satisfactory Academic Progress is reviewed on an annual basis following the conclusion of the Spring semester. Students must meet all three academic requirements (see above) at the time of review or they will be placed on financial aid suspension. Students placed on financial aid suspension **MUST** appeal to have their aid reinstated for upcoming semesters at UNI. Students who have successfully appealed will be placed on a probationary status, allowing them to receive aid based on conditions set forth by the Office of Student Financial Aid.

Probation Status

Probationary reinstatement of financial aid is available for students who have successfully appealed to have their aid reinstated. Students on financial aid probation must continue to adhere to the Satisfactory Academic Progress Policy outlined above and any other conditions listed on the Appeal Approval Contract. Students on probation status are reviewed at the end of Fall semester. Students not making progress toward the terms of their appeal contract will have their aid suspended and must appeal before a committee to have their aid reinstated.

Reinstatement of Aid

Students placed on Financial Aid Academic Progress Suspension have the opportunity to appeal and/or have their previous grades reviewed by the Office of Student Financial Aid. Students have the following options for reinstatement:

- 1) **Meet all Financial Aid Satisfactory Academic Progress requirements.**
 - Undergraduate students must improve their UNI GPA to the 2.0 minimum with graduate students meeting the 3.0 UNI GPA minimum requirement, and
 - By meeting the 67% course completion standard.
- 2) **Initiate the appeal process.** Appeals must demonstrate extenuating circumstances that impeded the students' ability to make progress academically. All appeals must be accompanied by third party documentation of the circumstances encountered as well as an academic plan of study (signed by an academic advisor or a record analyst in the Registrar's Office). Examples of extenuating circumstances include but are not limited to:
 - Personal or Family Emergency
 - Serious Medical Issues
 - Psychological Issues
- 3) **Review of grade changes to previously deficient course grades.** Students experiencing grade changes that may reinstate their eligibility should contact the Office of Student Financial Aid to have their progress reviewed.

The successful reinstatement of financial aid is not reflective of decisions regarding Registrar academic suspensions. Students on academic suspension should visit with the Registrar's Office regarding reinstatement to UNI.

Appeal Process and Deadlines

An appeal process is in place for those experiencing extenuating circumstances that affect their ability to make satisfactory academic progress. Appeal forms may be obtained from the Office of Student Financial Aid or online at www.uni.edu/finaid. **Appeals must be submitted no later than the end of the second week of classes following the suspended semester or within 14 calendar days of the date on the academic progress letter, whichever is later. It is recommended that students submit their appeals as soon as possible to avoid processing delays.**

All appeals must be accompanied by third party documentation of the circumstances encountered, as well as an academic plan of study (signed by an academic advisor or a record analyst in the Registrar's Office) demonstrating that the student can matriculate toward their degree within the standard timeline for their major. Reinstatement of the financial aid is contingent upon the availability of the funds at the time the appeal is approved. Approved appeals require a signed contract to be returned to the Office of Student Financial Aid.

Denied Appeals

Students denied financial aid eligibility may continue attending UNI by funding their own education. If students meet all of the progress

standards in the future, they must contact the Office of Student Financial Aid to request a review of their financial aid status.

SUMMER PELL GRANT ELIGIBILITY

If you received the Pell Grant during the Fall and Spring semesters, you may be eligible to receive additional Pell during the Summer:

- If you did not enroll fulltime in either of the Fall or Spring you may have remaining Pell Grant funding available, or
- If you enroll at least half-time for the summer and have completed or will have completed 25 or more semester hours in the fall, spring, and summer terms combined you may qualify for additional Pell Grant funding, or
- If you have completed the upcoming year FAFSA and you will be qualifying for Pell Grant Funding for the next academic year, you may receive a Pell Grant during the Summer.

Contact the Office of Student Financial Aid to learn more

GRANT ADJUSTMENT

Grants are need-based aid. The Pell Grant Program is for students working on their first B.A. degree. Due to federal regulation and university policy, the actual amount of grant that you receive is based on the number of credit/hours for which you are enrolled.

This means that if a grant has already been disbursed to you and you add or drop classes during the summer session, your grant will be adjusted. If you have any questions about how your grant may be affected by adding or dropping a class, please contact the Office of Student Financial Aid, 319-273-2700.

GUIDED INDEPENDENT STUDY, CAMP ADVENTURE, AUDITED COURSES

Financial aid is not available for Guided Independent Study, Camp Adventure, or audited courses. If you have any questions regarding this policy, please contact the Office of Student Financial Aid at 319-273-2700.

STUDENT LOAN OVERVIEW

For financial aid purposes, the Summer session is considered the final term of an academic year. Federal aid programs have a maximum amount of aid that can be received during an academic year. For example, a freshman student who is dependant may only borrow \$5,500 in the Direct Loan Program for the entire academic year (Fall, Spring and Summer). Therefore, Summer aid is limited if the maximum amount of aid has already been received. (See chart on first page for specific amounts per grade level)

ACCEPTING LOANS

Students can accept their Direct Loans by completing the following steps:

All loans must be accepted, reduced, or declined on the student's online Award Notification, found within the Student Center on MyUNIverse.

Students should complete the Master Promissory Note (MPN) online at www.studentloans.gov (using their FAFSA PIN), or they may request a paper MPN from the UNI Office of Student Financial Aid if unable to complete the MPN online.

The MPN covers both the Direct subsidized loan and the Direct unsubsidized loan. The MPN does not show a specific loan amount because it also serves as the promissory note for future Direct Loans at UNI (valid for up to 10 years). The amount of subsidized and unsubsidized loans a student is eligible to receive is included on the Award Notification. By completing the MPN, students are agreeing to repay to the US Department of Education all loans made to them under the terms of the MPN. Direct Loan funds cannot be disbursed until the MPN is submitted and approved by the Department of Education. Processing of the loan(s) usually takes one week if the MPN is completed electronically, and up to three weeks if a paper MPN is completed.

If students are borrowing Direct Loans at UNI for the first time, they must complete Direct Loan Entrance Counseling before they are eligible to receive their loan proceeds. Students may complete the Loan Entrance Counseling on the web at www.studentloans.gov.

THE MAKING UP OF INCOMPLETE WORK

To receive credit for course work a student is required to be in attendance for the full semester. Exceptions to this rule are rarely made.

Work lost because of absence due to illness, or other extenuating circumstances may be made up, but arrangements for making up work missed are made between the student and the instructor.

Work left incomplete at the end of a semester or summer session will be reported as a *Failure* unless a report of *Incomplete (I)* has been authorized by the instructor. The *I* is restricted to students doing satisfactory work in the class who, because of extenuating circumstances, are unable to complete the work of the course. The *I* is limited to assigned work during the final sixth of the term. If a course is reported as *Incomplete*, a student is not prevented from registering for another course for which the incomplete course is a prerequisite. Work reported as *Incomplete* for undergraduate students must be completed within six months from the time at which the report was made. If the work reported as *Incomplete* is not made up within six months, it is automatically entered as a *Failure* on the student's record. However, if for sufficient cause an *Incomplete* cannot be removed in six months, request for an extension of the time may be made to the instructor of the course. The extension, if approved, is for a period of up to another six months as designated by the instructor.

Work reported as *Incomplete* for a fall semester for graduate students must be completed by June 1. Work reported *Incomplete* for graduate students in the spring semester or in the summer session must be completed by January 1. The exact length of time to remove the incomplete within the above guidelines is set by agreement between the instructor and the student. If the work reported as incomplete is not made up by the deadline, it is automatically entered as a *Failure* on the student's record.

Any requests for an exception to the above guidelines for graduate students must be submitted in writing to the Graduate College. Only under the most unusual circumstances would requests for additional time be approved.

Some courses continue beyond the normal ending date of the semester or session. In such cases the initial grade reported will be an *RC* which means *Research* or *Course Continued*. Once the extended instructional period is finished the *RC* grade will be replaced with the A-F grade assigned by the instructor.
