PRE-REGISTRATION PROCEDURES

NEW STUDENTS
New students, both graduate and undergraduate, cannot register for classes until all requirements for admission to the university are met.

After admission requirements are met, new graduate students will register in accordance with the procedures set out below for former students.

After admission requirements are met, new undergraduate students will receive their registration materials in connection with the orientation program provided for such students. Further instructions for completing registration will be given during the orientation program.

FORMER AND CURRENTLY ENROLLED STUDENTS
Students enrolled for the Spring 2021 semester who plan to graduate in Spring 2021 and intend to continue as graduate students for Summer 2021 must file an application for graduate study. Graduate admission information and the application for admission are available on the web at grad.uni.edu/admission.

Former students who are not enrolled for the Spring 2021 semester must file a notice of intent to register with the Office of the Registrar two weeks prior to registration for Summer 2021. Failure to file this notice of intent to register will delay the registration process.

ADVISOR APPROVAL
To enhance understanding of degree requirements and planning for progress toward degree, students identified in the groups below are assigned an advising hold. This hold requires the student meet with his or her academic advisor or department prior to registration for the next semester. Information about service indicators, such as the Advising Hold, assigned to a student will show in the "Holds" section of Student Center.

Students assigned Advising Holds:
All students new from high school registering for their second semester, regardless of major will be assigned an Advising Hold. Additionally, students in these majors will be assigned an Advising Hold:

REGISTERING FOR CLASSES

THE REGISTRATION PROCESS

Students are encouraged to self-register from a convenient location.

During advance registration, scheduling assistance will be available in the Office of the Registrar 8:00am – 4:30pm Monday through Friday. Students registering from
locations other than the Office of the Registrar will be able to access the system 24 hours per day, 7 days per week; any exceptions to availability will be noted by system messages.

The registration system is accessed through MyUNiverse under the Student Center tab. Students with questions on registering from off-campus should contact the ITS Consulting Center at (319) 273-5555.

If you are accessing MyUNiverse for the first time, or if you are accessing e-mail or MyUNiverse as a new user, your initial passphrase (password) is as follows:

- The format is panthersxxxxmmdd (xxx is the last three (3) digits of your University ID#, mmm is the first three letters of your birth month, and dd is the 2-digit number of your birth day). Example: panthers456nov23 (all lower case)
- Your new passphrase must be at least 15 characters long; see Passphrase Requirements for a complete listing.

The Class Search allows students to explore course offerings for a specific semester. There are many new options for searching for course sections in the student information system. The Planner allows students to select courses from the course catalog and plan which semesters they would like to enroll in them. The Shopping Cart allows students to select course sections from the schedule of classes for a given semester in order to plan which sections they will attempt to enroll in once the Enroll function becomes available. The Enroll function becomes available during a student’s enrollment appointment and allows students to enroll in course sections for a given term.

Enrollment is a separate process from the Planner and Shopping Cart planning activities. Use of the Planner and Shopping Cart does not guarantee enrollment in class sections or add the courses to the student’s enrollment; this takes place only during the Enroll process.

It is recommended that students take the following steps prior to registration:

1. Review the information about the enrollment features and capabilities of the student information system available at uni.edu/sis/content/student-center-help.
2. Access your registration information in the MyUNiverse Student Center tab myuniverse.uni.edu.
3. Use the Planner and/or Shopping Cart to plan your desired course sections prior to your enrollment date and time.
4. If any desired courses require an approval, please contact the appropriate offices. Approvals will be granted electronically or in writing. Students given written approval must add the course at the Office of the Registrar. Verbal approvals will not be acceptable.
5. If any desired courses list other enrollment requirements/prerequisites, please verify that the prerequisites have been met.
6. On or after your enrollment appointment date and time, enroll in the courses.

Students will be able to drop and add classes at any time after their initial registration.

SECTION NUMBERS DESIGNATING HALF SEMESTER COURSES
Sections numbered in the “80s” (or “8”) and a letter) meet the first-half of the semester. Sections numbered in the “90s” (or “9”) and a letter) meet the second-half of a semester.

ENROLLMENT REQUIREMENTS/PREREQUISITES
Enrollment requirements and prerequisites indicate conditions that must be satisfied before enrolling for the course. The university reserves the right to remove students from courses for which prerequisites have not been met.

ACADEMIC STANDING

UNDERGRADUATE ACADEMIC STANDING POLICY

Undergraduate students at the University of Northern Iowa are expected to meet academic standards set by the university and to demonstrate satisfactory academic progress towards earning a degree. Academic Alert and Academic Probation serve to warn students that unless their academic performance improves, they may be placed on Academic Suspension. No students in their first-semester in attendance at the University of Northern Iowa will be placed on Academic Suspension.

First-semester students (freshman and transfer students) at the University of Northern Iowa placed on Academic Alert or Academic Probation may be subject to conditions designed to increase academic success. A student who does not agree to these conditions may have their course schedule canceled for the semester.

All continuing students (students who are in their second semester or beyond at UNI) who are placed on Academic Probation should also seek assistance for academic improvement from academic advisors, the Academic Learning Center, or the Counseling Center.

ACADEMIC ALERT
Any first-semester student who has a 1.00-1.99 UNI semester GPA will be placed on Academic Alert. Only first-semester students new to the university can be placed on Academic Alert. While on Academic Alert, the student will be limited to 15 credit hours. Academic Alert is not recorded on the student’s official academic transcript.

At the end of a student’s semester on Academic Alert, one of the following actions will be taken:

- The student will be removed from Academic Alert and shall be in Good academic standing if their UNI cumulative GPA is 2.00 or higher.
- The student will be placed on Academic Probation if their UNI cumulative GPA is less than a 2.00.

**ACADEMIC PROBATION**

Any first-semester student who has a UNI semester GPA below 1.00 will be placed on Academic Probation. Also, any continuing student will be placed on Academic Probation when their UNI cumulative GPA is below a 2.00. A student placed on Academic Probation must earn a minimum UNI semester GPA of 2.00 for each semester while on Academic Probation until their UNI cumulative GPA reaches 2.00 or higher.

While on Academic Probation, a student will be limited to 15 credit hours. Once a student’s UNI cumulative GPA reaches 2.00 or higher, they will be removed from Academic Probation. Academic Probation is not recorded on the student’s official academic transcript.

At the end of a student’s semester on Academic Probation, one of the following actions will be taken:

- The student will be removed from Academic Probation and shall be in Good academic standing if their UNI cumulative GPA is a 2.00 or higher and their UNI semester GPA is a 2.00 or higher.
- The student will continue on Academic Probation if their UNI semester GPA is a 2.00 or higher and their UNI cumulative GPA remains below a 2.00.
- The student will be placed on Academic Suspension if their UNI semester GPA is less than a 2.00.

**ACADEMIC SUSPENSION**

A student on Academic Probation who fails to earn a UNI semester GPA of 2.00 will be placed on Academic Suspension. Academic Suspension is for a minimum period of one academic semester and is permanently noted on the student’s official academic transcript. Once suspended, a student will not be allowed to re-enroll at the University of Northern Iowa until they have been academically reinstated.

**READMISSION AFTER SUSPENSION**

Academic Suspension is for a minimum period of one regular academic semester. Only with strong justification, demonstrated potential for future success, and an agreement to enter the Early Readmission Program (ERP) would a student be readmitted prior to sitting out for a semester. Entry into the ERP does not remove the suspension from a student’s record.

An undergraduate student who has been placed on Academic Suspension may be readmitted only after completing an application for readmission and receiving formal reinstatement from the Committee on Admission, Readmission, and Retention. The application for readmission can be completed and submitted online.

To request early readmission prior to sitting out a semester, complete the Application for Early Readmission from Academic Suspension. Readmission prior to sitting out a semester is contingent on the Committee’s recommendation, and the student’s acceptance of entry into the ERP. As a condition of reinstatement, a student will be subject to stipulations designed to increase academic success. A student who does not agree to these conditions will be denied early readmission or have their course schedule canceled for the semester.

To request readmission after sitting out a semester, complete the Application for Readmission from Academic Suspension.

A student who is readmitted after a first suspension, either through admission to the ERP or after sitting out for one semester, will be placed on Academic Probation following Suspension. A student readmitted after suspension must earn a UNI semester GPA of 2.00 for each semester until their UNI cumulative GPA reaches 2.00 or higher. While on Academic Probation following Suspension, the student will be limited to 15 credit hours for a semester. Failure to earn a UNI semester GPA of 2.00 or higher will result in a second suspension.

A second Academic Suspension will be for two regular semesters (summer sessions excluded). Students suspended for a second time may apply for early readmission through the Committee on Admission, Readmission, and Retention by completing the Application for Early Readmission from Academic Suspension, only after having sat out for a minimum of one regular semester.

If a student sits out for two regular semesters, then the student will complete the Application for Readmission from Academic Suspension. A third Academic Suspension is considered permanent. Only the most extenuating circumstances would warrant consideration for readmission from Academic Suspension a third time.

At the end of a student’s semester on Academic Probation following Suspension, including semesters in the Early Readmission Program, one of the following actions will be taken:

- The student will be removed from Academic Probation following Suspension and shall be in Good academic standing if their UNI cumulative GPA is a 2.00 or higher.
- The student will continue on Academic Probation following Suspension if their UNI semester GPA is a 2.00 or higher and their UNI cumulative GPA remains below a 2.00.
- Following a first suspension, the student will be academically suspended for the second time if their UNI semester GPA is less than a 2.00.
Following a second suspension, the student will be permanently academically suspended if their UNI semester GPA is less than 2.00.

EXTENSION OF CREDIT/EDUCATIONAL LOAN

Registration for classes creates a legally binding financial obligation to pay tuition and fees per official university policy as summarized in this publication.

You are expected to have made the necessary financial arrangements prior to enrolling for classes. Any financial assistance from the university should be arranged prior to the start of classes through the Office of Financial Aid and Scholarships. **You are responsible for making all payments due while a Financial Aid application is in process.**

Your registration for classes constitutes your understanding and acceptance of this responsibility. The university considers this extension of credit to be an “educational loan” under Federal and State laws. This credit is automatically extended to all students.

Every student must read and acknowledge the University Billing Terms and Conditions. These terms and conditions outline the billing process and procedures. Students will view this on MyUNIverse via the Student Center tab. The terms and conditions can also be referred to on the Office of Business Operations website: student-accounts.uni.edu.

UNIVERSITY BILL (U-BILL)

All tuition, mandatory fees, lab fees, textbooks, contracted campus room and meal plan expenses, and other university related charges are electronically billed directly to the student by the Office of Business Operations, Student Accounts. Charges are billed one semester at a time. New charges and/or adjustments are billed monthly throughout the semester.

An electronic University Bill (U-Bill) is generated on the 1st of every month and due on the 20th - (if the due date falls on a weekend, the due date is the first business day following). An email notification is sent to each student’s official UNI email address when the bill is available. Paper bills are not sent. Students can view their bill, make a payment, or enroll in a payment plan online at uni.edu via MyUNIverse on the Student Center tab. Students can allow access to their U-Bill by creating a username and password for parents or other third parties. Go to MyUNIverse – My Page tab-Third Party Accounts to grant access.

Failure to receive or read an email reminder is not an acceptable reason for not making a payment when due. It is the responsibility of the student to check their U-Bill account at least monthly and make required payment by the due date. Billing information and guides to viewing the U-Bill are available online at studentaccounts.uni.edu.

**Students must pay their account in full by the end of each semester to avoid registration delays and to receive transcripts or diplomas.**

PAYMENT INSTRUCTIONS

U-Bill payments can be made by cash, check, or online by e-check or credit card. Payments must be received by the due date to avoid a late fee of up to 1% and other restrictions. Payments can be made using these options:

- **Online via E-check or credit card at MyUNIverse-Student Center**;
- **Cashier’s Window at 103 Gilchrist Hall (8:00 a.m. – 4:30 p.m. M-F)**;
- **Drop-box located outside of the East Entrance of Gilchrist Hall**;
- **Mailing Address**:
  
  University of Northern Iowa  
  Attn: Student Accounts  
  103 Gilchrist Hall  
  Cedar Falls, IA 50614-0008

Please include the student number in the memo section of the check.

DEFERRED PAYMENT PLAN

The University offers a Deferred Payment Plan option for tuition, mandatory fees, and contracted room and meal plan charges. This will allow students to take advantage of a 3-month payment plan for the summer term.

All enrolled students are eligible to participate but the student **MUST ENROLL** prior to the first billing due date. To enroll, students must log in to MyUNIverse-Student Center tab to complete the online payment plan agreement. A $20 deferred billing fee will be assessed to the student’s first bill after enrolling in a plan.

REFUNDS

When payments and/or Financial Aid credits are greater than the total charges, a refund will be generated. Refunds are deposited electronically into the student’s checking or savings account via direct deposit. Students must enroll at uni.edu via MyUNIverse-Students Center. It is the responsibility of the student to ensure the accuracy of their bank routing and account numbers to avoid delays in receiving their funds. Once enrolled, students will receive an automatic email notification each time that a refund has been sent to their bank account. Students are encouraged to verify receipt of funds with their bank prior to conducting any transactions.

Refunds will be issued if the amount is $1 or greater. The University will initiate direct deposit refunds daily beginning the first week prior to classes starting through the second week of classes to accommodate increased financial aid disbursements. Beginning the third week of each semester, direct deposits will be initiated on **Monday, Wednesday, and Friday** each week. If a student has not set up direct deposit, a paper refund will be issued.
STANDARDS OF SATISFACTORY ACADEMIC PROGRESS

The University of Northern Iowa has established requirements of Financial Aid Satisfactory Academic Progress (SAP) that all students must meet in order to be eligible for financial aid. The financial aid programs affected include, but are not limited to, all federal, state, and institutional aid including private education loans.

Financial Aid Satisfactory Academic Progress Requirements and Review Process

Financial Aid Satisfactory Academic Progress is evaluated yearly at the end of each spring semester for the previous Summer, Fall, and Spring semesters. To maintain eligibility for financial aid, students must meet the following three criteria:

1. **Minimum GPA:** Undergraduate and 2nd BA students must maintain a minimum 2.00 cumulative GPA for coursework taken at UNI. Graduate students must maintain a minimum 3.00 cumulative GPA.

2. **Pace of Progression:** Students must complete 67% of all coursework attempted at UNI. Attempted hours are based on enrollment at the end of the first two weeks of class during a semester. Only grades of A, B, C, D, X, Cr, or P are counted as meeting the required hours. Failed classes, withdrawn classes, and incomplete grades do not count as completed credit hours and will negatively affect the SAP calculation. Example: A student has attempted 114 credits at UNI. Out of the 114 credits attempted, he has successfully completed a total of 87 credits (76% of the coursework attempted), thus meeting this standard of academic progress.

3. **Maximum Time to Complete a Degree:** Students must complete a degree within a certain number of credit hours and semesters. The current maximum credit hours is 150% of the degree, per the academic catalog. Undergraduate students must complete a degree within 12 full-time equivalent semesters, 2nd BA and Graduate students must complete a degree within 6 full-time equivalent semesters. Transfer credits are counted toward the maximum time to complete a degree.

Undergraduate students are also required to complete a degree within 12 full-time equivalent semesters (18 three-quarter time semesters or 24 half-time semesters). Second BA and graduate students are required to complete a degree within 6 full-time equivalent semesters (9 three-quarter time semesters or 12 half-time semesters). Transfer credits are counted toward the maximum timeframe to complete the degree. Students cannot receive financial aid for more than one degree at a time.

NOTE: Repeated coursework will be evaluated using the most recent grade received. UNI GPA refers to overall UNI GPA.

Financial Aid Suspension Status

Financial Aid Satisfactory Academic Progress is reviewed on an annual basis following the conclusion of the Spring semester. Students must meet all three academic requirements (see above) at the time of review or they will be placed on Financial Aid Suspension. Students placed on Financial Aid Suspension MUST appeal to have their aid reinstated for upcoming semesters at UNI. Students who have successfully appealed will be placed on Financial Aid Probation or Financial Aid Academic Plan status, allowing them to receive aid based on conditions set forth by the Office of Financial Aid and Scholarships.

Financial Aid Probation Status

Financial Aid Probation is available for a maximum of one semester for students who have successfully appealed to have their aid reinstated. Students on Financial Aid Probation must continue to adhere to the Financial Aid Satisfactory Academic Progress Policy outlined above and any other conditions listed on the Appeal Approval Contract. Students on Financial Aid Probation status are reviewed at the end of each semester. Students not making progress toward the terms of their appeal contract will have their aid suspended and must appeal before a committee to have their aid reinstated.

Financial Aid Academic Plan

If it is not possible for the student with an approved appeal to achieve minimum Financial Aid Satisfactory Academic Progress standards within one semester, the student will be maintained on an Academic Plan. While on Financial Aid Academic Plan, students must meet all Financial Aid Academic Progress standards each semester. The conditions for the approved appeal will continue each term until the student meets the minimum standard(s) or fails to meet the conditions of the approved appeal. If the student fails to meet the appeal conditions, the student’s account will revert to Suspension Status indicating that the student is ineligible for aid.

Reinstatement of Financial Aid

Students placed on Financial Aid Academic Progress Suspension have the opportunity to appeal and/or have their previous grades reviewed by the Office of Financial Aid and Scholarships. Students have the following options for reinstatement:

1) **Meet all Financial Aid Satisfactory Academic Progress requirements.**
   - Undergraduate students must improve their cumulative GPA to the 2.00 minimum with graduate students meeting the 3.00 cumulative GPA minimum requirement, and
   - By meeting the 67% course completion standard.

2) **Initiate the financial aid appeal process.** Financial Aid appeals must demonstrate extenuating circumstances that impeded the students’ ability to make progress academically. All appeals must be accompanied by third party documentation of the circumstances encountered as well as an academic plan of study (signed by an academic advisor or a record analyst in the Office of the Registrar). Examples of extenuating circumstances include but are not limited to:
   - Personal or Family Emergency
   - Serious Medical Issues
   - Psychological Illness

3) **Review of grade changes to previously deficient course grades.** Students experiencing grade changes that may reinstate their eligibility should contact the Office of Financial Aid and Scholarships to have their academic progress reviewed.

Paper refunds are printed weekly on Friday and held for pick up at the Cashier’s window in Gilchrist 103. Students are required to provide valid identification when picking up their check. Checks not picked up within 14 days will be mailed to the student’s permanent address. As a result, the receipt of funds will be significantly delayed compared to direct deposit. Parents can also have the Parent Plus Loan deposited directly to their bank by completing the Parent Plus Loan Direct Deposit Authorization form which can be found on the Office of Business Operations website obo.uni.edu/student-accounts.
The successful reinstatement of financial aid is not reflective of decisions regarding Registrar academic suspension. Students on academic suspension should visit with the Office of the Registrar regarding reinstatement to UNI.

FINANCIAL AID APPEAL PROCESS AND DEADLINES
An appeal process is in place for those experiencing extenuating circumstances that affected their ability to meet the Financial Aid Satisfactory Academic Progress standards. Appeal forms may be obtained from the Office of Financial Aid and Scholarships or online at finaid.uni.edu/academic-progress. Appeals must be submitted no later than the end of the second week of classes following the suspended semester or within 14 calendar days of the date on the academic progress letter. It is recommended that students submit their appeals as soon as possible to avoid processing delays.

All appeals must be accompanied by third party documentation of the circumstances encountered, a description of how circumstances have changed to allow for future academic success, as well as an academic plan of study (signed by an academic advisor or a record analyst in the Registrar’s Office) demonstrating that the student can successfully meet Financial Aid Academic Progress policy within a reasonable amount of time, thereby allowing them to matriculate toward their degree within the timeframe set forth within the above policy. Reinstatement of the financial aid is contingent upon the availability of the funds at the time the appeal is approved. Approved appeals require a signed contract to be returned to the Office of Financial Aid and Scholarships.

DENIED FINANCIAL AID APPEALS
Students denied financial aid eligibility may continue attending UNI by funding their own education. Students can seek a private education loan if they are denied from their appeal. If students meet all of the progress standards in the future, they must contact the Office of Financial Aid and Scholarships to request a review of their financial aid status.

GRANT ADJUSTMENT
Grants are need-based aid. The Pell Grant Program is for students working on their first B.A. degree. Due to federal regulation and university policy, the actual amount of grant that you receive is based on the number of credit/hours for which you are enrolled at the end of the first two weeks of the semester. If you have any questions about how your grant may be affected by adding or dropping a class, please contact the Office of Financial Aid and Scholarships, 319-273-2700.

GUIDED INDEPENDENT STUDY, CAMP ADVENTURE, AUDITED COURSES
Financial aid is not available for Guided Independent Study, Camp Adventure, or audited courses. If you have any questions regarding this policy, please contact the Office of Financial Aid and Scholarships at 319-273-2700.

STUDENT LOAN OVERVIEW
Federal student loan programs have a maximum amount of loans that can be received during an academic year based on a student's grade classification. For example, a freshman student who is dependent may only borrow $5,500 in the Direct Loan Program for the entire academic year (Fall, Spring and Summer). Additional information can be found at finaid.uni.edu/loans.

ACCEPTING LOANS
Students can accept their Direct Loans by completing the following steps:
Accept, reduce, or decline the loans offered on the student’s online Award Notification, found within the Student Center on MyUNIverse.

First time borrowers must complete the Master Promissory Note (MPN) and Direct Loan Entrance Counseling at www.studentaid.gov (using their FSA ID). The MPN covers both the Direct Subsidized Loan and the Direct Unsubsidized Loan. The MPN does not show a specific loan amount because it also serves as the promissory note for future Direct Loans (valid for up to 10 years). By completing the MPN, students are agreeing to repay to the U.S. Department of Education all loans made to them under the terms of the MPN. Direct Loan funds cannot be disbursed until the MPN is submitted and approved by the Department of Education. Processing of the loan(s) usually takes one week if the MPN is completed electronically, and up to three weeks if a paper MPN is completed.

Parent PLUS Loans: If parents are choosing to borrow the Direct Parent PLUS Loan they will need to complete the “Apply for a PLUS Loan” link found on www.studentaid.gov and a Master Promissory Note (if the parent is borrowing a PLUS Loan for the first time).

Private Education Loans: If the parent is not borrowing the full amount of the Parent PLUS Loan, any remaining loan eligibility may be borrowed by the student in the form of a private education loan. These loans are available through private banks and lenders. Please contact the Office of Financial Aid and Scholarships, (319) 273-2700 for additional information.

GUIDED INDEPENDENT STUDY, CAMP ADVENTURE, AUDITED COURSES
Financial aid is not available for Guided Independent Study, Camp Adventure, or audited courses. If you have any questions regarding this policy, please contact the Office of Financial Aid and Scholarships at (319) 273-2700.

For a more comprehensive overview of the financial aid process, please visit finaid.uni.edu/award-notification or finaid.uni.edu.

GUIDELINES, POLICIES, AND REGULATIONS

ACCOMMODATIONS OF DISABILITIES (Policy 13.15)
Purpose: To provide guidelines regarding the University’s compliance with the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990 (ADA), the Americans with Disabilities Act Amendments Act of 2008 (ADAAA), and other applicable federal and state laws and regulations.

Policy Statement: No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the
Occasionally, students will have reasonable cause to miss class. In order for both faculty members and students to plan effectively for these absences, the following procedures have been developed. Faculty members are encouraged to take into account the reason for an absence and the student's overall academic standing before requiring attendance, and students are encouraged to report any medical or personal issues that could affect their ability to attend class.

**Policy on Make-up Work and Missed Classes (3.06)**

**Purpose:**
It is the expressed focus of the University of Northern Iowa to further the educational development of each of its students. On occasion events will necessitate a student’s absence from class. This policy delineates the responsibilities of faculty members and students relating to class attendance and make-up work.

**Definition:**
The term “faculty member(s)” when used in this policy includes all regular, full-time faculty and all part-time course instructors, regardless of any other University employee classification which applies to the individual who teaches on a part-time basis.

**Policy:**

**A. General Provisions**

1. Faculty members who choose to have policies related to attendance and make-up work must distribute those policies by the end of the first week of instruction.
2. Students must adhere to each faculty member’s policies regarding attendance and make-up work.
3. Faculty members who require attendance at activities or events that may conflict with a student’s otherwise regularly scheduled classes are expected to be reasonable in setting these requirements. If a faculty member will require student attendance at an activity or event outside of the regularly scheduled class period, the affected students must be provided with written notice at least 10 university class days in advance of the event during the fall or spring semester and by the third day of the course for any summer term class. The faculty member must provide each student with a notice that can be given to the faculty member who instructs another course a student is registered for by the required attendance of the student. It is then the student’s obligation to notify the other faculty member. In the case of extracurricular activities, a semester-long schedule should be prepared and distributed to the participating students at the beginning of the semester. It is the student’s obligation to provide the schedule to his/her other faculty members. A student may not be penalized for missing a course activity which is outside of their regularly scheduled class time and conflicts with his/her other scheduled courses. If a faculty member has course activities which require attendance outside of scheduled class time, that faculty member must either provide the student an opportunity to make up the missed activity or event, or have in place a make-up policy that does not unjustly penalize a student for the missed activity or event.

**B. Absences**

Occasionally, students will have reasonable cause to miss class. In order for both faculty members and students to plan effectively for these absences, the following procedures have been developed. Faculty members are encouraged to take into account the reason for an absence and
make appropriate accommodations. Students are still responsible for demonstrating achievement of course learning goals, even when absences are necessary or reasonable. In situations with many absences, it may be most appropriate for the student to withdraw and retake the course in a future semester.

1. In the case of mandatory excused absences, students must be allowed to make up missed work, complete an equivalent assignment, or the professor and the student may mutually agree to waive the assignment without penalty. Faculty members have the discretion to determine what constitutes an appropriate make-up work assignment. Some course requirements may not require a make-up, such as in cases where the class work has a very minimal point value or where the course requirement of minimal point value is a part of a series of dropped assignments.

a. The following absences must be excused:
   - Required university related absences, including but not limited to athletic games/matches/meets or their equivalents,
   - Absences due to military duty or veteran status, including service-related medical appointments where failure to appear might result in a loss of benefits.
   - Absences because of pregnancy or childbirth for as long as the student’s doctor deems the absences medically necessary. When a student returns to school, she must be allowed to return to the same academic and extracurricular status as before her medical leave began.
   - Legally mandated absences such as jury duty or court subpoena.
   - Absences on a day the provost has declared a severe weather day per policy 4.07.

b. Students participating in required university or legally mandated absences must inform each faculty member of their known and anticipated absences as far in advance as possible. Failure to inform faculty beforehand, when it is clearly possible to do so, may be treated as an unexcused absence.

c. Faculty are not required to offer make-up work for extra credit tasks or assignments.

2. Except as outlined in B1, faculty members have the discretion to determine the reasonableness of absences due to extenuating circumstances, either predetermined or unexpected. Such absences include but are not limited to: non-university sanctioned educationally appropriate events and activities (e.g. attendance at a professional conference, lecture on campus); illness; significant personal emergency; bereavement; obligatory religious observances, etc.

a. When an absence is deemed “reasonable”, the faculty member provides the student an opportunity to make up missed work, or has in place a make-up policy that does not unjustly penalize a student for the absence.

b. Remedies for missed work due to a “reasonable” absence include but are not limited to replacement assignments; policies which may allow students to drop a certain number of assignments or exams; policies which might average a score for a missed exam or account for it in other ways, etc.

c. In each of these remedies, a “reasonable” standard should apply. In determining whether a remedy is reasonable, consideration should be given to the published syllabus.

C. Make-up Work Grievances Arising from Absences

Should a faculty member refuse to allow a student to make up missed work, the faculty member’s decision can be appealed by the student using the grievance process outlined in Section 7 of 12.01 Student Academic Grievance Policy.

DISCRIMINATION, HARASSMENT, & SEXUAL MISCONDUCT POLICY (Policy 13.02)

Purpose: The University (referred to as “University” or “UNI”) is committed to providing a workplace and educational environment, as well as other benefits, programs, and activities, that are free from discrimination and harassment based on a protected class, as well as retaliation.

Policy Statement: To affirm its commitment to promoting the goals of fairness and equity in all aspects of the educational program or activity, and to ensure compliance with federal and state civil rights laws and regulations, the University has developed internal policies and procedures that provide a prompt, fair, and impartial process for those involved in an allegation of discrimination or harassment on the basis of protected class, and for allegations of retaliation. The University values and upholds the equal dignity of all members of its community and strives to balance the rights of the parties in the Formal Complaint process during what is often a difficult time for all those involved.

This policy prohibits all forms of discrimination based on a protected class. Sometimes, discrimination involves exclusion from or different treatment in activities, such as admission, athletics, or employment. Other times, discrimination takes the form of harassment or, in the case of sex-based discrimination, can encompass sexual harassment, sexual assault, stalking, sexual exploitation, dating violence or domestic violence. When an alleged violation of this policy is reported, the allegations are subject to resolution using the University’s procedures as determined by the Title IX Coordinator, and as detailed below.
When the Respondent is a member of the UNI community, a Formal Complaint process may be available regardless of the status of the Complainant, who may or may not be a member of the University community. This community includes, but is not limited to, students, student organizations, faculty, administrators, staff, and third parties such as guests, visitors, volunteers, invitees, and campers. The procedures below may be applied to incidents, to patterns, and/or to the campus climate, all of which may be addressed and investigated in accordance with this policy.

All reports of discrimination, harassment, and/or retaliation shall be promptly made to the Title IX Officer (or designated Deputy Coordinator). The Assistant to the President for Compliance and Equity Management serves as the Title IX Officer and ADA/S04 Coordinator and oversees implementation of the University’s Affirmative Action Plan and the University’s Policy on Discrimination, Harassment, and Sexual Misconduct. The designated Title IX Deputy Coordinator is the Senior Associate Athletic Director. For those individuals who become aware of incidents involving discrimination, harassment, or sexual misconduct, reporting responsibilities are described in Section 16. A complainant’s options for reporting are addressed more specifically in Section 7. The complete policy can be found at policies.uni.edu/1302.

NON-DISCRIMINATION STATEMENT (Policy 13.03)
No person shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination in employment, any educational program, or any activity of the University, on the basis of age, color, creed, disability, ethnicity, gender identity, genetic information, marital status, national origin, political affiliation, pregnancy, race, religion, sex, sexual orientation, veteran or military status, or on any other basis protected by federal and/or state law.

The University of Northern Iowa prohibits discrimination and promotes affirmative action in its educational and employment policies and practices as required by Title IX of the Educational Amendments of 1972, the Americans with Disabilities Act of 1990, Section 504 of the Rehabilitation Act of 1973, Title VII of the Civil Rights Act of 1964 and other applicable laws and University policies. The University of Northern Iowa prohibits sexual harassment, including sexual violence.

The following person has been designated to handle inquiries regarding the equal opportunity and non-discrimination policies and serves as the University Title IX Officer and the Section 504/ADA Coordinator: Leah Gutknecht, Assistant to the President for Compliance and Equity Management, Office of Compliance and Equity Management, 117 Gilchrist Hall, UNI, Cedar Falls, IA 50614-0028, 319-273-2846, leah.gutknecht@uni.edu.

STUDENT RIGHT TO KNOW ACT (Public Law 101-542)
Federal law requires all institutions of higher education to provide graduation rates to current and prospective students. Our most recent analysis shows that 65.0 percent of the students who enter the University of Northern Iowa graduate within the six-year completion period established by the law. The national average graduation rate after six years for all U.S. public 4-year institutions is 48 percent. If you wish to obtain additional information regarding student retention and persistence to graduation at UNI, you may contact the Office of the Registrar.

The above specifications are subject to the exceptions listed below. Veterans to whom an exception applies should check with the VA Certification Officials in the Office of the Registrar to find out how the exception may affect their benefits.

1. Half-semester courses are certified as such and will not count for a full-semester load.
2. The university will certify veterans for repeating courses if a grade of "F" was previously received in the course, or a course needs to be replaced to attain required grade.
3. Students will only be certified for courses, which are required for their minimum degree requirements.
4. Withdrawal from a course with a "W" can result in costly repayments to the VA.

If you have questions about your education benefits from the Veterans Administration, visit the Office of the Registrar, 115 Gilchrist Hall, (319) 273-2241.

STUDENT RECORDS

ACADEMIC ADVISEMENT REPORT
All degree-seeking, active students who entered UNI summer 2006 or later will receive an Academic Advisement Report in their Student Center. This report provides information on how the courses you have completed and are currently registered for apply to your degree requirements. This report also serves as your guide for scheduling classes. Interactive Academic Advisement Reports are accessible on the web via Student Center, Other Academic Reports dropdown, Academic Requirements. Students who entered UNI prior to summer 2006, who do not have complete Advisement Reports, should contact their Record Analyst in the Office of the Registrar. Post-Baccalaureate undergraduate students do not have an Academic Advisement Report and should contact the Office of the Registrar for their degree requirements. We have endeavored to show the results of any special student requests you may have had approved. These actions will most likely be shown by course directives and explained in Notes field reference; and requirement changes as noted in the unit/course requirement areas on the report.

In-Progress (non-graded) courses show on the Academic Advisement Report as satisfying requirements and unit/course counts. However, unsuccessful completion will remove the course from the requirement and the unit/course counts. Your Academic Advisement Report is divided into sections, based on the degree and plans (majors/minors) you have declared. You will find your Academic Advisement Report to be a valuable tool for advising meetings and charting your progress towards your degree. If you have questions about your report please contact your academic advisor, the Office of Academic Advising, or your Record Analyst in the Office of the Registrar.

AUDITING CLASSES
Courses will default to the graded grading basis. Students wishing to request to audit courses should contact the Office of the Registrar. Students receiving approval to audit may change registration in the first two weeks of the fall or spring semester. After that, any change would require signatures from the course instructor and the Office of Academic Affairs. Audit hours are included in the maximum credit hour load a student may take. Students may audit a course, but the fee assessment will be the same as courses taken for credit.

CHANGING OF NAME
The name on the student record should be the student’s complete and legal name. In evaluating and processing all name changes, the university reserves the right to require adequate and appropriate documentation as warranted.

CREDIT/NO CREDIT GRADING
The undergraduate student having earned twelve semester hours of credit at this university may take courses offered by this institution for which the student is otherwise eligible for degree credit without grade under the following conditions:

1. The course work requirements for a student taking work on an ungraded basis shall be the same as for a student taking the work on a graded basis.
2. A grade of C- or higher is required in a course to receive credit on the “Credit/No Credit” option.
3. Not more than 22 hours of ungraded course work in addition to courses authorized to be offered only for ungraded credit may be taken toward any bachelor’s degree.
4. Ungraded credit may not be applied to work required for a major or minor except with the consent of the Head of the Department in which the course is offered.
5. No course taken on the “Credit/No Credit” option may be applied toward fulfilling a Liberal Arts Core requirement.
6. Except for Field Experience: Exploring Teaching (EDPSYCH 2017); Field Experience: Teacher as a Change Agent (EDPSYCH 3128); and Student Teaching (TEACHING xxx), ungraded credit may not be used in the Common Professional Sequence requirements for the teaching program.
7. Course work passed without grade may not be retaken except by special permission of the Dean of the College in which the course is offered.
8. A graded course completed may not be retaken on an ungraded basis.
9. The Credit/No Credit system may not be used with Credit by Examination, Extension, or Correspondence courses.
10. Change of registration in a course to or from a non-graded basis may not be made after ten calendar days following the beginning of the second half of the semester in a full, academic-year semester, or after the mid-point in the duration of a course taught in a period less than a full, academic-year semester. Only one such change of registration may be made per course.
11. Credit/No Credit grading cannot be used for Presidential Scholar Seminars or Presidential Scholar Thesis/Project credit.
12. No upper level (3000-level and above) Accounting courses may be taken without written consent of the department head or director of the MAcc, except ACCT 3090, ACCT 3092, ACCT 3179, and ACCT6090.

**GRADE POINT AVERAGE**

Grades are evaluated in terms of quality points. For each hour of A earned, the student is credited with 4 grade points; for each B, 3; each C, 2; D, 1; F, 0. One third of a quality point is added for every hour in which a plus (+) is earned. One third of a quality point is subtracted for every hour in which a minus (-) grade is earned. Grades of A+, F+, or F- are not assigned. The grade index is determined by dividing the number of grade points by the number of hours of load.

Hours of credit/no credit, withdrawal and/or incompletes are not used in determining your grade point average.

**GRADES**

Students can access grades using their CatID and password on MyUNiverse [myuniverse.university.edu](http://myuniverse.university.edu) in the Student Center tab. Grade information is not provided to parents without the authorization of the student. Such authorization may be signed at the Office of the Registrar.

**INCOMPLETE WORK**

To receive credit for course work a student is required to be in attendance for the full semester. Exceptions to this rule are rarely made. Work lost because of absence due to illness, or other extenuating circumstances, may be made up, but arrangements for making up work missed are made between the student and the instructor. Work left incomplete at the end of a semester or summer session will be reported as a Failure unless a report of Incomplete (I) has been authorized by the instructor. The I is restricted to students doing satisfactory work in the class who, because of extenuating circumstances, are unable to complete the work of the course. The I is limited to assigned work during the final sixth of the term. If a course is reported as Incomplete, a student is not prevented from registering for another course for which the incomplete course is a prerequisite. Work reported as Incomplete for undergraduate students must be completed within six months from the time at which the report was made. If the work reported as Incomplete is not made up within six months, it is automatically entered as a Failure on the student’s record. However, if for sufficient cause an Incomplete cannot be removed in six months, request for an extension of the time may be made to the instructor of the course. The extension, if approved, is for a period of up to another six months as designated by the instructor. Work reported as Incomplete for a fall semester for graduate students must be completed by June 1. Work reported Incomplete for graduate students in the spring semester or in the summer session must be completed by January 1. The exact length of time to remove the incomplete within the above guidelines, is set by agreement between the instructor and the student. If the work reported as Incomplete is not made up by the deadline, it is automatically entered as a Failure on the student’s record. Any requests for an exception to the above guidelines for graduate students must be submitted in writing to the Graduate College. Only under the most unusual circumstances would requests for additional time be approved. Some courses continue beyond the normal ending date of the semester or session. In such cases, the initial grade reported will be an RC, which means Research or Course Continued. Once the extended instructional period is finished, the RC grade will be replaced with the A-F grade assigned by the instructor.

**NOTIFICATION OF RIGHTS UNDER FERPA**

The University of Northern Iowa adheres to the Family Educational Rights and Privacy Act of 1974 as amended. Students who have questions concerning their rights under this Act may contact the Office of the Registrar for pertinent information.

The Family Educational Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records. (An eligible student who is 18 years of age or older or who attends postsecondary institution.) These rights include:

1. The right to inspect and review the student’s education records within 45 days after the day UNI receives a request for access. A student should submit to
the registrar, dean, head of the academic department, or other appropriate official, a written request that identified the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, the official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes is inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA. Students may ask the university to amend a record they believe is inaccurate or misleading. They should write the university official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the university decides not to amend the record as requested, the university will notify the student of the decision and the student’s right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before the university discloses personally identifiable information (PII) from the student’s education records, except to the extent that FERPA authorizes disclosure without consent. The university discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by UNI in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the Board of Regents; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of the school who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII for education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for UNI. Upon request, the school also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by UNI to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Ave, SW
Washington, DC 20202-8520

FERPA permits the disclosure of PII from students’ education records, without consent of the student, if the disclosure meets certain conditions found in 99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, 99.32 of FERPA regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures. A postsecondary institution may disclose PII from the education records without obtaining prior written consent of the student –

- To other school officials, including teachers, within UNI whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in 99.31(a)(1)(i)(B)(2) are met. (99.31(a)(1))
- To officials of another school where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student’s enrollment or transfer, subject to the requirements 99.34. (99.31(a)(2))
- To authorized representatives of the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as a State postsecondary authority that is responsible for supervising the university’s State-supported education programs. Disclosures under this provision may be made, subject to the requirements of 99.35, in connection with an audit or evaluation of Federal or State supported education programs, or for the enforcement or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (99.31(A)(4))
- To organizations, conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. (99.31(a)(6))
- To accrediting organizations to carry out their accrediting functions. (99.31(a)(7))
- To parents of an eligible student if the student is dependent for IRS tax purposes. (99.31(a)(10))
- Information the school has designated as “directory information” under 99.37. (99.31(a)(11))
- To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense, subject to the requirements of 99.39. The disclosure may only include the final results of the disciplinary proceedings with respect to that alleged crime or offense, regardless of the finding. (99.31(a)(13))
- To the general public, the final results of disciplinary proceeding, subject to the requirements of 99.39, if the school determines the student is an alleged perpetrator of a crime of violence or non-forcible sex offense and the student has committed a violation of the school’s rules or policies with respect to the alleged violation. (99.31(a)(14))
- To parents of a student regarding the student’s violation of any Federal, State, or local law, or of any rule or policy of the school, governing the use or possession of alcohol or a controlled substance if the school determines the student committed a disciplinary violation and the student is under the age of 21. (99.31(a)(15))

Based on an institutional adjudged determination of “need to know” the university may release the following "Directory Information" to anyone who requests it without the consent of the student unless the student has requested the university not to release any or all of the information.

Please note: Restricted directory information will be released when necessary to perform required administrative duties related to your enrollment at the university.

1. Student’s name, university and home address, e-mail address, and telephone number
2. College
3. Curriculum major(s) and minor(s)
4. Classification (year in school)
5. Participation in recognized organizations, activities, and sports
6. Currently enrolled
7. Dates of attendance
8. Degrees received
9. Photograph

Students desiring to restrict the release of any of the preceding Directory Information should contact the Office of the Registrar and fill out the appropriate form or “Update My Personal Information” within MyUNIverse. This restriction will remain in effect until you request it be changed.

The complete Student Records Policy of the university may be obtained by accessing policies.uni.edu/311.

Graduation

APPLYING TO GRADUATE

Seniors who expect to graduate at the end of the Summer 2020 session must complete an undergraduate graduation application through their Student Center.

The information set forth below applies to students who withdraw completely from school. Dropping one or more classes does not constitute a withdrawal unless the student drops all classes for which he or she is registered. Do not attempt to withdraw your registration by filing a change of registration or withdrawing online. Contact the Office of the Registrar. If all classes are dropped, this is a withdrawal and the information below applies.

WITHDRAWAL PROCEDURE
A student who has started attending classes who finds it necessary to withdraw from school initiates the withdrawal through the Office of the Registrar in person or by calling 319-273-2241. Students living in a residence hall also must cancel their housing contract through the Director of the residence hall where they live. Students with financial aid MUST contact the Office of Financial Aid and Scholarships.

A student who has registered but decides not to come to the University of Northern Iowa should advise the Office of the Registrar as early as possible, listing all the reasons for withdrawing from the university. **WITHDRAWAL AFTER CLASSES BEGIN WILL RESULT IN A TUITION CHARGE.** If you received financial aid from the university, all or part of this aid may have to be repaid.

**WITHDRAWAL REFUNDS**
If credit is earned during a period of enrollment, there is no refund of academic fees for that period. For any one-, two-, or three-week session, there is no refund. Room and board refunds are made according to the agreement set out in the "Contract for Room and Board", signed by the student at the time of enrollment. Tuition is refundable based on the percentage table given below. The effective date of the withdrawal is the date the official withdrawal form is completed in the Office of the Registrar.

Students who withdraw completely prior to the first day of instruction for a semester will not pay any tuition for that semester. If any tuition has been paid, it will be refunded in full. After university instruction begins for a semester, tuition charges or refunds will be made in accordance with the schedule set forth below. For example, if a student withdraws during the first week of classes, 10% of the total tuition will be charged; or, if the total tuition has been paid, 90% will be refunded.

The refund schedule only pertains to a withdrawal (all courses are dropped). See the "Dates to Observe" and "Change of Registration" sections for questions on tuition when a portion of the classes are dropped.

The manner in which refunds will be determined is as follows:

1. Find the date of your withdrawal on the correct session refund schedule.
2. If you are enrolled in multiple sessions, your refund will follow the schedule for each session in which you are enrolled.
   *For example:* If you are enrolled in one eight-week class and one mid-June/July six-week class and you withdraw from school on June 21, you would receive a 75 percent refund for your mid-June/July six-week class and no refund for your eight-week class.
   *As another example:* If you are enrolled in a May four-week class and a mid-June/July six-week class and you withdraw on June 15, you would receive no refund for your May four-week class and a full refund for your mid-June/July six-week class.
3. As a general rule, if you withdraw from a session in which you are registered since classes have begun for that session, you will be assessed some percentage of the total tuition for that session. If you withdraw from a session in which you are registered prior to classes beginning for that session, you will be accorded a full refund of tuition for that session.
4. Students receiving financial aid should visit with a counselor in the Office of Financial Aid and Scholarship about how dropping a class and/or withdrawing totally from school will affect your financial aid award.
